Visit [principal.com/dentist](http://principal.com/dentist) to find a dentist or call 800-247-4695.

You can refer your dentist to our network. Please submit the dentist's name and information by calling 800-832-4450, or submitting a form at [principal.com/refer-dental-provider](https://principal.com/refer-dental-provider).

## What are the limitations and exclusions of my coverage?

- Missing tooth –The initial placement of bridges, partials, and dentures to replace teeth missing before this coverage starts won't be covered. If this policy replaces coverage with another carrier, continuous coverage under the prior plan may be applied to the missing tooth provision requirement. This doesn't apply to pediatric essential benefits.
- Frequency limitations for services are calculated to the month and exact date from the last date of service or placement date.

There are additional limitations to your coverage. Please review your booklet for more information.

## What are the restrictions of my coverage?

### Orthodontia

If there is orthodontia (ortho) treatment in progress on the coverage effective date and you are covered under any prior group coverage for ortho, there will be immediate coverage for treatment if proof is submitted that shows:

- 1) The lifetime maximum under any prior group coverage has not been exceeded,
- 2) Ortho treatment was started and bands or appliances were inserted while insured under any prior group coverage, and
- 3) Ortho treatment has been continued while insured under this policy.

Principal Life will credit payments made by the prior carrier toward the Principal Life lifetime ortho payment limit.

You will not be covered if ortho treatment is in progress prior to the effective date with Principal Life and you are not covered under any prior group coverage for ortho.

There are additional limitations to your coverage. A complete list is included in your booklet.
