Extraterritorial booklet-certificate amendment

Policyholder: Lloyd A. Wise Motors Inc.

Group policy number: GP-0186813

Amendment effective date: January 1, 2024

This amendment is part of your booklet-certificate. It is effective on the date shown above and it replaces any other medical extraterritorial booklet-certificate amendment you may have received before.

Important note: The following apply only if you live in Arizona. The benefits below will apply instead of those in your booklet-certificate unless the benefits in your booklet-certificate are better.

Notice

YOUR CERTIFICATE OF INSURANCE MAY NOT PROVIDE ALL BENEFITS AND PROTECTIONS PROVIDED BY LAW IN ARIZONA. PLEASE READ THE CERTIFICATE CAREFULLY.

When you are injured

If someone else caused you to need care – say, a careless driver who injured you in a crash – you may have a right to get money. We are not entitled to that money.

The difference between a complaint and an appeal

Complaint

You may not be happy about a **provider** or an operational issue, and you may want to complain. You can contact us at any time. This is a complaint. Your complaint should include a description of the issue. You should include copies of any records or documents you think are important. We will review the information and give you a written response within 30 calendar days of receiving the complaint. We will let you know if we need more information to make a decision.

Appeal

The appeal process information packet explains all of your appeal rights. We sent you a copy of this. If you need another copy you can obtain one by calling us. When we make a decision to deny services or reduce the amount of money we pay on your care or out-of-pocket expense, it is an adverse benefit determination. You can ask us to re-review that determination. This is an appeal. You can start an appeal process by contacting us.

Claim decisions and appeal procedures

Your **provider** may contact us at various times to make a claim, or to request approval for payment based on your benefits. This can be before you receive your benefit, while you are receiving benefits and after you have received the benefit. You may not agree with our decision. As we said in *Benefit payments and claims* in the *How your plan works* section, we pay many claims at the full rate, except for your share of the costs. But sometimes we pay only some of the claim. Sometimes we deny payment entirely.

Any time we deny even part of the claim, it is an “adverse benefit determination” or “adverse decision.” For any adverse decision, you will receive an explanation of benefits in writing. You can ask us to review an adverse benefit determination. This is the internal appeal process. If you still don’t agree, you can also appeal that decision.

Appeal of an adverse benefit determination

Urgent care or pre-service claim appeal

If your claim is an urgent claim or a pre-service claim, your **provider** may appeal for you without having to fill out an appeal form. A concurrent claim appeal will be addressed according to what type of service and claim it involves.

Any other claim appeal

You can appeal by sending a written appeal to the address on the notice of adverse benefit determination, or by contacting us. We will assign your appeal to someone who was not involved in making the original decision.

Another person may submit an appeal for you, including a **provider**. That person is called an authorized representative. You need to tell us if you choose to have someone else appeal for you (even if it is your **provider**). You should fill out an authorized representative form telling us you are allowing someone to appeal for you. You can get this form on our website or by contacting us. The form will tell you where to send it to us. You can use an authorized representative at any level of appeal.

At your last available level of appeal, we will give you any new or additional information we may find and use to review your claim. There is no cost to you. We will give you the information before we give you our decision. This decision is called the final adverse benefit determination. You can respond to the information before we tell you what our final decision is.

Exhaustion of appeal process

In most situations, you must complete the two levels of appeal with us before you can take these other actions:

- Contact the Arizona Department of Insurance to request an investigation of a complaint or appeal
- File a complaint or appeal with the Arizona Department of Insurance
- Appeal through an external review process
- Pursue arbitration, litigation or other type of administrative proceeding

Sometimes you do not have to complete the two levels of appeal before you may take other actions. These situations are:

- You have an urgent claim or claim that involves ongoing treatment. You can have your claim reviewed internally and through the external review process at the same time.
- We did not follow all of the claim determination and appeal requirements of Arizona or federal Department of Health and Human Services.

External review

External review is a review done by people in an organization outside of Aetna. This is called an independent review organization (IRO).

If our claim decision is one for which you can seek external review, we will say that in the notice of adverse benefit determination or final adverse benefit determination we send you. That notice also will describe the external review process. It will include a copy of the request for external review form at the final adverse determination level.

We will stand by the decision that the IRO makes, unless we can show conflict of interest, bias or fraud.

IRO decisions

The IRO will make a decision and notify the Insurance Director. The Insurance Director will notify us, you and your **provider**.

Sometimes you can get a faster external review decision. Your **provider** must call us or send us a request for external review form.

Utilization review

Prescription drugs covered under this plan are subject to misuse, waste or abuse utilization review by us, your **provider** or your network pharmacy. The outcome of the review may include:

- Limiting coverage of a drug to one prescribing **provider** or one network pharmacy
- Quantity, dosage or day supply limits
- Requiring a partial fill or denial of coverage

Recordkeeping

We will keep the records of all complaints and appeals for at least 10 years.

Fees and expenses

We do not pay any fees or expenses incurred by you in pursuing a complaint or appeal.

This amendment makes no other changes to the group policy, booklet-certificate or schedule of benefits.
