

# Healthcare Benefits, Made Simple.

Join a new era in the employee healthcare experience. Healthee takes the complication and frustration out of healthcare by providing on-demand answers to all your benefits and care-related questions including network coverage, deductible status, provider quality, and more!

## The Healthee Advantage

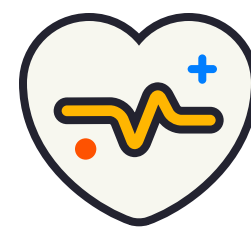

### 100% Digital

Enjoy the perks of an all-in-one digital healthcare experience at the tip of your fingers. Access up-to-date coverage information, explore benefits, find lower-cost care options, and stay on top of all your wellness needs.

### Instant

Healthee's powerful AI software provides answers to benefits and provider-related questions in seconds. No more combing through policies or endlessly waiting on hold for insurance reps.

### Confidential

Your health is personal. Healthee is a HIPAA-compliant, completely confidential platform that allows you to privately get answers to all your health questions.

## Get Started!

Ready to start making the most of your healthcare benefits? Set up your Healthee profile today! It's quick and easy and should take no more than five minutes to complete. Follow the steps below:

### 1. Register

Register your account by visiting [app.insurights.com/account/login](http://app.insurights.com/account/login) and selecting "Don't have an account" to get started with the registration process.

### 2. Connect Your Insurance

After signing into your Healthee account, select "My Health Profile" from the navigation menu. Click "Add Your Account" to sync your existing health plan and benefits information.

### 3. Chat With Zoe

You're now ready to begin using Healthee! Start by selecting "Chat With Zoe" on the navigation menu and typing, "What is my health plan summary?".

### 4. Explore The Benefits Gallery

Select "Benefits Gallery" from the navigation menu to discover personalized resources to support your health and wellness journey.
