### **Section A - Contract**

#### **Article 1 - Entire Contract**

This Group Policy, the current Certificate of Coverage and the attached employer application, make up the entire contract. Principal Life is obligated only as provided in this Group Policy and is not bound by any trust or any plan to which it is not a signatory party.

#### **Article 2 - Policy Changes**

Insurance under this Group Policy runs annually to the Policy Anniversary, unless sooner terminated. No agent, employee, or person other than an officer of Principal Life has authority to change this Group Policy, and, to be effective, all such changes must be in writing and signed by an executive officer of Principal Life.

Principal Life reserves the right to change this Group Policy as follows:

- a. Any or all provisions of this Group Policy may be amended or changed at any time, including retroactive changes, to the extent necessary to meet the requirements of any law or any regulation issued by any governmental agency to which this Group Policy is subject.
- b. Any or all provisions of this Group Policy may be amended or changed at any time, upon approval by the state's insurance regulator, when such amendment is required for consistent application of policy provisions.
- c. By written agreement between Principal Life and the Policyholder, this Group Policy may be amended or changed at any time as to any of its provisions.

Any change to this Group Policy, including, but not limited to, those in regard to coverage, benefits, and participation privileges, may be made without the consent of any Covered Person.

Payment of premium beyond the effective date of the change constitutes the Policyholder's consent to the change.

#### **Article 3 - Policyholder Eligibility Requirements**

To be an eligible group and to remain an eligible group, the Policyholder must:

- a. be actively engaged in business for profit within the meaning of the Internal Revenue Code, or be established as a legitimate nonprofit corporation within the meaning of the Internal Revenue Code; and
- b. maintain the greater of 10% participation or two Members.

#### **Article 4 - Policy Incontestability**

In the absence of fraud, after this Group Policy has been in force three years, Principal Life may not contest its validity except for nonpayment of premium.

#### **Article 5 - Individual Incontestability**

All statements made by any Covered Person under this Group Policy will be representations and not warranties. In the absence of fraud, these statements may not be used to contest a Covered Person's claim unless:

- a. insurance has been in force for less than three years during the Covered Person's lifetime when the Accident was Incurred; and

- b. the statement is in written form signed by the Covered Person; and
- c. a copy of the form, which contains the statement, is given to the Covered Person or their beneficiary at the time insurance is contested.

However, these provisions will not preclude the assertion at any time of defenses based upon the Covered Person's ineligibility for insurance under this Group Policy or upon the provisions of this Group Policy.

In addition, if a Covered Person's age is misstated, Principal Life may, at any time, adjust premium and benefits to reflect the correct age.

#### **Article 6 - Certificate of Coverage**

Principal Life will give the Policyholder Certificates of Coverage for delivery to Members. The delivery of such Certificate of Coverage will be in either paper or electronic format. The Certificate of Coverage will be evidence of insurance and will describe the basic features of the coverage.

#### **Article 7 - Dependent Rights**

A Dependent will have no rights under this Group Policy except as set forth in Developmentally, Physically or Mentally Disabled Children.

#### **Article 8 - State Required Notice - California**

If Principal Life increases a premium, reduces or eliminates benefits, or restricts eligibility, Principal Life must mail advance notice to:

- a. the insurance producer and administrator, if any, 45 days before the effective date of termination; and
- b. the Policyholder 30 days before the effective date of termination.

#### **Article 9 - Waiver of Breach**

Waiver of a breach of any Group Policy provision at one time shall not be deemed to be a waiver of any other breach or of the same breach at a later time.

## **POLICY ADMINISTRATION**

### **Section B - Premiums**

#### **Article 1 - Payment Responsibility; Due Dates; Grace Period**

The Policyholder is responsible for collection and payment of all premium due while this Group Policy is in force. Payments must be sent to the home office of Principal Life in Des Moines, Iowa.

The first premium is due on the Date of Issue of this Group Policy. Each premium thereafter will be due on the first of each Insurance Month. Except for the first premium, a Grace Period of 60 days will be allowed for payment of premium. The Group Policy will remain in force until the end of the Grace Period, unless the Group Policy has been terminated by notice. The Policyholder will be liable for payment of the premium for the time this Group Policy remains in force during the Grace Period.

#### **Article 2 - Premium Rates**

The monthly premium for each Member will be:

Member Without Dependents	\$9.58
Member With Dependent Spouse	\$14.69
Member With Dependent Children	\$16.37
Member and All Dependents	\$25.13

#### **Article 3 - Premium Rate Changes**

Principal Life may change a premium rate:

- a. on any premium due date, if the initial premium rate has then been in force 12 months or more and if written notice is given to the Policyholder at least 31 days before the date of change; and
- b. on any date the definition of Employee or Dependent is changed; and
- c. on any date the Policyholder's business, as specified on the employer application, is changed; and
- d. on any date that a schedule of insurance or class of Member is changed.

If the Policyholder has other group insurance with Principal Life, and if coverage is initially added on a date other than the Policy Anniversary and it is more than six months before the next Policy Anniversary, Principal Life reserves the right to change the premium rate on the next Policy Anniversary. Written notice will be given to the Policyholder at least 31 days before the date of change.

#### **Article 4 - Premium Amount**

The amount of premium to be paid on each due date will be the sum of the premium rates then in effect for all Members.

#### **Article 5 - Policyholder Responsibility to Principal Life**

To ensure accurate premium calculations, the Policyholder is responsible for reporting to Principal Life the following information during the stated time periods:

- a. New Covered Persons are to be reported during the month prior to or during the month that coverage becomes effective.
- b. Covered Persons whose coverage has terminated are to be reported within a month of the date coverage terminated.
- c. Changes in insurance class are to be reported within a month of the date that the change in insurance class took place.

If a Covered Person is added or a present Covered Person's insurance is increased or terminated on other than the first of an Insurance Month, premium for that Member will be adjusted and applied as if the change were to take place on the first of the next following Insurance Month.

#### **Article 6 - Policyholder Responsibility to Members**

The Policyholder must notify each Member of the applicable premium rate for Covered Persons.

#### **Article 7 - Contributions from Members**

Members are required to contribute a portion of the premium for their insurance under this Group Policy.

## **POLICY ADMINISTRATION**

#### **Article 1 - Failure to Pay Premium**

This Group Policy will terminate at the end of the Grace Period if total premium due has not been received by Principal Life before the end of the Grace Period. Failure by the Policyholder to pay the premium within the Grace Period will be deemed notice by Policyholder to Principal Life to discontinue this Group Policy at the end of the Grace Period.

#### **Article 2 - Termination Rights of Principal Life**

Principal Life may nonrenew or terminate this Group Policy by giving the Policyholder 31 days advance notice in writing, if the Policyholder:

Principal Life may terminate the Policyholder's coverage on any premium due date if the Policyholder relocates to a state where this Group Policy is not marketed, by giving the Policyholder 31 days advance notice in writing.

#### **Article 3 - Termination Without Regard to Cause**

The Policyholder may terminate this Group Policy effective on the day before any premium due date by giving written notice to Principal Life prior to that premium due date. The Policyholder's issuance of a stop-payment order for any amounts used to pay premiums for the Policyholder's insurance will be considered written notice from the Policyholder.

Certificate of Coverage

**Important Notice:** This is Accident insurance. It provides a limited specified benefit. It is not a substitute for medical coverage. Please read this Certificate of Coverage carefully to fully understand what it covers, limits, and excludes. Principal Life suggests starting with a review of the terms listed in the DEFINITIONS section. Knowing the meaning of these terms will help with understanding the insurance.

This Certificate of Coverage is part of the Group Policy that is a legal document between Principal Life and the Policyholder to provide benefits to Covered Persons subject to the terms, conditions, limitations and exclusions of the Group Policy. Principal Life issues the Group Policy based on the employer application and payment of the required policy premium. The Group Policy, the Certificate of Coverage, and the attached employer application make up the entire contract.

This insurance has been designed to provide a benefit payment for a Covered Accident. The benefits are provided by a Group Policy issued by Principal Life. To the extent that benefits are provided by that Group Policy, the administration and payment of claims will be done by Principal Life as an insurer.

The provisions of the Group Policy determine Members' rights and benefits. This Certificate of Coverage briefly describes those rights and benefits. It outlines what the Employee must do to be insured. It explains how to file claims. It is the Member's Certificate of Coverage while insured.

THIS CERTIFICATE OF COVERAGE REPLACES ANY PRIOR CERTIFICATE OF COVERAGE THAT THE MEMBER MAY HAVE RECEIVED FROM PRINCIPAL LIFE. If there are questions about this new Certificate of Coverage, please contact the Policyholder. In the event of future changes to the Member's insurance, the Member will be provided with a new Certificate of Coverage or a Certificate of Coverage rider.

This Certificate of Coverage describes all the benefits available under the Group Policy underwritten by Principal Life. However, if the Member has elected to not accept any available benefits, those benefits described in this Certificate of Coverage will not apply to the Member.

The Group Policy and any Covered Person's insurance under this policy may be discontinued or altered by the Policyholder or Principal Life at any time without the Covered Person's consent.

The insurance provided in this Certificate of Coverage is subject to the laws of the state of California.

Anyone meeting the definition of Employee later will be eligible on the first of the Insurance Month next following the date the Employee begins Active Work.

### **Effective Date - Actively at Work**

If an Employee is not Actively at Work on the date insurance would otherwise be effective, insurance will not be effective until the day the Employee returns to Active Work.

### **Individual Incontestability**

All statements made by any Covered Person will be representations and not warranties. In the absence of fraud, these statements may not be used to contest a claim unless:

- the insurance has been in force for less than three years during the Covered Person's lifetime; and
- the statement is in written form signed by the Covered Person; and
- a copy of the form, which contains the statement, is given to the Covered Person or their beneficiary at the time insurance is contested.

However, the above will not preclude the assertion at any time of defenses based upon the Covered Person not being eligible for insurance under the Group Policy or upon other provisions of the Group Policy.

In addition, if a Covered Person's age is misstated, Principal Life may, at any time, adjust premium and benefits to reflect the correct age.

### **Effective Date for Initial Insurance**

### **Eligibility**

Members will be eligible for insurance for their Dependents on the later of:

- the date the Employee is eligible for Member Accident Insurance; or
- the date the Member first acquires a Dependent.

### **Effective Date**

Dependent Accident Insurance is available only with respect to Dependents of Members. Dependent Accident Insurance will be in force under the same terms as described earlier for Member Accident Insurance, except:

- In no event will Dependent Accident Insurance be in force if the Employee is not insured for Member Accident Insurance.
- If a Dependent is in a Period of Limited Activity on the date initial Dependent Accident Insurance or an increase in Dependent Accident Insurance Scheduled Benefit would otherwise be effective, the Dependent will not be insured or an increase will not be effective until the Period of Limited Activity ends.
- If Dependent Accident Insurance is then in force for any other Dependent, a new Dependent (other than a newborn child) will be insured on the date acquired, provided the new Dependent is not in a Period of Limited Activity. Requests for insurance are not required provided Principal Life has been notified of the new Dependent within 31 days after the date the Dependent is acquired.
- If Dependent Accident Insurance is then in force for any other Dependent, a newly born child will be insured from the moment of live birth, provided the child meets the definition of a Dependent Child.

### **Individual Incontestability**

Dependents will be subject to the Individual Incontestability as described earlier for Member insurance.

### **Termination**

Insurance for Dependents will terminate on the earliest of:

- the date Member Accident Insurance ceases; or
- the date Dependent Accident Insurance is removed from the Group Policy; or
- the date the last premium is paid for a Dependent's insurance; or
- any date desired, if requested by the Member before that date.

Insurance for any one Dependent will terminate on the date he or she ceases to be a Dependent.

However, insurance will be continued beyond the maximum age for a Dependent Child who is incapable of self-support because of a Developmental or Physical Disability and is dependent on the Member for primary support. The Member must apply for this continuation within 31 days after the Dependent Child reaches the maximum age.

### **Insurance While Outside of the United States**

Dependents will be subject to the Insurance While Outside of the United States provisions as described earlier for Member insurance.

## **CONTINUATION OF COVERAGE**

### **FMLA and Other Continuation Provisions**

If Active Work ends due to an approved leave of absence under FMLA, the Policyholder may choose to continue the Member's insurance, subject to premium payment.

If the continuation portion of the FMLA applies to the Member's insurance, these FMLA continuation provisions:

- are in addition to any other continuation provisions of the Group Policy, if any; and
- will run concurrently with any other continuation provisions of the Certificate of Coverage for sickness, injury, layoff, or approved leave of absence, if any.

In addition, a longer continuation period will be allowed for an approved leave of absence taken in accordance with the provisions of the state law regarding family leave.

If continuation qualifies for both state and FMLA continuation, the continuation period will be counted concurrently toward satisfaction of the continuation period under both the state and FMLA continuation periods.

### **Sickness or Injury**

If Active Work ends because the Member is sick or injured, insurance for the Member may be continued until the earliest of:

- the date insurance would cease as described in Termination, except for Active Work; or
- the date the Member recovers; or
- coverage has been continued under this section for 90 consecutive days.

### **Layoff or Approved Leave of Absence**

If Active Work ends because the Member is on layoff or approved leave of absence insurance may be continued until the earliest of:

- the date insurance would cease as described in Termination, except for Active Work; or
- the date the layoff or approved leave of absence ends; or
- the date the Member becomes eligible for any other accident coverage; or
- the date one month after the date Active Work ends.

### **Dependent Child Accident Insurance - Developmentally, Physically or Mentally Disabled Children**

#### **Qualification**

Dependent Accident Insurance for a child may be continued after the child reaches the maximum age for Dependent Children provided that:

- the child is incapable of self-support as the result of a Developmental, Physical or Mental Disability and they became so before reaching the maximum age and is dependent on the Member for primary support; and
- except for age, the child continues to be a Dependent Child; and
- proof of the child's incapacity is sent to Principal Life within 31 days after the date the child reaches the maximum age; and

- further proof that the child remains incapable of self-support is provided when Principal Life requests; and
- the child undergoes examination by a Physician when Principal Life requests. Principal Life will pay for these examinations and will choose the Physician to perform them.

**Period of Continuation**

Insurance for a Dependent Child who qualifies as set forth above may be continued until the earlier of:

- the date insurance would cease for any reason other than the child's attainment of the maximum age; or
- the date the child becomes capable of self-support or otherwise fails to qualify as set forth above.

## **REINSTATEMENT**

Terminated insurance will be reinstated if:

- insurance ceased because of layoff or approved leave of absence; and
- the Member returned to Active Work for the Policyholder within six months of the date insurance ceased.

Reinstated insurance will be in force on the date of return to work. However, the Actively at Work and Period of Limited Activity provisions will apply.

Only the period of time during which the Member is actually insured will be included in determining the length of continuous coverage under this Certificate of Coverage. For this purpose the period of time during which insurance was not in force:

- will not be considered an interruption of continuous coverage; and
- will not be used to satisfy any provision of the Group Policy which pertains to a period of continuous coverage.

In addition, a longer reinstatement period may be allowed for an approved leave of absence taken in accordance with the provisions of the federal law regarding the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Reinstated insurance will be the Scheduled Benefit in force on the date insurance ceased.

### **Federal Required Family and Medical Leave Act (FMLA)**

An eligible employee's terminated insurance may be reinstated in accordance with the provisions of the Federal Family and Medical Leave Act (FMLA), subject to the Actively at Work and Period of Limited Activity requirements of the Group Policy.

In addition, a longer reinstatement period will be allowed for an approved leave of absence taken in accordance with the provisions of the state law regarding family leave.

### **Reinstatement of Insurance for a Covered Person When Insurance Ends due to Living Outside of the United States**

If insurance for a Covered Person terminates because the Covered Person is outside of the United States, the Covered Person may become eligible again for insurance under the Group Policy, but only if:

- the Employee or Dependent returns to the United States within six months of the date on which insurance terminated because they were outside of the United States; and
- for the Employee, the Employee returns to Active Work in the United States for the Policyholder for a period of at least 30 consecutive days. The Employee will be eligible for insurance on the day immediately following completion of the 30 consecutive days of Active Work; and
- for the Dependent, he or she remains in the United States for 30 consecutive days. If the Dependent does so, he or she will be eligible for reinstatement of insurance on the day after completion of the 30 consecutive days of residence.

The reinstated insurance will be on the same basis as that being provided on the date insurance is reinstated. However, any restrictions on this insurance, which were in effect before reinstatement, will continue to apply. This additional benefit payment will also apply if the Covered Person was driving an Automobile equipped with a properly functioning driver-side air bag or riding as a passenger in an Automobile equipped with a properly functioning passenger-side air bag, although the Covered Person's Seat Belt may not have been fastened at the time of the accident. The properly functioning and/or deployment of the air bag must be certified in the official report of the accident or by the investigating officer.

For the purpose of this benefit, "Automobile" means a four-wheel passenger vehicle, station wagon, pick-up truck, or van-type vehicle, but excludes recreational-type vehicles such as a "dune-buggy" or an "all-terrain" vehicle.

The term "Seat Belt" means a factory-installed device that forms an occupant restraint and Injury avoidance system.

#### **Repatriation Benefit**

If a benefit is paid under this section for loss of the Covered Person's life and death occurred at least 100 miles away from the Covered Person's permanent place of residence, we will pay all customary and reasonable expenses incurred for preparation of the body and its transportation to the place of burial or

cremation up to a maximum benefit payment of 10% of the Scheduled Benefit amount paid under the Accidental Death and Dismemberment Benefit.

### **Loss of Use or Paralysis Benefit**

If all of the benefit qualifications are met, we will pay the following percentages of the Scheduled Benefit in force:

<b>Covered Loss</b>	<b>% of Scheduled Benefit</b>
Quadriplegia	100%
Paraplegia	50%
Hemiplegia	50%
One hand and one foot, or both hands or both feet	50%
One arm or one leg	25%
One hand or one foot	25%

For this benefit, Loss of Use means a total and irrevocable loss of voluntary movement which has continued for 12 consecutive months. Quadriplegia means total paralysis of all four limbs. Paraplegia means total paralysis of both lower limbs. Hemiplegia means paralysis of one arm and one leg on the same side of the body. Paralysis must be determined by a Physician to be permanent, complete and irreversible.

Total payment for all losses under the Loss of Use or Paralysis Benefit that result from the same Covered Accident will not exceed the Scheduled Benefit. If a benefit is paid and the Covered Person later qualifies for a higher % of Scheduled Benefit for the same Covered Accident, we will pay the appropriate Scheduled Benefit less any amount previously paid. Payment for the loss will be to the Member.

We will not pay a Loss of Use or Paralysis Benefit for any paralysis caused by a stroke.

### **Loss of Sight, Speech and/or Hearing Benefit**

If all of the benefit qualifications are met, we will pay the following percentages of the Scheduled Benefit in force:

<b>Covered Loss</b>	<b>% of Scheduled Benefit</b>
Speech and hearing in both ears	100%
Speech or hearing in both ears	50%
Hearing in one ear	25%
Sight in both eyes	100%
Sight in one eye	50%

For this benefit, Loss of Speech or Hearing means a total and irrevocable loss which has continued for 12 consecutive months. Loss of Sight means vision that is not correctable to better than 20/200. Loss must be determined by a Physician to be permanent, complete and irreversible.

Total payment for all losses under the Loss of Sight, Speech and/or Hearing Benefit that result from the same Covered Accident will not exceed the Scheduled Benefit. If a benefit is paid and the Covered Person later qualifies for a higher % of Scheduled Benefit for the same Covered Accident, we will pay the appropriate Scheduled Benefit less any amount previously paid. Payment for the loss will be to the Member.

## **Exposure**

Exposure to the elements will be presumed to be an Injury if:

- a. such exposure is due to an accidental bodily Injury; and
- b. within 365 days after the Injury, the Covered Person Incurs a loss that is the result of the exposure; and
- c. this Group Policy would have covered the Injury resulting from the accident.

## **Beneficiary**

A beneficiary should be named at the time an Employee enrolls under this Group Policy. A Member may name or later change a named beneficiary by sending a written request to Principal Life. A change will not be effective until recorded by Principal Life. Once recorded, the change will apply as of the date the request was signed. If Principal Life properly pays any benefit before a change request is received, that payment may not be contested. Further:

- a. If a Member's terminated insurance is reinstated, his or her beneficiary will be as recorded on the date of termination.
- b. The beneficiary named in the Prior Policy and recorded by Principal Life will be the beneficiary under this Group Policy until a new beneficiary is named.

## **Facility of Payment**

If any of the below occur, benefits will be paid as stated. All such payments will discharge Principal Life to the full extent of those payments.

- a. If a beneficiary is charged with the Covered Person's death, such beneficiary may be disqualified from receiving any benefit due. Payment may then be made to the contingent beneficiary if any, otherwise to the executor or administrator of the Covered Person's estate.
- b. Any benefit due a beneficiary who dies before the Covered Person's death will be paid in equal shares to the Member's surviving beneficiaries.
- c. If a beneficiary dies at the same time or within 15 days after the Member dies, but before Principal Life receives written proof of the Member's death, payment will be made as if the Member survived the beneficiary.
- d. If no beneficiary survives the Member or if the Member has not named a beneficiary, payment will be made in the following order of precedence as numbered:
  - (1) to the Member's spouse;
  - (2) to the Member's children born to or legally adopted by the Member;
  - (3) to the Member's parents;
  - (4) to the Member's brothers and sisters;
  - (5) if none of the above, to the executor or administrator of the Member's estate.
- e. For a loss other than loss of life, Principal Life will normally pay benefits directly to the Member. If payment amounts remain due upon the Member's death, those amounts may, at the option of Principal Life, be paid to the Member's spouse, child, parent, or estate.

If Principal Life believes a person is not legally able to give a valid receipt for a payment, and no guardian has been appointed, Principal Life may pay whoever has assumed the care and support of the person.

**Autopsy**

If payment for loss of life is claimed, Principal Life may require an autopsy. Principal Life will pay for any such autopsy.

## **DESCRIPTION OF BENEFITS**

## **LIMITATIONS AND EXCLUSIONS**

### **Limitations**

Benefits will not be paid for an Injury caused indirectly or directly by, contributed to, or resulting from:

- willful self-injury or self-destruction, while sane or insane; or
- voluntary participation in an auto-erotic activity; or
- war or act of war; or
- voluntary participation in a felony; or
- duty as a member of a military organization; or
- injuries Diagnosed outside of the United States unless the Diagnosis can be confirmed by a Physician in the United States; or
- the use of any drug, narcotic, hallucinogen, or other controlled substance not prescribed for the Covered Person by a Physician, or if prescribed, not used in a manner consistent with that prescription, directly or indirectly; or
- deliberate use of poison, gas, fumes, or household items (such as aerosols), whether by ingestion, injection, inhalation or absorption; or
- intoxication (A Covered Person will be considered intoxicated when their blood alcohol level exceeds the legal limit used for operating a motor vehicle in the jurisdiction in which the Covered Accident occurs regardless of whether they were actually operating a motor vehicle or not); or
- sickness, disease, medical or surgical treatment of disease, or complications following the surgical treatment of disease; or
- operating, learning to operate, or serving as a crew member or flight for life personnel of any aircraft or hot air balloon except as a crew member in a Policyholder owned or leased aircraft on company business; or
- jumping, parachuting, or falling from any aircraft or hot air balloon, including those which are not motor-driven; parasailing, bungee jumping or other aeronautic activities; or
- riding in or driving any motor driven vehicle in a race, stunt show or speed test; or
- any Dental Injury that occurs from biting or chewing; or
- practicing for or participating in any semi-professional or professional competitive athletic activity, including officiating or coaching, for which any type of compensation or remuneration is received; or
- any Injury to a Dependent Child received during child birth.

### **Exclusions**

No benefits will be paid for any Injury:

- Incurred while residing outside the United States for more than six months; or
- Incurred while incarcerated in any type of penal or detention facility; or

- for which proof is submitted by a Physician who is part of the Covered Person's Immediate Family.

## **REPLACEMENT OF A PRIOR POLICY**

### **Applicability**

When insurance under this Group Policy replaces coverage under a Prior Policy, this section may apply to the covered person who is not Actively at Work or in a Period of Limited Activity when coverage would otherwise become effective.

### **Benefit Eligibility**

The Covered Person will qualify for the benefit provided by this section if all of the following apply:

- The Covered Person had Accident coverage under a Prior Policy, which terminated on the date immediately preceding the date of eligibility under the Group Policy.
- No provision other than the Actively at Work or Period of Limited Activity provisions would prohibit benefits being paid to the covered person under the Group Policy.

### **Benefits Payable**

The benefits payable, if any, under this section, will be the lesser of the benefits and policy provisions of the Group Policy or the benefits and policy provisions that would have been paid under the Prior Policy had it remained in force. No benefits will be paid for:

- any Injury Incurred before the Date of Issue of the Group Policy; or
- any Injury for which benefits would have been paid under the Prior Policy in the absence of this section.

## **CLAIM PROCEDURES**

### **Notice of Claim**

Written notice of claim must be given to Principal Life within 20 days of the Covered Accident. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

### **Claim Forms**

Principal Life, when it receives notice of claim, will provide claim forms, instructions, and reasonable assistance within 15 calendar days of receipt of such notice. If the forms are not provided within 15 days after Principal Life receives such notice, the Member will be considered to have complied with the requirements of the Group Policy upon submitting, within the time specified below for filing proof of the Covered Accident, written proof covering the occurrence, character and extent of the Covered Accident.

### **Proof of Covered Accident**

Completed claim forms and other information needed to prove the Covered Accident should be filed promptly. Written proof of the Covered Accident should be sent to Principal Life within 90 days after the date of the Covered Accident. Proof required includes the date, nature, and extent of the Injury. Principal Life may request additional information to substantiate a Covered Accident or require a signed unaltered authorization to obtain that information from the provider. Failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing timing requirements of the Employee Retirement Income Security Act (ERISA), receipt of claim will be considered to be met when the appropriate claim form is received by Principal Life.

Failure to furnish such proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the date proof is otherwise required.

### **Payment, Denial, and Review**

ERISA permits up to 45 days from receipt of claim for processing the claim. If a claim cannot be processed due to incomplete information, Principal Life will send a written explanation prior to the expiration of the 45 days. A claimant is then allowed up to 45 days to provide all additional information requested. Principal Life is permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to a claimant regarding the extension.

State law permits up to 30 days after receipt of the claim to determine if the claim will be paid or denied. In actual practice, benefits under the Group Policy will be payable sooner, provided Principal Life receives complete and proper proof of the Covered Accident. If a determination cannot be made within 30 days, Principal Life will send a written explanation describing the information necessary to establish receipt of claim prior to the end of the original 30 days and every 30 days thereafter, (Exception: If there is a reasonable basis for Principal Life to believe a claim is false or fraudulent, the limit is extended to 80 days.)

If it is determined that the claim will be paid, payment must be made within 30 days of (a) determination of coverage, or (b) execution of a settlement agreement.

If the claim is denied, in whole or in part, Principal Life will notify the claimant in writing of the basis for the denial. This denial notice will include an explanation of the policy provisions, condition, or exclusion relevant to the facts of the claim. The notice will also provide the address and telephone number of the unit of the California Department of Insurance the claimant should contact for review if he or she believes the claim has been wrongfully denied.

A claimant may request an appeal of a claim denial by written request to Principal Life within 180 days of the receipt of notice of the denial. Principal Life will make a full and fair review of the claim. Principal Life may require additional information to make the review. Principal Life will notify the claimant in writing of the appeal

decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because Principal Life did not receive the requested additional information, Principal Life is permitted a 45-day extension for the review. Written notification will be sent to the claimant regarding the extension. After exhaustion of the formal appeal process, the claimant may request an additional appeal. However, this appeal is voluntary and does not need to be filed before asserting rights to legal action.

For purposes of this section, "claimant" means the Covered Person.

### **Settlement of Proceeds**

When Principal Life receives written proof of the Covered Accident, the Scheduled Benefit in force for the Covered Person, less any unpaid premium, will be paid in a single lump sum.

### **Facility of Payment**

Principal Life will normally pay benefits directly to the Member. However, in the special instances listed below, payment will be as indicated. All payments so made will discharge Principal Life to the full extent of those payments.

- If payment amounts remain due upon the Member's death, those amounts may be paid to the Member's spouse, child, parent, or estate.
- If Principal Life believes a person is not legally able to give a valid receipt for a benefit payment, and no guardian has been appointed, Principal Life may pay any person who is related by blood or connection by marriage to the person who is otherwise entitled to receive the benefit, an amount up to \$1,000.

### **Medical Examinations**

Principal Life may have the claimant examined by a Physician during the course of a claim. Principal Life will pay for these examinations and will choose the Physician to perform them.

### **Legal Action**

Legal action to recover benefits under the Group Policy may not be started earlier than 60 days after proof of the Covered Accident is filed. Further, no legal action may be started later than three years after that proof is required to be filed.

### **Time Limits**

All time limits listed in this section will be adjusted as required by law.

## STATEMENT OF RIGHTS

Federal law requires that this section be included in the Certificate of Coverage:

As a participant in this plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

ERISA provides that all plan participants shall be entitled to:

### Receive Information About Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

### Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits, which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries,

Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
