ACCIDENT INSURANCE

Accident insurance offers financial protection for You and Your insured Dependent(s) by paying a benefit if You or an insured Dependent are Injured in an Accident. The benefit amount(s) payable is/are based on the type and amount of insurance in effect on the date the Accident occurs, subject to the definitions, limitations, exclusions and other provisions of the Policy.

You may elect insurance for Yourself and Your Dependent(s) under this Certificate for one of the following coverage options:

a) Yourself only;
b) You and Your Spouse;
c) You and Your Dependent child(ren); or
d) You, Your Spouse and Your Dependent child(ren).

Unless otherwise stated in this Certificate, the benefit amount payable is the same for You and Your insured Dependent(s). If You have questions regarding who is insured for accident insurance, You may contact the Policyholder.

Plan Type

This Certificate represents the accident insurance available under Full Plan 2M (CA-CC-CAT-NABM), as selected by the Policyholder. If You have questions regarding the plan type, You may contact the Policyholder.

Coverage Type

This Certificate provides insurance for Accidents that occur while You or Your insured Dependent(s) are not working for any employer. This is known as "non-occupational coverage" or "off-job only coverage."

EXPRESS BENEFIT

If You or an insured Dependent are Injured as the result of an Accident, We will pay a benefit amount of $100 upon notification of the Accident. The benefit can be paid in a very short time frame and based on minimal information (compared to a typical Accident claim).

This benefit is payable once per Accident for each Insured Person that is Injured as a result of the Accident. This benefit is subject to all of the applicable definitions, limitations, exclusions and other provisions of the Policy.

BASIC BENEFITS

The basic benefits payable under this Certificate are organized into the following categories:

Category	Benefit Amount
Initial Care & Emergency	Up to $1,500
Specified Injuries	Up to $15,000
Hospital, Surgical & Diagnostic	Up to $600 per day and $1,500 for admission
Follow-Up Care	Up to $750

Within each category, benefits are payable up to the amount shown, depending on the type of Injury sustained or the type of medical Treatment that is received as the result of an Accident. The specific benefit amounts, conditions and limitations that are applicable to each Injury or Treatment are available in the applicable benefits section of this Certificate for each category.

(For example, specific information for the Initial Care & Emergency category can be located in the section titled “Initial Care & Emergency Benefits.”)

CATASTROPHIC INSURANCE

In addition to Basic Benefits, benefits for catastrophic losses and Injuries are available under this Certificate.

Catastrophic insurance pays a benefit if You or an insured Dependent are in an Accident and experience a serious loss or Injury, such as death or dismemberment. The benefit amount payable is based on the amount of insurance that is in effect for You or an insured Dependent on the date the Accident occurs, subject to the definitions, limitations, exclusions and other provisions of the Policy.

Provided You have elected accident insurance, Your amount of catastrophic insurance is $25,000.

Provided You have elected accident insurance for Your Spouse, Your Spouse’s amount of catastrophic insurance is $10,000.

Provided You have elected accident insurance for Your Dependent child(ren), the amount of catastrophic insurance for Your Dependent child(ren) is $5,000.

The amount of catastrophic insurance is also referred to as the Principal Sum. The Principal Sum for You or Your Spouse reduces by 50% when You reach the Attained Age of 70. If You have questions regarding the amount of catastrophic insurance for You or Your Dependent(s), You may contact the Policyholder.

The specific conditions and limitations that are applicable to catastrophic insurance are available in the Catastrophic Benefits section of this Certificate.

MINIMUM BENEFIT

The total amount payable to an Insured Person for all Injuries sustained as the result of an Accident will not be less than $100.

GUARANTEE ISSUE AMOUNT(S) AND EVIDENCE OF INSURABILITY

Insurance under the Policy is only available if the total number of Employees insured under the Policy attains or remains above 10 Employees or 10% of the eligible Employees, whichever is greater. If the total number falls below the required level, insurance may be reduced, rescinded or terminated.

ELIGIBILITY

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

WHEN AN EMPLOYEE BECOMES ELIGIBLE FOR INSURANCE

An Employee who is hired after the Policy Effective Date becomes eligible for insurance under the Policy on the day the Employee begins Active Work.

WHEN A DEPENDENT BECOMES ELIGIBLE FOR INSURANCE

A Dependent becomes eligible for insurance under the Policy on the later of:

a) the day You become eligible for insurance under the Policy; or
b) the day You acquire the Dependent;

provided You elect insurance for yourself under the Policy.

If both You and Your Spouse are eligible for insurance under the Policy as Employees of the Policyholder;

a) neither You nor Your Spouse may elect insurance as a Dependent of the other person under the Policy; and
b) either You or Your Spouse may elect insurance for Your Dependent child(ren) under the Policy, but not both.

The day on which a Dependent becomes eligible for insurance under the Policy may not be the same as the day on which insurance begins. The When Insurance Begins provision describes the day on which insurance begins.

A Dependent must be insured by an individual or group policy or contract that arranges or provides medical, hospital, and surgical coverage not designed to supplement other private or governmental plans.

CONTINUITY OF INSURANCE UPON TRANSFER OF INSURANCE CARRIER

If there is a conflict between this provision and any other provision of the Policy, this provision shall control.

If the Policy replaces a Prior Plan, the Policy will provide insurance for an Employee who:

a) was insured under the Prior Plan on the day before the Policy Effective Date;
b) is otherwise eligible under the Policy, but is not Actively Working on the Policy Effective Date due to:
    1. Injury or Sickness; or
    2. a leave of absence protected under:
        a. the federal Family and Medical Leave Act (FMLA) or Uniformed Services Employment and Reemployment Rights Act (USERRA) and any amendments thereto; or
        b. any other applicable federal or state law that allows for continuation of insurance in certain instances;
c) is not a retired Employee; and
d) is not insured under any provision of the Prior Plan.

The Policy will not provide insurance under this provision for any Employee who does not satisfy the criteria above unless approved in writing by Our authorized representative in Our home office.

Insurance under this provision is subject to uninterrupted payment of premium to Us when due.

If insurance is provided for the Employee, insurance may also be provided for any eligible Dependent(s).

We reserve the right to request any information We need from the Policyholder to determine whether the conditions necessary to be eligible for insurance under this provision have been satisfied.

Insurance under this provision will end on the earliest of:

a) the day the Employee returns to Active Work for the Policyholder or begins employment with any other employer;
b) the last day the Employee would have been insured under the Prior Plan, if the Prior Plan had not ended or terminated;
c) the day the Employee's insurance under the Policy ends for any reason shown in the When Insurance Ends provision;
d) the last day of the twelfth month following the Policy Effective Date; or
e) the last day of the time period allowed by FMLA, USERRA or applicable federal or state law that allows for continuation.

If an Employee is eligible for insurance under this provision, the Employee will not be eligible for insurance under any continuation provision in this Certificate.

WHEN INSURANCE BEGINS

An Employee must enroll for any insurance requiring an election by submitting a Written Request for insurance for the Employee and any Dependent(s). The Written Request must be submitted to the Policyholder no later than 31 days following the day the Employee or Dependent(s) become(s) eligible. If the Written Request for insurance is not submitted within the required time frame, the Employee and/or Dependent(s) may not enroll until a Subsequent Enrollment Period is offered.

An Employee will become insured on the first day of the month that follows the latest of the day:

a) the Employee becomes eligible and is Actively Working; or
b) the Employee submits a Written Request to enroll for insurance, if required.

An eligible Dependent will become insured on the latest of the day:

a) the Employee becomes insured;
b) the Employee acquires the eligible Dependent; or
c) the Employee submits a Written Request to enroll the Dependent for insurance, if required.

Insurance for a Dependent child who became Incapacitated prior to reaching the age of 26 will begin in accordance with the above terms, provided the child otherwise meets the definition of Dependent.

Insurance for a newborn Dependent child begins at the moment of live birth. Insurance for a newly adopted newborn Dependent child begins with the date of placement into Your custody, or at the moment of live birth if a written agreement to adopt the child was previously entered into by You. If Dependent child insurance requires an election and Dependent child insurance for any other child(ren) is not already in effect under the Policy, a Written Request for insurance for any newborn or newly adopted Dependent child(ren) must be submitted to the Policyholder within 31 days following the day the Dependent child(ren) become(s) eligible in order to continue insurance beyond the 31-day period.

EXCEPTIONS TO WHEN INSURANCE BEGINS (DEFERRED EFFECTIVE DATE)

This provision does not apply if the Employee is eligible for insurance under the Continuity of Insurance Upon Transfer of Insurance Carrier provision. This provision also does not apply to any Dependent who was eligible and insured under any Prior Plan on the day before the Policy Effective Date.

Insurance for an Employee or Dependent who is:

a) confined in a Hospital as an inpatient;
b) confined in any institution or facility other than a Hospital; or
c) confined at home and under the care or supervision of a Physician;

on the day insurance is to begin will not take effect until the day after the Employee has completed one full day of Active Work or the Dependent is no longer confined.

Insurance for an Employee who is not Actively Working when insurance would otherwise begin will not take effect until the day after the Employee has completed one full day of Active Work.

In addition, insurance for a Dependent who is unable to perform the normal duties and activities of a healthy individual of the same age and gender will not take effect until the day the Dependent is able to consistently perform such duties and activities. This exception does not apply to any Incapacitated Dependent child.

Insurance for a newborn Dependent child, regardless of confinement, will begin in accordance with the When Insurance Begins provision, provided the child otherwise meets the definition of Dependent.

THE FIRST ENROLLMENT PERIOD

An Employee may elect insurance for him/herself and any Dependent(s) during the First Enrollment Period.

If an Employee does not elect insurance during the Employee's or Dependent's First Enrollment Period, future elections may only be made in accordance with the Subsequent Enrollment Periods provision, or as otherwise provided under the When Election Changes Are Permitted provision.

If the Written Request is submitted more than 31 days after the date of a Life Event, You may not change insurance until a Subsequent Enrollment Period is offered.

An Employee who experiences a Life Event who previously declined insurance under the Policy may not enroll until a Subsequent Enrollment Period is offered.

CHANGES TO INSURANCE BENEFITS

Any allowable change in the benefits, class, plan type (as shown in Schedule) or amount of insurance for any Insured Person, whether requested by You or the Policyholder, or as a result of the terms of the Policy, will take effect on the first day of the month that follows the date of the request or the change.

If You are not Actively Working on the day any change in insurance would otherwise take effect, the change will become effective the first day of the month that follows the day after You return to Active Work.

REINSTATEMENT OF INSURANCE

You may be eligible to reinstate insurance that has ended in accordance with this provision. For any insurance requiring an election, You must submit a Written Request to reinstate insurance within 31 days of Your return to Active Work. If the Written Request is submitted more than 31 days after the date You return to Active Work, You may not re-enroll for insurance until a Subsequent Enrollment Period is offered. If insurance is reinstated for You, insurance may also be reinstated for any eligible Dependent(s).

Reinstated insurance will take effect on the first day of the month that follows the date of the Written Request. If You are not Actively Working on the day the reinstated insurance would otherwise take effect, insurance will become effective on the day after You return to Active Work.

The following reinstatement option(s) is/are available:

Non-Payment of Premium or Voluntary Termination of Insurance
If insurance ended due to the non-payment of premium or voluntary termination of insurance by the Employee, the Employee may not re-enroll for insurance until a Subsequent Enrollment Period is offered.

If You continue to receive group accident insurance under this provision, You and Your Dependent(s) cannot continue insurance under any other continuation provision of the Policy (if applicable).

The Group Accident Insurance Portability Policy

The insurance continued under this provision is available under another group accident insurance policy (the "Portability Policy") issued by Us, as available at the time insurance under this provision is requested. If You or Your Spouse (if applicable) become insured under the Portability Policy, You or Your Spouse will receive a certificate of insurance that describes the terms and conditions of coverage under the Portability Policy.

The Portability Policy may not provide all the same benefits or have all the same terms and conditions that are included in the Policy. In addition, the premium rates charged for insurance under the Portability Policy may not be the same as the premium rates charged for insurance under the Policy. The benefits and premium rates of Our Portability Policy are described on Our portability request form. You may contact the Policyholder or Us to obtain Our portability request form.

We may change the benefits and conditions of the Portability Policy and associated premium rates at any time. We will provide notice of any change at least 31 days before the change is effective.

The continued group insurance coverage under the Portability Policy is available as a result of portability rights that arise solely from the Policy, as arranged for You as an employee welfare benefit subject to the Employee Retirement Income Security Act of 1974, as amended.

Notice of the Right to Continue Insurance Under this Provision

The portability period is the period of time that is 31 days from the date insurance under the Policy would otherwise end ("Portability Period"). When insurance under the Policy would otherwise end, notice of the right to continue insurance under this provision may be given. If notice is not given at least 15 days after the start of the Portability Period, an extension of the period of time in which to request continued insurance under this provision will be allowed. Any extension of the Portability Period will expire on the earlier of:

a) 15 days after notice has been received (if notice is received within 90 days after the start of the Portability Period); or
b) 60 days after the end of the Portability Period, even if notice is not received.

How to Request Continued Insurance Under this Provision

You or Your Spouse must submit a Written Request for insurance under this provision. The Written Request and the initial premium due must be submitted within the Portability Period.

PREMIUM PAYMENTS

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

PAYMENT OF PREMIUMS THROUGH PAYROLL DEDUCTION

You are responsible for the payment of premiums for insurance under the Policy. The premium owed by You equals the total premium for all Insured Person(s).

Premiums will be automatically deducted from Your paychecks by the Policyholder, then remitted to Us, as authorized by You during the enrollment process. Please contact the Policyholder for information regarding Your paycheck deductions.

Payment of premium does not guarantee eligibility for coverage.

OPTIONS FOR PAYMENT OF PREMIUM FOR CONTINUED INSURANCE

When insurance is continued We must receive premium payment when due for insurance to remain effective, unless otherwise stated or allowed in the Policy. Premium payment may be made in the following ways:

a) the Policyholder may pay the premiums; or
b) You may pay premium to the Policyholder who will then submit premium to Us.

Contact the Policyholder to determine which option is available to You.

Payment of premium does not guarantee eligibility for coverage.

GRACE PERIOD

All premiums must be paid within the grace period. There is a grace period of 60 days for payment of premiums. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in the 60-day period that follows. We will consider premium to be paid on the date We receive it.

Insurance will stay in force during the grace period, unless You or the Policyholder provides Us with written notice that insurance for any Insured Person will terminate during the grace period. If We receive such notice, insurance will terminate on the date requested.

If any premium due is not paid during the grace period, insurance will end on the last day of the grace period. If insurance ends, it may be reinstated as described in the Reinstatement of Insurance provision.

PREMIUMS AND PREMIUM CHANGES

The premium rate structure for accident insurance under the Policy is comprised of a monthly rate for each coverage option shown in the Schedule that applies to You and Your Dependent(s).

If You request a change in Your plan type (as shown in the Schedule) or the amount of insurance for any Insured Person, the Policyholder will provide You with notice of Your new premium amount upon request if You are responsible for the payment of premiums for insurance.

If there is a change in the amount of the premium for insurance for any Insured Person in accordance with the terms of the Policy, or a change in the plan type (as shown in the Schedule) or amount of insurance for any Insured Person as the result of a request of the Policyholder, the Policyholder will provide You with notice of the change at least 15 days prior to the date of the change if You are responsible for the payment of premiums for insurance.

Premium amounts will change if premium rates under the Policy are changed.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan, You are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

a) Receive Information About Your Plan and Benefits

1. Examine, without charge, at the Plan Administrator's office and at other specified locations all documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
2. Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.
3. Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

b) Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate Your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of You and other Plan participants and beneficiaries. No one, including Your employer or any other person, may fire You or otherwise discriminate against You in any way to prevent You from obtaining a benefit or exercising Your rights under ERISA.

c) Enforce Your Rights

If Your claim for a benefit is denied or ignored, in whole or in part, You have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, You may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay You up to $110 a day until You receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a state or Federal court. In addition, if You disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, You may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If You are successful the court may order the person You have sued to pay these costs and fees. If You lose, the court may order You to pay these costs and fees, for example, if it finds Your claim is frivolous.

d) Assistance with Your Questions

If You have any questions about Your Plan, You should contact the Plan Administrator. If You have any questions about this statement or about Your rights under ERISA, or if You need assistance in obtaining documents from the Plan Administrator, You should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in Your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about Your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
