INSTRUCTIONS to the EMPLOYEE and/or the CURRENT SERVICEMEMBER:
The FMLA allows an employer to require that an employee submit a timely, complete, and sufficient certification to support a request for FMLA leave due to a serious injury or illness of a covered servicemember. If requested by your employer, your response is required to obtain or retain the benefit of FMLA-protected leave. The employer must give an employee **at least 15 calendar days** to return this form to the employer. 29 U.S.C. §§ 2613, 2614(c)(3).

INSTRUCTIONS to the HEALTH CARE PROVIDER

Please provide your contact information, complete all Parts of this Section fully and completely, and sign the form below. The employee listed at Section I has requested leave under the FMLA to care for a family member who is a current member of the Regular Armed Forces, the National Guard, or the Reserves who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness. Note: For purposes of FMLA leave, a serious injury or illness is one that was incurred in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces that may render the servicemember medically unfit to perform the duties of the servicemember's office, grade, rank, or rating. "Need for care" includes both physical and psychological care. It includes situations where, for example, due to his or her serious injury or illness, the servicemember is not able to care for his or her own basic medical, hygienic, or nutritional needs or safety, or needs transportation to the doctor. It also includes providing psychological comfort and reassurance which would be beneficial to the servicemember who is receiving inpatient or home care. A complete and sufficient certification to support a request for FMLA leave due to a current servicemember's serious injury or illness includes written documentation confirming that the servicemember's injury or illness was incurred in the line of duty on active duty or if not, that the current servicemember's injury or illness existed before the beginning of the servicemember's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces, and that the current servicemember is undergoing treatment for such injury or illness by a health care provider listed above.
