IDShield is a product of Pre-Paid Legal Services, Inc. ("PPLSI") and provides access to identity theft protection and restoration services. IDShield plans are available at individual or family rates. A family plan covers the named member, named member's spouse or domestic partner and eligible dependent children under the age of 18. Consultation and restoration services are available for eligible dependent children ages 18 to 26 who permanently reside in the same residence as the named member. All Licensed Private Investigators are licensed in the state of Oklahoma. An Identity Fraud Protection Plan ("Plan") is issued through a nationally recognized carrier. PPLSI is not an insurance carrier. This covers certain fraud expenses and legal costs as a result of a covered identity fraud event. See a Plan for complete terms, coverage, conditions, limitations, and family members who are eligible under the Plan.
