

WELCOME TO YOUR DENTAL PLAN!

Regular dental checkups can help find early warning signs of certain health problems, which means you can get the care you need to get healthy. So, don't skimp on your dental care, good oral care can mean better overall health!

Powerful and easily accessible member tools.

- **Ask a Hygienist:** Dental members can simply email their dental questions to a team of licensed dental professionals who in turn will respond in about 24 hours.
- **Dental Health Risk Assessment:** We want our dental members to better understand their oral health and their risk factors for tooth decay, gum disease and oral cancer. This easy to use online tool can help them do this.
- **Dental Care Cost Estimator:** In order to help our dental member better understand the cost of their dental care, we offer access to a user-friendly, web-based tool that provides estimates on common dental procedures and treatments when using a network dentist
- **Mobile Capabilities:** With our latest mobile application, members can find a network dentist as well as view their claims. Our application is available for both Android and Apple phones.

Dentists in your plan network.

- You'll save money when you visit a dentist in your plan network because Anthem and the dentist have agreed on pricing for covered services. Dentists who are not in your plan network have not agreed to pricing, and may bill you for the difference between what Anthem pays them and what the dentist usually charges.
- To find a dentist by name or location, go to anthem.com or call dental customer service at the number listed on the back of your ID card.
