

YOUR BENEFITS ARE JUST A TAP AWAY

My Benefits Work™, the mobile app and member portal for your benefit program, puts all your benefits in the palm of your hand.

EASY ACCESS

All of your benefits are accessible from the dashboard. Tap a benefit to see a brief description of how it works, and buttons will direct you to get started.

VIEW BENEFIT CARDS IN MY WALLET

Store and view all your benefit cards in one place with My Wallet. Easily add your insurance cards with a quick picture, and change the order of cards to fit your preferences. When you need to access a phone number or present the card to a provider, just tap the card and flip it to the front or back.

CHAT WITH BEN

BEN, the Benefit Expert Navigator, is available 24/7 to guide your benefit experience. Ask him to add a dependent, update your profile, and direct you to your benefits.

DEPENDENTS HAVE ACCESS, TOO!

Add your spouse and legal dependents to your account and they'll be able to use your benefit program, too. BEN can help you add and edit their information, or you can do it yourself under the "More" tab of the app.

Dependents 18 and older can create their own unique logins under your account. Invite them to create a profile and they'll receive an email to get started.
