Coverage for the Kaiser Permanente Insurance Company (KPIC) Preferred Provider Organization (PPO) Plan 3470/3476

In addition to the medical coverage provided under your PPO insurance plan,¹ you have access to chiropractic and acupuncture services, plus the freedom to see any licensed provider you choose and greater control over your health care costs.

Services	Your costs for care and the office visit maximum
See a Participating Provider: You can receive chiropractic or acupuncture services from a Participating Provider. Choose from more than 2,000 providers in California and thousands of others nationwide. In California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and the District of Columbia, you can get care from a participating provider in the PHCS Network for KPIC.² In other states, you can visit a Cigna PPO Network provider.³ To find a provider or check if your current provider is part of the PHCS Network for KPIC or Cigna PPO Network, visit kp.org/kpic/ppo. Choosing a Participating Provider can help you control your out-of-pocket costs. See a Non-Participating Provider: You can also receive chiropractic or acupuncture services from a Non-Participating Provider – any licensed provider you choose. If the provider charges more than the maximum allowable charge, you may be billed the balance.⁴	Office visit cost: \$15 copay per visit with a Participating Provider / 30% coinsurance with a Non-Participating Provider Office visit limit: 30 visits per plan year

Office visits: Office visits are limited to 30 visits per plan year combined between Participating and Non-Participating Providers.⁵

X-rays and laboratory tests: Medically necessary X-rays and laboratory tests are covered under your medical plan benefits. Refer to your *Certificate of Insurance* for details.

Participating Chiropractors and Acupuncturists

Participating Chiropractors provide covered chiropractic services, including laboratory tests and X-rays. Participating Acupuncturists provide acupuncture care (including adjunctive therapies, like acupressure, cupping, moxibustion, or breathing techniques, when provided during the same course of treatment and in conjunction with acupuncture). To find a provider or check if your current provider is part of the PHCS Network for KPIC or Cigna PPO Network, visit kp.org/kpic/ppo. The list of Participating Chiropractors and Acupuncturists may change at any time without notice.

How to get covered services

You can get chiropractic and acupuncture services from any Participating or Non-Participating Provider without a referral from a doctor. To obtain covered services, call an acupuncture or chiropractic provider to schedule an initial examination. If additional services are required, verification that the services are medically necessary may be required.

Note: Chiropractic and acupuncture coverage for the Kaiser Permanente PPO Plan is underwritten by Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc. This is only a summary of your benefits and is not designed to serve as the *Certificate of Insurance*. Benefits may vary depending on the terms of your plan. Please see your KPIC *Certificate of Insurance* and *Schedule of Coverage* for a detailed description of your chiropractic and acupuncture benefits, including exclusions, limitations, and emergency chiropractic services.

Please see your KPIC *Certificate of Insurance* for complete details about which services are covered.
