Your Group Long Term Disability Insurance has been designed to provide financial help for you when a covered loss occurs. This plan has chosen benefits provided by a Group Policy issued by Us, Principal Life Insurance Company. To the extent that benefits are provided by the Group Policy, the administration and payment of claims will be done by Us as an insurer.

Members rights and benefits are determined by the provisions of the Group Policy. This booklet briefly describes those rights and benefits. It outlines what you must do to be insured. It explains how to file claims. It is your certificate while you are insured.

The effective date of your insurance is as shown on your enrollment form.

THIS BOOKLET REPLACES ANY PRIOR BOOKLET THAT YOU MAY HAVE RECEIVED. If you have any questions about this new booklet, please contact your employer. In the event of future plan changes, you will be provided with a new booklet-certificate or a booklet-certificate rider.

If you have an electronic booklet, paper copies of this booklet-certificate are also available. Please contact your employer if you would like to request a paper copy.

PLEASE READ YOUR BOOKLET CAREFULLY. We suggest that you start with a review of the terms listed in the DEFINITIONS Section (at the back of the booklet). The meanings of these terms will help you understand the insurance.

The group insurance policy and your coverage under the Group Policy may be discontinued or altered by the Policyholder or Us at any time without your consent.

HOW TO BE INSURED LONG TERM DISABILITY INSURANCE

Effective Dates

Actively at Work

Your effective date for Long Term Disability Insurance will be as explained in this booklet, if you are Actively at Work on that date. If you are not Actively at Work on the date insurance would otherwise be effective, such insurance will not be in force until the day of return to Active Work.

Effective Date for Noncontributory Insurance

Unless Proof of Good Health is required, insurance for which you contribute no part of premium will be in force on the date you are eligible.

Effective Date for Contributory Insurance

If you are to contribute a part of premium, insurance must be requested in a form provided by Us. Unless Proof of Good Health is required, the requested insurance will be in force on:

- a. the date you are eligible, if the request is made on or before that date; or
- b. the date of your request, if the request is made within 31 days after the date you are eligible.

If the request is made more than 31 days after the date you are eligible, Proof of Good Health will be required before insurance can be in force.

Effective Date When Proof of Good Health is Required

Insurance for which Proof of Good Health is required will be in force on the later of:

- a. the date insurance would have been effective if Proof of Good Health had not been required; or
- b. the date Proof of Good Health is approved by Us.

Proof of Good Health Requirements

The type and form of required Proof of Good Health will be determined by Us. You must submit Proof of Good Health:

- a. If insurance for which you contribute a part of premium is requested more than 31 days after the date you are eligible.
- b. If you have failed to provide required Proof of Good Health or have been refused insurance under the Group Policy at any prior time.
- c. If you elect to terminate insurance and, more than 31 days later, request to be insured again.

However, if you are not Actively at Work on the date a Benefit Payable change would otherwise be effective, the Benefit Payable change will not be in force until the date you return to Active Work.

LONG TERM DISABILITY INSURANCE**

Termination, Continuation, and Reinstatement

Termination of Insurance

Your insurance will terminate on the earliest of:

- a. the date the Group Policy is terminated; or
- b. the date the last premium is paid for your insurance; or
- c. for contributory insurance, any date if requested by you before that date; or
- d. the date you cease to be a Member as defined; or
- e. the date you cease to be in a class for which Member Insurance is provided; or
- f. the date you cease Active Work except as provided below.

Termination of insurance for any reason described above will not affect your rights to benefits, if any, for a Disability that begins while your insurance is in force under the Group Policy. You are considered to be continuously Disabled if you are Disabled from one condition and, while still Disabled from that condition, incur another condition that causes Disability.

Continuation

You may qualify to have your insurance continued under one or more of the continuation provisions below. If you qualify for continuation under more than one provision, the longest period of continuation will be applied, and all periods of continuation will run concurrently.

Continuation and Reinstatement - Sickness, Injury, or Pregnancy

If you cease Active Work due to sickness, injury, or pregnancy, your insurance can be continued subject to payment of premium, until the earliest of:

- a. the date insurance would otherwise terminate as provided in items a. through e. above; or
- b. the end of the Insurance Month in which you recover; or
- c. the date 90 days after Active Work ends.

If a Benefit Payment Period is established, your insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date the Benefit Payment Period ends. Your reinstated insurance will be in force on the date of return to Active Work.

If you do not qualify to have a Benefit Payment Period begin, insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date insurance ceased. Your reinstated insurance will be in force on the date of return to Active Work.

Proof of Good Health will be required to place in force any Benefit Payable that would have been subject to Proof of Good Health had you remained continuously insured.

In addition, a longer reinstatement period will be allowed for an approved leave of absence taken in accordance with the provisions of the state law regarding family leave.

Continuation and Reinstatement - Layoff or Leave of Absence

If you cease Active Work due to layoff or leave of absence, your insurance can be continued, subject to premium payment, until the earlier of:

- a. the date insurance would otherwise terminate as provided in items a. through e. above; or
- b. the end of the Insurance Month in which Active Work ends.

Your insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date insurance ceased. Your reinstated insurance will be in force on the date of return to Active Work.

A longer reinstatement period may be allowed for an approved leave of absence taken in accordance with the provisions of the federal law regarding Uniform Services Employment and Reemployment Rights Act of 1994 (USERRA).

Proof of Good Health will be required to place in force any Benefit Payable that would have been subject to Proof of Good Health had you remained continuously insured.

In addition, a longer reinstatement period will be allowed for an approved leave of absence taken in accordance with the provisions of the state law regarding family leave.

Continuation and Reinstatement - Family and Medical Leave Act (FMLA)

If you cease Active Work due to an approved leave of absence under FMLA, the Policyholder may choose to continue your insurance, subject to premium payment, until the date either 12 weeks or 26 weeks, as determined by law, after Active Work ends.

Your terminated insurance may be reinstated in accordance with the provisions of FMLA.

DESCRIPTION OF BENEFITS

Benefits Payable

If you are not working during a period of Disability

Your Benefit Payable for each full month of a Benefit Payment Period will be your Primary Monthly Benefit less Other Income Sources.

If you are working during a period of Disability

Your work incentive Benefit Payable for each full month of a Benefit Payment Period will be:

- a. For the first 12 months, the lesser of:
 - (1) 100% of Indexed Predisability Earnings less Other Income Sources, less Current Earnings from your Own Occupation or any occupation for which you become employed after Disability begins; or

- b. Thereafter, your Primary Monthly Benefit less Other Income Sources, multiplied by your Income Loss Percentage.

On each March 1, following the date you become Disabled, your Predisability Earnings will be increased by the average rate of increase in the Consumer Price Index during the preceding calendar year, subject to an annual maximum of 10%.

If you have been Disabled for less than one year as of March 1, the amount of the increase will be multiplied by the ratio of:

Minimum Monthly Benefit

In no event will the Monthly Benefit Payable be less than \$100 for each full month of a Benefit Payment Period, except that We will have the right to reduce the Minimum Monthly Benefit by any prior benefit overpayment. The Benefit Payable for each day of any part of a Benefit Payment Period that is less than a full month will be the monthly benefit divided by 30.

DESCRIPTION OF BENEFITS

Rehabilitation Services and Benefits

Rehabilitation Services and Benefits are voluntary if you qualify for Disability Benefits under the Group Policy.

Rehabilitation Services and Benefits

While you are Disabled and covered under the Group Policy, you may qualify to participate in a rehabilitation plan and receive Rehabilitation Services and Benefits. We will work with you and others as appropriate, to develop an individualized rehabilitation plan intended to assist you in returning to work.

Rehabilitation Services

While you are Disabled under the terms of the Group Policy, you may qualify for Rehabilitation Services. If you, the Policyholder, and We agree in Writing on a rehabilitation plan in advance, We may pay a portion of reasonable expenses. The goal of the plan will be to return you to work.

Any rehabilitation assistance must be approved in advance by Us and outlined in a rehabilitation plan. The Benefit Payable as described in the booklet (subject to the terms and conditions of the Group Policy) will continue, unless modified by the rehabilitation plan. Rehabilitation assistance may include, but is not limited to:

- a. coordination of medical services;
- b. vocational and employment assessment;
- c. purchasing adaptive equipment;
- d. business/financial planning;
- e. retraining for a new occupation;
- f. education expenses.

We will periodically review the rehabilitation plan and if the agreed upon progress is documented, We will continue to pay for the agreed upon expenses as long as appropriate progress is documented to return you to work.

Predisability Intervention Services

Rehabilitation Services may be offered if you have not yet become Disabled under the terms of the Group Policy, provided you have a condition which has the potential of resulting in the inability to perform the Substantial and Material Duties of your Own Occupation.

Rehabilitation Incentive Benefit

During a Benefit Payment Period, if you are participating in and fulfilling the requirements of the rehabilitation plan, but are not yet working, you will be eligible for a 5% increase in the Primary Monthly Benefit percentage as a Rehabilitation Incentive Benefit. Payment of the Rehabilitation Incentive Benefit will begin with the Benefit Payable amount that next follows implementation of the rehabilitation plan. The Rehabilitation Incentive Benefit is not subject to the Maximum Monthly Benefit.

The Rehabilitation Incentive Benefit will terminate on the earliest of:

- a. the date the time frame established in the rehabilitation plan has elapsed; or

- b. the date you fail to meet the goals and objectives established in the rehabilitation plan; or
- c. the date you have received a total of 12 months of Rehabilitation Incentive Benefits; or
- d. the date benefits would otherwise terminate as described in this booklet.

Reasonable Accommodation Benefit

Eligibility

You or an employer may be eligible for a Reasonable Accommodation Benefit provided you would be able to return to work with Reasonable Accommodation of the work environment. This benefit must be approved by Us in Writing prior to implementation.

Benefit

We will reimburse you or an employer for expenses incurred to modify the workplace to allow you to return to work, up to the actual expense, not to exceed \$2,000 per Benefit Payment Period. Expenses may include the cost of tools, equipment, furniture, or any other changes to the work-site or environment that We agree will allow you to return to work. Any payment made for Reasonable Accommodation would be the difference between the cost and the amount paid or payable by third parties (including any amount paid under a policy of medical coverage).

DESCRIPTION OF BENEFITS

Survivor Benefit

Survivor Benefit

In the event a Benefit Payment Period ends because of your death, a Survivor Benefit will be payable. This Survivor Benefit will be three times your Benefit Payable as described on GH 808 that would have been payable had you not died.

We will pay the Survivor Benefit to your Dependent Spouse, child, parent, or estate as described in the CLAIM PROCEDURES Section on GH 823.

DESCRIPTION OF BENEFITS

Monthly Payment Limit

In no event will the sum of amounts payable for:

- a. Benefits Payable as described in this booklet; and
- b. Rehabilitation Incentive Benefit; and
- c. income from Other Income Sources;
- d. Current Earnings from your Own Occupation or any occupation; and
- e. sick pay; and
- f. salary continuance payments; and
- g. personal time off;

exceed 100% of Predisability Earnings. If you are eligible for a work incentive Benefit Payable, the Monthly Payment Limit will be increased to 100% of Indexed Predisability Earnings for the first 12 months.

In the event your total income from all sources listed above exceeds 100% of Predisability Earnings, the benefits as described in this booklet will be reduced by the amount in excess of 100% of Predisability Earnings.

DESCRIPTION OF BENEFITS

Benefit Payment Period and Recurring Disability

Benefit Payment Period

Benefits are payable:

- a. if your Disability begins before you are age 65, until the later of the date 36 months after your Benefit Payment Period begins, or the date you attain Social Security Normal Retirement Age; or
- b. if your Disability begins on or after you are age 65, until the later of the date of Social Security Normal Retirement Age, or the date of completion of the number of months shown below after your Benefit Payment Period begins:

<u>Your Age on the Date Disability Begins</u>	<u>Months of the Benefit Payment Period (Beginning with the date the Benefit Payment Period begins)</u>
65, 66, 67	24
68, 69	18
70, 71	15
72 and over	12

However, in no event, will benefits continue beyond:

- a. the date of your death; or
- b. the date your Disability ends, unless a Recurring Disability exists as explained in this booklet; or
- c. the date you unreasonably fail to provide any required proof of Disability; or
- d. the date you unreasonably fail to submit to any required medical examination as provided on GH 823; or
- e. if Disability results from alcohol, drug or chemical abuse, dependency, or addiction, or a Mental Health Condition, the date 24 months after the Benefit Payment Period begins; or
- f. the date you cease to be under the Regular and Appropriate Care of a Physician; or
- g. the date the most recent one month average of your Current Earnings exceeds 80% of your monthly Predisability Earnings if you are Residually Disabled.

Recurring Disability

A Recurring Disability will exist under the Group Policy if:

- a. after you have completed an Elimination Period and during a Benefit Payment Period, you cease to be Disabled; and
- b. you then return to Active Work; and

- c. while insured under the Group Policy but before completing six continuous months of Active Work, you are again Disabled; and
- d. your current Disability and the Disability for which you completed the Elimination Period result from the same or a related cause.

A Recurring Disability will be treated as if the initial Disability had not ended, except that no benefits will be payable for the time between Disabilities. You will not be required to complete a new Elimination Period. Benefits will be payable from the first day of each Recurring Disability, but only for the remainder, if any, of the Benefit Payment Period established for the initial Disability. The effective date of any salary increase received during return to Active Work as stated in the Group Policy which would otherwise be effective, will not be applicable to any benefit payable under this Recurring Disability provision.

DESCRIPTION OF BENEFITS

Treatment of Alcohol, Drug or Chemical Abuse, Dependency, or Addiction, or a Mental Health Condition

Your period of Disability will be considered due to alcohol, drug or chemical abuse, dependency, or addiction, or a Mental Health Condition if:

- a. you are Disabled by one or more of the stated conditions; and
- b. you do not have other conditions which, in the absence of the above stated conditions, would continue to exist.

When Disability results from alcohol, drug or chemical abuse, dependency, or addiction, or a Mental Health Condition, the maximum number of Benefits Payable for all such periods of Disability is limited to 24 months. This is not a separate maximum for each such condition, or for each period of Disability, but a combined lifetime maximum for all periods of Disability and for all of these conditions, either separate or combined.

However, if at the end of that 24 months, you are confined in a Hospital or other facility qualified to provide necessary care and treatment for alcohol, drug or chemical abuse, dependency, or addiction, or a Mental Health Condition, then the Benefit Payment Period may be extended to include the time during which you remain confined.

Benefits will be payable for the length of the confinement and for up to 60 days following the end of the confinement. If you are Hospital confined again during the 60-day period for at least ten consecutive days, benefits will be payable for the length of the second confinement and for up to 60 days following the end of the second confinement.

The Benefits Payable limit is not applicable to drugs administered on the advice of your Physician.

No benefits will be paid for a Disability that is caused or substantially contributed by a Preexisting Condition unless, on the date you become Disabled, you have been Actively at Work for one full day after completing 12 consecutive months during which you were insured under the Group Policy.

CLAIM PROCEDURES

Notice of Claim

Written notice of claim must be given to Us within 20 calendar days after the date of loss for which claim is being made. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Claim Forms

Claim forms and other information needed must be filed with Us in order to make a claim determination. We will provide forms to assist you in filing claims. If notice is given and the completed forms are not provided within 15 days after We receive such notice, you will be considered to have complied with the requirements of the Group Policy upon submitting, within the time specified below for filing proof of Disability, Written proof covering the occurrence, character and extent of the loss.

Proof of Disability

Completed claim forms and other information needed to prove Disability should be filed promptly. Written proof that Disability exists and has been continuous should be sent to Us within six months after the date you complete an Elimination Period. Failure to furnish such proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the date proof is otherwise required.

Proof required includes the date, nature, and extent of the loss. Further proof that Disability has not ended must be sent when requested by Us. We may request additional information to substantiate your loss or require a Signed unaltered authorization to obtain that information from the provider, Internal Revenue Service, Social Security Administration or any other entity required for Proof of Disability or Earnings Documentation. Your failure to comply with such request could result in declination of the claim. Receipt of claim will be considered met when the Elimination Period has been completed and the appropriate completed claim form is received by Us.

Documentation of Loss

We must receive satisfactory Written proof of loss. Until We receive the proof of loss requested, benefits will not be paid. Proof of loss may include:

- a. Any requested claim form including claim forms from you or your Physician.
- b. Documentation that you are under Regular and Appropriate Care by a Physician.
- c. Copies of medical records, test results and/or Physician's progress notes.
- d. Occupation information, such as documentation of work duties and activities. This may include your job description or appointment calendar from the Policyholder or your current employer.
- e. Independent medical examination(s) (see Examinations and Evaluations in this section).
- f. Any Written authorizations necessary, signed by you, on a form supplied by Us, to obtain medical and financial records and information needed to determine your eligibility for benefits.
- g. Earnings Documentation.
- h. Other proof of loss as required by Us.

Earnings Documentation

We may require proof to determine your Predisability Earnings and Current Earnings. A company representative has the right to examine your financial and business records, including your individual and business Federal income tax returns and supporting documentation, as often as We may require. In addition, We reserve the right to request such documentation to verify benefits were paid appropriately during the year. In the event benefits have not been paid appropriately, any overpayment of benefits determined would be recovered as outlined in Right to Recover Overpayments.

Investigation of Your Claim

We may conduct an investigation of your claim at any time, which may include a personal interview with a company representative and/or an examination. Benefits may not be payable until We have had a reasonable time to conduct an investigation of your claim and determine that benefits are payable.

Any costs involved in submission of proof of loss or earnings documentation are your responsibility to pay, except for costs incurred by Us for copies of medical records, test results and/or Physician's progress notes and independent medical examination(s) as shown under Documentation of Loss above or personal interview or financial examination.

Once your claim is approved, no benefits will be continued beyond the end of the period for which you have provided Us with satisfactory proof of loss. We will require you to provide additional documentation of your claim, at your expense, at reasonable intervals while you are claiming Disability.

If you provide false, incomplete, or misleading information including omissions on any statement you make to obtain coverage, an increase in coverage, or when filing a claim, We will deny the claim. If you knowingly and with intent to injure, defraud, or deceive provided or omitted information, you will be subject to prosecution and punishment to the fullest extent under state and/or federal law. The falsity of any statement in the Member application shall not bar the right to recovery under the Group Policy unless such false statement was made with actual intent to deceive or unless it materially affected either the acceptance of the risk or the hazard assumed by Us.

Proof of Disability while outside the United States

If during a period of Disability, you are residing or staying outside the United States, the following will apply:

- a. You must provide proof that the Physician is a legally qualified medical practitioner according to the laws and regulations of the governing jurisdiction.
- b. You may be required to return to the United States at a frequency We deem necessary to substantiate your claim for Disability. All expenses incurred by you for returning to the United States will be your responsibility.
- c. You must notify Us in advance of any return to the United States and your change of address.

Your failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing timing requirements, receipt of claim will be considered met when the Elimination Period has been completed and the appropriate claim form is received by Us.

In administering the benefits provided under the Group Policy, all Predisability Earnings and Current Earnings will be expressed in U.S. dollars and all premium and benefit amounts must be paid in U.S. dollars.

Payment, Denial, and Review

State law requires payment of benefits within 30 calendar days after We receive all information needed to make a claim determination. The 30-calendar-day period does not include any time during which We are awaiting receipt of complete and proper proof of Disability. If We have not received all information needed to make a claim determination within 30 calendar days after receipt of the claim, We will notify the claimant in Writing and include a Written list of all

information reasonably needed to make the claim determination. The claimant is then allowed 45 days to provide all additional information requested. We are permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to the claimant regarding the extension.

In actual practice, benefits under the Group Policy will be payable sooner, provided We receive complete and proper proof of Disability. Further, if a claim is not payable or cannot be processed, We will submit a detailed explanation of the basis for the denial.

The claimant may request an appeal of a claim denial by Written request to Us within 180 days of receipt of notice of the denial. We will make a full and fair review of the claim. We may require additional information to make the review. We will notify the claimant in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because We did not receive the requested additional information, We will send a Written explanation prior to the expiration of the 45 days. The claimant is then allowed 45 days to provide all additional information requested. We are permitted a 45-day extension for the review. Written notification will be sent to the claimant regarding the extension.

For purposes of this section, "claimant" means Member.

Proof of Payments from Other Income Sources

When asked, you must give Us:

- a. proof of all payments from Other Income Sources; and
- b. proof of application for all such income for which you and your Dependents are eligible; and
- c. proof that any application for such income has been rejected; and
- d. authorizations for any entity from which you may be receiving income.

Lump Sum Payments from Other Income Sources

If any income from Other Income Sources are payable in a lump sum (except as described below), the lump sum will be deemed to be paid in monthly amounts prorated over the time stated. If no such time is stated, the lump sum will be prorated monthly over the lesser of:

- a. 60 months; or
- b. the expected remaining number of months for which you would be entitled to benefits from the Group Policy based on the proof of loss submitted to Us.

Lump Sum Payments under:

- a. a retirement plan will be deemed to be paid in the monthly amount which:

Social Security Estimates

If it is reasonable that you would be entitled to disability benefits under the Federal Social Security Act, We will require that you apply for such disability benefits.

If We possess a means of reasonably estimating such disability benefits, you have not applied for disability benefits under the Federal Social Security Act or pursued them with reasonable diligence, and until exact amounts are known, We may estimate the Social Security benefits for which you and your Dependents are eligible and may include those estimates in your Other Income Sources.

Other Disability Coverage Estimates

If it is reasonable that you would be entitled to disability benefits under the Canadian Pension Plan, Quebec Pension Plan, Railroad Retirement Act, or any similar plan or act, Worker's Compensation Act, any other occupational disease law or similar act, Jones Act, or state compulsory/statutory benefit law, We will require that you apply for such disability benefits.

If We possess a means of reasonably estimating such disability benefits, you have not applied for these benefits or pursued them with reasonable diligence, and until exact amounts are known, We may estimate benefits for which you and your Dependents are entitled and may include those estimates in the Member's Other Income Sources.

Payments for Less Than a Full Month

The Benefit Payable for each day of any part of a Benefit Payment Period that is less than a full month will be the monthly benefit divided by 30.

Right to Recover Overpayments

If an overpayment of benefits occurs under the Group Policy, We will have the option to:

- a. reduce or withhold any future benefits We determine to be due, including the Minimum Monthly Benefit; or
- b. recover the overpayment directly from you; or
- c. take any other legal action.

Facility of Payment

Benefits under the Group Policy will be payable each month of a Benefit Payment Period, provided complete and proper proof of Disability has been received by Us.

We reserve the right to make a lump sum payment in lieu of continued monthly payments where liability has been established for a Benefit Payment Period.

Any unpaid balance that remains after a Benefit Payment Period ceases will be immediately payable.

We will normally pay benefits directly to you. However, in the special instances listed below, payment will be as indicated. All payments so made will discharge Us to the full extent of those payments.

- a. If payment amounts remain due upon your death, those amounts may be paid to your Dependent Spouse, child, or parent.
- b. If We believe a person is not legally able to give a valid receipt for a benefit payment, and no guardian has been appointed, We may, at Our discretion, pay whoever has assumed the care and support of the person.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no benefit will be payable.

Examinations and Evaluations

We have the right to require you to undergo medical evaluations, including but not limited to, functional capacity evaluations, vocational evaluations, home visits, and/or psychiatric evaluations during the course of a claim or claim appeal. The examinations or evaluations will be performed by a Physician or evaluator We choose as appropriate for the condition and will be conducted at the time, place and frequency We reasonably requires. We will pay for these examinations and evaluations and will choose the Physician or evaluator to perform them.

Legal Action

Legal action to recover benefits under the Group Policy may not be started earlier than 60 days after proof of Disability has been filed. Further, no legal action may be started later than three years after that proof is required to be filed.

If your claim is subject to ERISA (Employee Retirement Income Security Act of 1974), before bringing a civil legal action under the federal labor law known as ERISA, you must exhaust available administrative remedies. Under the Group Policy, you must first exhaust the appeal procedures listed above. After the required reviews:

- a. you or your beneficiary may bring legal action under Section 502(a) of ERISA; and
- b. We will waive any right to assert that you failed to exhaust administrative remedies.

Time Limits

Any time limits listed in this section will be adjusted as required by law.

STATEMENT OF RIGHTS

Federal law requires that this section be included in your booklet:

As a participant in this plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
