

FDH Access 100 Through CaliforniaChoice®

These benefits are available at no additional cost to employers not offering dental coverage to their employees. Discount services are available, without prior authorization, through any of the dentists listed in the provider section of the FDH Access 100 Dental Guide. Members don't need to select a primary care dentist. They simply identify membership when making an appointment.

Employees and dependents who wish to take advantage of this great program must also be enrolled for medical coverage through the CaliforniaChoice program.

CaliforniaChoice Members Enjoy These Features:

- A dental program at no additional monthly premium
- No prior authorization needed
- No need to select a primary care dentist
- Large network of participating dentists
- No claims to file
- No waiting for reimbursement
