

Reimbursement Guide

Healthcare FSA's are permitted to reimburse drugs, medicines and supplies that meet the definition of medical care under Code 213(d), including items purchased over-the-counter. The following provides a common list of eligible expenses (and ineligible expenses) for your review. A comprehensive listing of eligible expenses can be viewed at www.enrollwithtag.com.

OTC Medication Eligibility

Over-the-counter medications (OTC) require a physician's statement to be considered an eligible medical expense. Qualified over-the-counter first aid type items however, are eligible for reimbursement without a physician's statement.
