This material is for information only. Providers are independent contractors and are not agents of Aetna. Provider participation may vary. DMO® plans are insured by Aetna Life Insurance Company, Aetna Dental Inc., Aetna Dental of California Inc. and/or Aetna Health Inc. (Aetna). Each insurer has sole financial responsibility for its own products.

For DMO plans, some states allow limited benefits when you go out of network for covered services. In Illinois, DMO plans provide limited out-of-network benefits, but to receive maximum benefits, members must select and have care coordinated by a participating primary care dentist (PCD). In Illinois, the DMO plan is not a health maintenance organization (HMO). In Virginia, the DMO plan is known as the Dental Network Only plan (DNO). DNO in Virginia is not an HMO; to receive maximum benefits, members must choose a PCD to coordinate their care with in-network providers. In California, your dentist may refer you to out-of-network dentists for some services.
