

# Anthem covers remote teeth straightening

Clear aligners from Candid are covered as part of our Ortho@Home solution

If you ever need mild to moderate teeth straightening, we want to make sure you have options. That's why we have partnered with Candid™. If you have orthodontia coverage with your Anthem dental plan, you can receive clear orthodontic aligners at home, which cost less than regular braces.<sup>1</sup>

## A confident smile at a lower price

This orthodontia benefit includes:

- Working with a licensed orthodontist to track your progress using scans taken with your smartphone.
- An at-home impression kit.
- A final-step retainer at no additional charge.
- Premier teeth whitening foam at no additional charge.

## About Candid

Candid orthodontists use precise diagnostics to provide treatment, including close supervision by a licensed orthodontist who takes eight or more photos of your face and teeth, and silicone impressions to maximize the accuracy of treatment. Members also have access to at-home or in-person digital scans at a Candid Studio location.

## You can see the savings

Besides being more convenient than having to go to a dentist's office for teeth alignment, Candid can also help you save money:

Candid cost	\$2,400
Anthem network discount	\$200
Dental plan pays (if orthodontic coverage is 50%) <sup>2</sup>	\$1,000
<b>You could pay only</b>	<b>\$1,200</b>
