# **CONVENIENCE CARE CLINICS**

#### Helping you and your doctor better manage your health

When you need treatment for common ailments and injuries, you have more choices. You have already come to trust the health care services offered through our broad provider networks. Now you can get high-quality, affordable services for a wide variety of routine medical conditions through convenience care clinics located throughout the country.

Because we believe that your doctor has primary responsibility for your care and treatment, the results of your diagnosis and treatment are sent to your doctor with your permission. If you have a more severe condition, or require treatment in a different setting, the convenience care clinician will refer you to a doctor or an emergency room.

#### The convenience care clinics available include:

- MinuteClinic
- Take Care Health
- RediClinic
- Target Clinic
- Sutter Express Care
- The Little Clinic
- Refer to the provider directory for a complete list of clinics in the Cigna network.

The medical care delivered by the health teams at the convenience care clinics is covered by Cigna, just like any other service you receive from a health care professional.

#### **Imagine:**

- Not waiting for an appointment when you need care, you walk right in. Wait times average 15 minutes or less.
- Finding a convenience care clinic in or near your favorite retail store, with hours that fit into your busy schedule.
- Receiving high-quality medical care in a facility overseen by doctors and staffed by certified nurse practitioners and physician assistants.
- Getting all this and more and the cost for these services are handled the same as primary care physician office visits.

#### Consider convenience care for help with the following conditions:\*
