

Health care in the  
palm of your hand.

## Introducing myHometown Mobile App

With the new myHometown app, you can now access your benefit information at the touch of a button. The app provides Hometown Health members 24/7 centralized access to:

- Benefits
- Referrals
- Provider Search
- Claims
- Authorizations
- Member ID Cards

Plus, it features fingerprint and facial recognition technology to keep your information safe and secure.

**Download today!**

Available for iPhone and Android
