Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility –

Asistencia con las primas bajo Medicaid y el Programa de Seguro de Salud para Menores (CHIP)

Si usted o sus hijos son elegibles para Medicaid o CHIP y usted es elegible para cobertura médica de su empleador, su estado puede tener un programa de asistencia con las primas que puede ayudar a pagar por la cobertura, utilizando fondos de sus programas Medicaid o CHIP. Si usted o sus hijos no son elegibles para Medicaid o CHIP, usted no será elegible para estos programas de asistencia con las primas, pero es probable que pueda comprar cobertura de seguro individual a través del mercado de seguros médicos. Para obtener más información, visite www.cuidadodesalud.gov.

Si usted o sus dependientes ya están inscritos en Medicaid o CHIP y usted vive en uno de los estados enumerados a continuación, comuníquese con la oficina de Medicaid o CHIP de su estado para saber si hay asistencia con primas disponible.

Si usted o sus dependientes NO están inscritos actualmente en Medicaid o CHIP, y usted cree que usted o cualquiera de sus dependientes puede ser elegible para cualquiera de estos programas, comuníquese con la oficina de Medicaid o CHIP de su estado, llame al **1-877-KIDS NOW** o visite espanol.insurekidsnow.gov/ para información sobre como presentar su solicitud. Si usted es elegible, pregunte a su estado si tiene un programa que pueda ayudarle a pagar las primas de un plan patrocinado por el empleador.

Si usted o sus dependientes son elegibles para asistencia con primas bajo Medicaid o CHIP, y también son elegibles bajo el plan de su empleador, su empleador debe permitirle inscribirse en el plan de su empleador, si usted aún no está inscrito. Esto se llama oportunidad de “inscripción especial”, y **usted debe solicitar la cobertura dentro de los 60 días de haberse determinado que usted es elegible para la asistencia con las primas**. Si tiene preguntas sobre la inscripción en el plan de su empleador, comuníquese con el Departamento del Trabajo electrónicamente a través de www.askebsa.dol.gov o llame al servicio telefónico gratuito **1-866-444-EBSA (3272)**.

Si usted vive en uno de los siguientes estados, tal vez sea elegible para asistencia para pagar las primas del plan de salud de su empleador. La siguiente es una lista de estados actualizada al 31 de enero de 2024. Comuníquese con su estado para obtener más información sobre la elegibilidad –

General Notice of COBRA Rights

(For use by single-employer group health plans)

Continuation Coverage Rights Under COBRA

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
Death of the employee;
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to:

**Simmy Desai

San Francisco, California 94105**

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, [Children's Health Insurance Program \(CHIP\)](#), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

¹ <https://www.medicare.gov/sign-up-change-plans/how-do-i-get-parts-a-b/part-a-part-b-sign-up-periods>.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

Modelo de aviso general de los derechos de la cobertura de continuación de COBRA

(para que usen los planes de salud grupales de un solo empleador)

****Derechos de la cobertura de continuación conforme a la ley COBRA****

Introducción

Le enviamos este aviso porque recientemente obtuvo la cobertura de un plan de salud grupal (el Plan). Este aviso contiene información importante acerca de su derecho a recibir la cobertura de continuación de COBRA, que es una extensión temporal de la cobertura del Plan. **Este aviso explica la cobertura de continuación de COBRA, el momento en el que usted y su familia pueden recibirla, y lo que usted puede hacer para proteger su derecho a obtenerla.** Al ser elegible para la cobertura de COBRA, también puede ser elegible para otras opciones que pueden costarle menos que la cobertura de continuación de COBRA.

El derecho a recibir la cobertura de continuación de COBRA se originó gracias a una ley federal, la Ley Ómnibus Consolidada de Reconciliación Presupuestaria (COBRA, por sus siglas en inglés) de 1985. Usted y otros familiares suyos pueden disponer de la cobertura de continuación de COBRA cuando se termine la cobertura de salud grupal. Para obtener más información acerca de sus derechos y obligaciones conforme al Plan y a la ley federal, debe revisar el resumen de la descripción del Plan o comunicarse con el administrador del Plan.

Al perder la cobertura de salud grupal, puede haber otras opciones disponibles. Por ejemplo, puede ser elegible para comprar un plan individual a través del mercado de seguros médicos. Al inscribirse en la cobertura a través del mercado de seguros médicos, puede cumplir con los requisitos para tener menores costos en las primas mensuales y gastos propios más bajos. Asimismo, puede tener derecho a un período de inscripción especial de 30 días en otro plan de salud grupal para el cual sea elegible (como un plan del cónyuge), aunque ese plan generalmente no acepte afiliados de último momento.

¿Qué es la cobertura de continuación de COBRA?

La cobertura de continuación de COBRA es la continuación de la cobertura del Plan cuando esta debería terminar debido a un evento determinado de la vida. Este acontecimiento también se conoce como “evento específico”. Los eventos específicos se incluyen más abajo en este aviso. Después de un evento específico, la cobertura de continuación de COBRA debe ofrecerse a cada persona considerada un “beneficiario que cumple con los requisitos”. Usted, su cónyuge y sus hijos dependientes podrían convertirse en beneficiarios que cumplan con los requisitos si la cobertura del Plan se pierde debido al evento específico. Según el Plan, los beneficiarios que cumplan con los requisitos y que elijan la cobertura de continuación de COBRA debe pagar la cobertura de continuación de COBRA.

Si usted es un empleado, se convertirá en un beneficiario que cumple con los requisitos si pierde la cobertura del Plan debido a estos eventos específicos:

- sus horas de empleo se reducen; o
- su empleo termina por un motivo que no sea una falta grave de su parte.

Si usted es el cónyuge del empleado, se convertirá en un beneficiario que cumple con los requisitos si pierde la cobertura del Plan debido a estos eventos específicos:

- su cónyuge muere;
- las horas de empleo de su cónyuge se reducen;
- el empleo de su cónyuge termina por un motivo que no sea una falta grave por parte de su cónyuge;
- su cónyuge adquiere el derecho a recibir los beneficios de Medicare (Parte A, Parte B o ambas); o
- se divorcia o se separa legalmente de su cónyuge.

Sus hijos dependientes se convertirán en beneficiarios que cumplen con los requisitos si pierden la cobertura del Plan debido a estos eventos específicos:

- el empleado cubierto muere;
- las horas de empleo del empleado cubierto se reducen;
- el empleo del empleado cubierto termina por un motivo que no sea una falta grave por parte del empleado cubierto;
- el empleado cubierto adquiere el derecho a recibir los beneficios de Medicare (Parte A, Parte B o ambas);
- los padres se divorcian o se separan legalmente; o el hijo deja de ser elegible para la cobertura del Plan como “hijo dependiente”.

¿Cuándo está disponible la cobertura de continuación de COBRA?

El Plan ofrecerá la cobertura de continuación de COBRA a los beneficiarios que cumplan con los requisitos solamente después de que se le informe al administrador del Plan que ha ocurrido un evento específico. El empleador debe notificar los siguientes eventos habilitantes al administrador del Plan:

- la terminación del empleo o la reducción de las horas de empleo; la muerte del empleado;
- el hecho de que el empleado adquiera el derecho a recibir los beneficios de Medicare (Parte A, Parte B o ambas).

Para todos los otros eventos específicos (divorcio o separación legal del empleado y el cónyuge, o hijo dependiente que pierde la elegibilidad para la cobertura como hijo dependiente), debe avisarle al administrador del Plan en los 60 días posteriores a que se produzca el evento habilitante. Debe proporcionarle este aviso a:

**Simmy Desai
536 Mission Street
San Francisco, California 94105**

¿Cómo se proporciona la cobertura de continuación de COBRA?

Después de que el administrador del Plan recibe el aviso de que se ha producido un evento específico, la cobertura de continuación de COBRA se ofrecerá a cada uno de los beneficiarios que cumplan con los requisitos. Cada beneficiario que cumpla con los requisitos tendrá su propio derecho a elegir la cobertura de continuación de COBRA. Los empleados cubiertos pueden elegir la cobertura de continuación de COBRA en nombre de su cónyuge y los padres pueden elegir la cobertura de continuación de COBRA en nombre de sus hijos.

La cobertura de continuación de COBRA es la continuación temporal de la cobertura debido a la terminación del empleo o a la reducción de las horas de trabajo, y en general dura 18 meses. Determinados eventos específicos, o un segundo evento específico durante el período inicial de cobertura, pueden permitir que el beneficiario reciba un máximo de 36 meses de cobertura.

También hay otros motivos por los cuales este período de 18 meses de la cobertura de continuación de COBRA puede prolongarse:

Extensión por discapacidad del período de 18 meses de la cobertura de continuación de COBRA

Si el Seguro Social determina que usted o alguien de su familia que esté cubierto por el Plan tiene una discapacidad y usted le avisa al respecto al administrador del Plan en el plazo correspondiente, usted y toda su familia pueden recibir una extensión adicional de hasta 11 meses de cobertura de continuación de COBRA, por un máximo de 29 meses. La discapacidad debe haber comenzado en algún momento antes de los 60 días de la cobertura de continuación de COBRA y debe durar al menos hasta el final del período de 18 meses de la cobertura de continuación de COBRA.

Extensión por un segundo evento específico del período de 18 meses de la cobertura de continuación de COBRA

Si su familia sufre otro evento específico durante los 18 meses de la cobertura de continuación de COBRA, su cónyuge y sus hijos dependientes pueden recibir hasta 18 meses adicionales de cobertura de continuación de COBRA, por un máximo de 36 meses, si se le avisa al Plan como corresponde acerca del segundo evento específico. Esta extensión puede estar disponible para el cónyuge y cualquier hijo dependiente que reciba la cobertura de continuación de COBRA en el caso de que el empleado o ex empleado muera, adquiera el derecho a recibir los beneficios de Medicare (Parte A, Parte B o ambas), se divorcie o se separe legalmente, o si el hijo dependiente deja de ser elegible en el Plan como hijo dependiente. Esta extensión solo está disponible en el caso de que el segundo evento específico hubiese hecho que el cónyuge o el hijo dependiente pierda la cobertura del Plan si no se hubiese producido el primer evento específico.

¿Hay otras opciones de cobertura además de la cobertura de continuación de COBRA?

Sí. En lugar de inscribirse en la cobertura de continuación de COBRA, puede haber otras opciones de cobertura para usted y su familia a través del mercado de seguros médicos, Medicaid u otras opciones de un plan de salud grupal (por ejemplo, el plan de su cónyuge) mediante lo que se denomina un “período de inscripción especial”. Es posible que algunas de estas opciones cuesten menos que la cobertura de continuación de COBRA. Puede encontrar más información sobre muchas de estas opciones en www.cuidadodesalud.gov.

¿Puedo inscribirme en Medicare, en caso de ser elegible, después de que finalice la cobertura de mi plan de salud colectivo?

En general, después del período de inscripción inicial, hay un período de inscripción especial de 8 meses^[1] para inscribirse en Medicare Parte A o B, que comienza cuando ocurre lo primero de lo siguiente:

- El mes posterior a la finalización del empleo.

^[1]www.medicare.gov/sign-up-change-plans/how-do-i-get-parts-a-b/part-a-part-b-sign-up-period.

- El mes posterior a la finalización de la cobertura del plan de salud colectivo basada en el empleo actual.

Si elige la Ley Ómnibus Consolidada de Reconciliación Presupuestaria (COBRA) y desea inscribirse en Medicare Parte B después de que finalice su cobertura de continuación, es posible que tenga que pagar una penalidad por inscripción tardía. Si se inscribe inicialmente en Medicare Parte A o B después de elegir la cobertura de continuación COBRA, el plan puede terminar su cobertura de continuación (sin embargo, si Medicare Parte A o B entra en vigencia en la fecha de la elección de COBRA o antes de esta fecha, la cobertura de COBRA no se puede descontinuar debido al derecho a Medicare, incluso si la persona se inscribe en la otra parte de Medicare después de la fecha de la elección de la cobertura de COBRA).

Si está inscrito tanto en COBRA como en Medicare, Medicare será generalmente el pagador principal. Es posible que algunos planes “disminuyan” el monto que Medicare pagaría en caso de ser el pagador principal, incluso si usted no está inscrito.

EMPLOYEE RIGHTS UNDER THE FAMILY AND MEDICAL LEAVE ACT

The United States Department of Labor Wage and Hour Division

Leave Entitlements

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

Benefits & Protections

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

Eligibility Requirements

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

Requesting Leave

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

Employer Responsibilities

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

Enforcement

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Genetic Information Nondiscrimination Act (GINA) Disclosures

Genetic Information Nondiscrimination Act of 2008

The Genetic Information Nondiscrimination Act of 2008 (“GINA”) protects employees against discrimination based on their genetic information. Unless otherwise permitted, your Employer may not request or require any genetic information from you or your family members.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. “Genetic information,” as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Health Insurance Exchange Notice

For Employers Who Offer a Health Plan to Some or All Employees

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%² of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.¹³

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if

² Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

³ An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services **is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.**

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit HealthCare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

This notice has information about your current prescription drug coverage with Golden Gate University and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Golden Gate University has determined that the prescription drug coverage offered by the Golden Gate University Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Golden Gate University coverage will not be affected. Plan participants can keep their prescription drug coverage under the group health plan if they select Medicare Part D prescription drug coverage. If they select Medicare Part D prescription drug coverage, the group health plan prescription drug coverage will coordinate with the Medicare Part D prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your current Golden Gate University coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Golden Gate University and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Mental Health Parity and Addiction Equity Act (MHPAEA) Disclosure

The Mental Health Parity and Addiction Equity Act of 2008 generally requires group health plans and health insurance issuers to ensure that financial requirements (such as co-pays and deductibles) and treatment limitations (such as annual visit limits) applicable to mental health or substance use disorder benefits are no more restrictive than the predominant requirements or limitations applied to substantially all medical/surgical benefits. For information regarding the criteria for medical necessity determinations made under the plan with respect to mental health or substance use disorder benefits, please contact your plan administrator at 415-442-6546.

Michelle's Law Notice

Note: Pursuant to Michelle's Law, you are being provided with the following notice because the Golden Gate University group health plan provides dependent coverage beyond age 26 and bases eligibility for such dependent coverage on student status. Please review the following information with respect to your dependent child's rights under the plan in the event student status is lost.

When a dependent child loses student status for purposes of Golden Gate University group health plan coverage as a result of a medically necessary leave of absence from a post-secondary educational institution, the Golden Gate University group health plan will continue to provide coverage during the leave of absence for up to one year, or until coverage would otherwise terminate under the Golden Gate University group health plan, whichever is earlier.

In order to be eligible to continue coverage as a dependent during such leave of absence:

- The Golden Gate University group health plan must receive written certification by a treating physician of the dependent child which states that the child is suffering from a serious illness or injury and that the leave of absence (or other change of enrollment) is medically necessary

Newborns' and Mothers' Health Protection Act Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain [out-of-pocket costs](#), like a [copayment](#), [coinsurance](#), or [deductible](#). You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "**balance billing**." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

If you are enrolled in a plan regulated by the California Department of Managed Health Care, California law protects you from surprise medical bills when you receive emergency services from a doctor or hospital that is not contracted with your plan or medical group. In this situation, under California law, the providers cannot bill you more than your in-network cost sharing. When you are enrolled in a plan regulated by the California Department of Insurance, this state law does not apply and, therefore, federal law protects you from balance billing.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network.

California law protects enrollees in state regulated fully-insured plans (such as those issued by KFHP and KPIC) from surprise medical bills when an enrollee receives scheduled care at an in network facility such as a hospital, lab, or imaging center, but services are delivered by an out-of-network provider. When state law applies, providers cannot bill consumers more than their in network cost sharing. Further, for uninsured individuals, hospitals must provide the patient with a written estimate of the amount the hospital will require for the expected services at the time of service.

When balance billing isn't allowed, you also have these protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.

- Generally, your health plan must:
 - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed, contact the No Surprises Help Desk, operated by the U.S. Department of Health and Human Services, at 1-800-985-3059.

Visit www.cms.gov/nosurprises/consumers for more information about your rights under federal law.

USERRA Notice

Your Rights Under USERRA

A. The Uniformed Services Employment and Reemployment Rights Act

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

B. Reemployment Rights

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- You ensure that your employer receives advance written or verbal notice of your service;
- You have five years or less of cumulative service in the uniformed services while with that particular employer;
- You return to work or apply for reemployment in a timely manner after conclusion of service; and
- You have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

C. Right to Be Free from Discrimination and Retaliation

If you:

- Are a past or present member of the uniformed service;
- Have applied for membership in the uniformed service; or
- Are obligated to serve in the uniformed service; then an employer may not deny you
 - Initial employment;
 - Reemployment;
 - Retention in employment;
 - Promotion; or
 - Any benefit of employment because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

D. Health Insurance Protection

- If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.
- Even if you do not elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

E. Enforcement

- The U.S. Department of Labor, Veterans' Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

For assistance in filing a complaint, or for any other information on USERRA, contact VETS at 1-866-4-USA-DOL or visit its Web site at <http://www.dol.gov/vets>. An interactive online USERRA Advisor can be viewed at <http://www.dol.gov/elaws/userra.htm>.

- If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation.
- You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the Internet at this address:

<http://www.dol.gov/vets/programs/userra/poster.htm>. Federal law requires employers to notify employees of their rights under USERRA, and employers may meet this requirement by displaying the text of this notice where they customarily place notices for employees.
