Employer Code#: 98309271; Customer Service#: 800.815.3023; Visit: myplans.cbiz.com

Golden Gate University benefits program includes an optional benefit that allows you to pay for eligible expenses using tax-free dollars called Flexible Benefits Plan. Money deducted from your paycheck into an FSA is not subject to payroll taxes, resulting in substantial payroll tax savings. The most common type of Flexible Spending Accounts are Health Care FSA and Day Care FSA.

For both types of these accounts, you must submit claims no later than 90 days after the end of the Plan Year.

Health Care Flexible Spending Account:

2026 IRS Contribution Limit - \$3,400

A health care FSA can reimburse you or help you pay for eligible health care expenses not covered by your health plan such as copays, deductibles, eye exams, glasses, dental work, hearing aids, prescriptions, etc.

Note: All expenses must be qualified medical, vision, pharmacy or dental benefit expenses, as defined in Section 213(d) of the Internal Revenue Code.

Day Care Flexible Spending Account:

2026 IRS Contribution Limit for Singles or Married Filing Jointly - \$7,500

2026 IRS Contribution Limit for Married Filing Separate - \$3,750

A dependent care FSA helps reimburse you for the work-related cost of care for a qualifying dependent.

A qualifying dependent is:

- A tax dependent of yours who is under age 13
- Any other tax dependent of yours, such as an elderly parent, who is physically or mentally incapable of self-care and has the same principle residence as you
- A spouse who is physically or mentally incapable of self-care and has the same principle residence as you.

- Transit Passes and Commuter Highway Vehicle Expenses (combined total): \$340

Note: In order to enroll in FSA you MUST re-enroll every year.

Open Enrollment / Qualifying Events

Open Enrollment is the time of year all benefit-eligible employees have an opportunity to evaluate their insurance needs for themselves and their dependents for the upcoming plan year. You might also think about updating your beneficiary information on any life insurance policies if you've had a life event occur recently.

During Open Enrollment, you can make changes to your company-sponsored plans, including those listed below:

- Medical - Kaiser or Blue Shield of CA
- Dental - Delta Dental
- Vision - EyeMed
- Flexible Spending Account - CBIZ

Can I add and/or drop my dependents during Open Enrollment?

Yes, you may add or remove eligible dependents from your benefits coverage. However, if you drop a dependent during Open Enrollment, they are not eligible for COBRA. Open Enrollment is not considered a COBRA qualifying event.

What will happen to my benefits if I don't take action during Open Enrollment?

If you do not enroll yourself or your dependents in the company-sponsored plans at this time, you will not be able to enroll in the plans later unless a qualifying event occurs. Qualifying events include: marriage, divorce, death, birth, adoption, loss of coverage for you or your spouse (status change or termination), and gaining other coverage.
