## ASH Participating Providers

**PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.**

ASH Plans contracts with ASH Participating Providers and other licensed providers to provide the Services covered under this Amendment (including laboratory tests, X-rays, and chiropractic supports and appliances). You must receive Services covered under this Amendment from an ASH Participating Provider or another licensed provider with which ASH contracts to provide covered care, except for Services covered under “Emergency and Urgent Services Covered Under this Amendment” in the “Covered Services” section and Services that are not available from contracted providers and that are authorized in advance by ASH Plans.

### How to Obtain Services

To obtain Services covered under this Amendment call an ASH Participating Provider to schedule an initial examination. If additional Services are required after the initial examination, verification that the Services are Medically Necessary may be required, as described under “Decision time frames” below. Your ASH Participating Provider will request any required medical necessity determinations. An ASH Plans clinician in the same or similar specialty as the provider of Services under review will determine whether the Services are or were Medically Necessary Services.

### **Decision time frames**

The ASH Plans’ clinician will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all of the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If ASH Plans needs more time to make the decision because it doesn’t have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your ASH Participating Provider will be informed in writing about the additional information, testing, or specialist that is needed, and the date that ASH Plans expects to make a decision.

Your ASH Participating Provider will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your ASH Participating Provider will be informed of the scope of the authorized Services. If ASH Plans does not authorize all of the Services, ASH Plans will send you a written decision and explanation, including the rationale for the decision and the criteria used to make the decision, within two business days after the decision is made. The letter will also include information about your appeal rights, which are

described in the “Coverage Decisions, Appeals, and Complaints” section of your Health Plan *EOC* for Kaiser Permanente Senior Advantage Members, and “Dispute Resolution” section of your Health Plan *EOC* for all other Members. Any written criteria that ASH Plans uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request. If you have questions or concerns, please contact ASH Plans or Kaiser Permanente as described under “Customer Service” in this Amendment.

## Covered Services

We cover the Services listed in this “Covered Services” section, subject to exclusions described in the “Exclusions” section, only if all of the following conditions are satisfied:

- You are a Member on the date that you receive the Services
- ASH Plans has determined that the Services are Medically Necessary, except for:
  - ◆ the initial examination described under “Office Visits” in this “Covered Services” section
  - ◆ Services covered under “Emergency and Urgent Services Covered Under this Amendment” in this “Covered Services” section
- You receive the Services from ASH Participating Providers or other licensed providers with which ASH contracts to provide covered care, except for:
  - ◆ Services covered under “Emergency and Urgent Services Covered Under this Amendment” in this “Covered Services” section
  - ◆ Services that are not available from ASH Participating Providers or other licensed providers with which ASH contracts to provide covered care and that are authorized in advance by ASH Plans

When you receive covered Services, you must pay the Cost Share listed in this “Covered Services” section, subject to the Plan Deductible described in your Health Plan *EOC* if this Amendment amends an HSA-Qualified High Deductible Health Plan (HDHP) HMO evidence of coverage. If you receive Services that are not covered under this Amendment, you may be liable for the full price of those Services.

Note: If Charges for Services are less than the Copayment described in this “Covered Services” section, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum.

If you are not a Kaiser Permanente Senior Advantage Member, any Cost Share you pay for covered Services under this Amendment applies toward the Plan Deductible and Plan Out-of-Pocket Maximum described in your Health Plan *EOC*.

If you have questions about your Cost Share for specific Services that you are scheduled to receive or that your provider orders during a visit or procedure, please call the ASH Plans Customer Service Department toll free at **1-800-678-9133** (TTY users call **711**) weekdays, hours may vary.

Coverage of Acupuncture Services under this Amendment is different from the coverage of acupuncture Services under your Health Plan *EOC*. You do not need a referral to get covered Services under this Amendment, but covered Services and your Cost Share may differ from those under your Health Plan *EOC*. If you receive acupuncture Services for which you have a referral (as described under “Getting a Referral” in the “How to Obtain Services” section of the *EOC*), then unless you tell us otherwise, we will assume that you are using your coverage under your Health Plan *EOC*.

If you are a Kaiser Permanente Senior Advantage Member, refer to your Health Plan *EOC* for information about the chiropractic Services that we cover in accord with Medicare guidelines, which are separate from the Services covered under this Amendment.

- **Subsequent acupuncture office visits:** Subsequent ASH Participating Provider office visits for Acupuncture Services that are determined to be Medically Necessary by an ASH Plans clinician, which may include a re-examination to assess the need to continue, extend, or change a Treatment Plan

Each office visit counts toward any visit limit, if applicable.

### **Laboratory Tests and X-rays**

We cover Medically Necessary laboratory tests and X-rays when prescribed as part of covered chiropractic care described under “Office Visits” in this “Covered Services” section at **no charge** when an ASH Participating Provider provides the Services or refers you to another licensed provider with which ASH contracts to provide covered Services.

### **Second Opinions**

You may request a second opinion in regard to covered Services by contacting another ASH Participating Provider. Your visit to another ASH Participating Provider for a second opinion generally will count toward any visit limit, if applicable. An ASH

Participating Provider may also request a second opinion in regard to covered Services by referring you to another ASH Participating Provider in the same or similar specialty. If you are referred by an ASH Participating Provider to another ASH Participating Provider, or you see an ASH Participating Provider for lab work or an X-ray, your visit to the other ASH Participating Provider will not count toward any visit limit. An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial, and of your right to file a grievance as described under “Grievances” in this Amendment.
