**Nurse on Call** is a 24 hours 7 days a week service that works with Gordon Prill, Inc. to Help assist at the time of an incident so that the injured worker receives the correct and appropriate treatment for a possible industrial injury. At the time of an incident, the injured worker and supervisor calls the toll free number. The attendant will ask if an interpreter is necessary and will connect with the nurse. The attendant drops off the line when the nurse comes on.

Nurse on Call works with and becomes a part of your first responder program. All information collected and reporting goes to your pre-designated contact person, Lorraine Dekker or Helen Sanchez, Accounting Department.

Nurse on Call works within the American Red Cross First Aid guidelines and uses the Fed OSHA and Cal OSHA definitions for determining whether or not this incident qualifies as a First Aid. Nurse on Call will communicate with your designated Industrial Clinic and will provide any important information about the incident.

Any employee injuries or incidents must be reported to Accounting Department within 1 day of the injury.

1. Get Medical Care
2. Report your Injury to your Employer
3. See your Primary Treating Physician (PTP)

Any employee incident or injury needing medical attention beyond first aid, or resulting in lost time beyond the date of injury, will be considered a Workers Comp incident which must be treated through
