

## Get Started

Open An HSA

You are only a few steps away from opening your UMB Health Savings Account (HSA).

You will need to complete the following steps:

- Review the HSA eligibility requirements
- Read and accept the ESIGN agreement
- Review and accept the HSA Disclosure Documents
- [Designate a beneficiary](#)
- Enter your personal information into the secure HSA Enrollment Form
- Read and accept the Account Owner's Adoption and Enrollment Agreement
- Enrollment verification

After the enrollment process is complete, you will receive your UMB HSA Welcome Packet by mail in five to seven business days.

UMB is committed to protecting your privacy. All information provided during the enrollment process to UMB on our website uses the latest 128-bit encryption and Secure Socket Layer (SSL) technology to protect your data transmissions and ensure your privacy and security.

### Online Health Savings Account (HSA) Enrollment

Please enter your enrollment verification number to start the enrollment process. If you do not know your enrollment verification number, please contact your employer's benefit administrator if your employer is sponsoring your HSA. Otherwise, contact UMB Bank's HSA Support Center at (866) 293-9605 to obtain this information.
