

# NEED A CURE-ALL FOR DRUG COSTS?

**Drex**i  
An AMPS Company

## Meet Drex, the PBM that finds prescriptions at fair prices.

What if you knew exactly what you were paying for with no mark-ups or hidden fees? Drex, an AMPS company, is a non-traditional pharmacy benefits manager (PBM) that helps you find pharmaceutical drugs at fair prices.

### With Drex, you can:

-  Gain access to a premier, nationwide network of over 65,000 pharmacies
-  Search for prescription pricing and compare rates
-  Track prescription history
-  Make informed choices related to wellness
-  Access a secure portal with the ability to print an ID card
-  Get your pharmacy needs met 24/7

**Drex is rewriting the script on prescription pricing. .**

## FIND PRESCRIPTIONS.

Drex's Drug Search provides the best recommendations based on the combination of fair price and pharmacy location/distance.

## SAVE MONEY.

Drex maximizes savings by suggesting generic drug alternatives available. And with transparent, pass-through pricing, there are no hidden fees - only savings.

## STAY INFORMED.

Drex keeps an accurate record of medications and gives you real time access to claims data, helping you stay informed about your wellness.
