

2025 Benefits Guide

Welcome to iTalent Digital! This guide provides an overview of coverage choices and enrollment information so you can build the best benefits package for you and your family.

Benefits Overview & Eligibility Requirements

iTalent Digital is committed to providing exceptional benefits to our employees. Keeping in mind the unique and diverse needs of our employees, we have put together a benefits program that will help protect the personal and financial well being of you and your family.

Upon joining iTalent Digital your benefits begin on your date of hire. The plan and dependent elections that you make when you are hired or during annual open enrollment are effective for the entire calendar year unless you experience a qualifying event (marriage, birth, adoption, or loss of coverage).

iTalent Digital holds an annual open enrollment for a January 1st effective date. During that time, you can change your elections such as adding or removing your spouse/dependents and/or changing health plans.

If you experience a Qualifying Event, you must notify Human Resources within 30 days. Otherwise, you will be required to wait until the next open enrollment to change your elections.

Eligible Dependents

You may cover your dependents under many of the benefit plans as long as they are one of the following:

- Your spouse or registered domestic partner
- Your child(ren) up to age 26 regardless of student or marital status
- Your handicapped child(ren) regardless of age if incapable of self-sustaining employment, and if the handicap began before the limiting age

If you work 30 hours or more, you are eligible to enroll in the benefit plans.

How Do I Enroll in Benefits?

New hires will receive an email following orientation with a link to the Paycom system. Login instructions will be included in the email.

Within Paycom, you can enroll yourself and eligible dependents in the plans that fit you and your family best. For more information about the plans offered visit mybenefits.cc/italent/ to review plan designs, required notices, evidence of coverage, documents and more.

Please Note: Regardless if you are electing or declining benefits, you MUST log into Paycom to complete the process.

Medical Insurance

iTalent Digital is proud to offer medical benefits to all eligible employees through Kaiser Permanente and United Healthcare.

Kaiser Permanente: As a Kaiser member, you can receive medical care at any Kaiser facility. If you live in Southern California region, you will have to reach out to Kaiser customer service to request for separate member ID before accessing services in Southern California. The member ID you receive when you first enroll can be used to access services in Northern California region.

United Healthcare: Your PPO plans give you the ability to self-direct your care and, if you choose, see any doctor (including specialists) without a referral.

Kaiser Permanente and UHC Mobile App: The suite of mobile offerings provides members with access to digital ID cards, provider searches, lab test results, prescription refills, and doctor appointments — all from a hand-held device. Available in iPhone and Android apps.

Health Savings Account(HSA)

(Only available to employees enrolled in HDHP medical plan)

Health Savings Accounts (HSAs) are tax-advantaged medical savings accounts available to employees who are enrolled in a High Deductible Health Plan (HDHP). HSAs are owned by the individual. And, unlike a Flexible Spending Account (FSA), HSA funds roll over and accumulate year over year if not spent, with the ability to earn tax-free interest on the account. You may use the money in your HSA for eligible healthcare expenses and to help pay for costs associated with a qualifying HDHP. You can put aside up to \$4,300 in pre-tax dollars per year if you have health coverage just for yourself or \$8,550 if you have coverage for your family. At age 55, individuals can contribute an additional \$1,000.
