California Residents: When prompted to select your network, choose the network found on your ID Card.

Your provider network is Classic Network.

### **Pretreatment**

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

### **Open Enrollment**

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on November 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

### **Late Entrant Provision**

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

### **Section 125**

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

### **Domestic Partner**

California state law requires that coverage shall be provided to Registered Domestic Partners that is equal to, and subject to the same terms and conditions as, the coverage provided to a spouse. Registered Domestic Partner means a partner of the Insured as long as the partnership meets the requirements for such relationship as defined in Section 297 of the California Family Code or the functional equivalent registration of any other state or local jurisdiction.
