

A UnitedHealthcare Company

Summary of preventive care services benefit

UMR encourages you to obtain preventive care services and health screenings, as appropriate for your age, to help maintain or improve your health and achieve your health and wellness goals.

Most health plans typically cover preventive services at 100% as long as they are received in your health plan's network.

Always refer to your plan document for your specific coverage.

ALL MEMBERS

Preventive medicine for adults¹, all standard immunizations recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention (CDC)

ALL MEMBERS AT AN APPROPRIATE AGE AND/OR RISK STATUS MAY RECEIVE THE FOLLOWING SCREENINGS:

- Obesity
- Cholesterol level and lipids
- Colorectal cancer¹ for ages 45-plus
- Certain sexually transmitted diseases, including HIV
- Behavioral counseling to prevent skin cancer for young adults up to age 24
- Lung cancer with low-dose computer tomography
- Latent tuberculosis infection
