## 2025 Premiums and Benefits

#### **Medical**

Due to unexpectedly high claims for a second year in a row, Jireh received a medical increase from United Healthcare that was similar to 2024. Due to the increase in rates, Jireh will be moving to UMR for 2025 to maintain current benefits and contributions. HRA contributions will remain the same, which will continue to minimize the out of pocket costs for employees and their families.

#### **Solution**

Understanding the value our employees place on their benefits, we will be moving to UMR to maintain benefits, network access and costs. The current plans will still provide rich benefits with office copays covered by the HRA with an Out-of- Pocket Maximum below market. Combined with the Jireh HRA contribution, employees now have 2 excellent benefit options to choose from. You will still have access to the UHC Network of doctors that you have today.

Please make sure you go through the ADP online enrollment system to elect the plan that best meets your needs.

## **Common health terms**

#### **Copayment:**

A fixed amount of money you pay a provider for a covered visit or prescription

#### **Deductible:**

I JIVII

The amount you'll need to pay before your plan starts to pay for covered services

#### **Coinsurance:**

The percentage you pay as your share of a covered health care service

#### **Out-of-pocket limit:**

The most you could pay during a coverage period (usually 1 year) for your cost share of covered services. After you meet this limit, the plan will usually pay 100% of the allowed amount

#### justplainclear.com

For thousands of health care terms defined simply and clearly, this is your site.

### The preferred provider organization (PPO) plan

### Key features

Freedom to go to almost any doctor or hospital Not required to have a primary care doctor No referral needed to see a specialist

### Things to consider

You pay less when you use doctors in the plan's network

Prior authorization for some procedures and Rx

## **HRA Overview**

\$ + %

### Health reimbursement account (HRA)

• These dollars are used to help pay for your covered medical expenses, like office visits, lab work and tests.

#### Annual deductible

- You pay a yearly deductible before
- we start sharing the cost of covered health care you receive.
- The money in an HRA is used to help meet your deductible.

Major medical benefits (your percentage of the costs)

- After you meet your annual deductible, you pay a percentage or copay of the cost of your covered care.
- Once you pay the annual maximum for your percentage of the costs, the plan pays 100% for everything else that's covered the rest of the year.
