Please sign and return this authorization to The Benefits Center at the address above. You are entitled to receive a copy of this authorization. This authorization is designed to comply with the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule.

Authorization to Collect and Disclose Information (Not for FMLA Requests)

I authorize the following persons: health care professionals, hospitals, clinics, laboratories, pharmacies and all other medical or medically related providers, facilities or services, rehabilitation professionals, vocational evaluators, health plans, insurance companies, third party administrators, insurance producers, insurance service providers, consumer reporting agencies including credit bureaus, GENEX Services, LLC, The Advocator Group and other Social Security advocacy vendors, professional licensing bodies, employers, attorneys, financial institutions and/or banks, and governmental entities;

To disclose information, whether from before, during or after the date of this authorization, about my health, including HIV, AIDS or other disorders of the immune system, use of drugs or alcohol, mental or physical history, condition, advice or treatment (except this authorization does not authorize release of psychotherapy notes), prescription drug history, earnings, financial or credit history, professional licenses, employment history, insurance claims and benefits, and all other claims and benefits, including Social Security claims and benefits ("My Information");

To Unum Group and its subsidiaries, Unum Life Insurance Company of America, Provident Life and Accident Insurance Company and persons who evaluate claims for any of those companies ("Unum");

So that Unum may evaluate and administer my claims, including providing assistance with return to work. For such evaluation and administration of claims, this authorization is valid for two years, or the duration of my claim for benefits (to include any subsequent financial management and/or benefit recovery review), whichever is shorter. I understand that once My Information is disclosed to Unum, any privacy protections established by HIPAA may not apply to the information, but other privacy laws continue to apply. Unum may then disclose My Information only as permitted by law, including, state fraud reporting laws or as authorized by me

I also authorize Unum to disclose My Information to the following persons (for the purpose of reporting claim status or experience, or so that the recipient may carry out health care operations, claims payment, administrative or audit functions related to any benefit, plan or claim): any employee benefit plan sponsored by my employer; any person providing services or insurance benefits to (or on behalf of) my employer, any such plan or claim, or any benefit offered by Unum; or, the Social Security Administration. Unum will not condition the payment of insurance benefits on whether I authorize the disclosures described in this paragraph. For the purposes of these disclosures by Unum, this authorization is valid for one year or for the length of time otherwise permitted by law.

If I do not sign this authorization or if I alter or revoke it, except as specified above, Unum may not be able to evaluate or administer my claim(s), which may lead to my claim(s) being denied. I may revoke this authorization at any time by sending written notice to the address above. I understand that revocation will not apply to any information that Unum requests or discloses prior to Unum receiving my revocation request.
