

Save up to 40% when you rideshare to work via uberPOOL. That's more money back in your pocket every month.

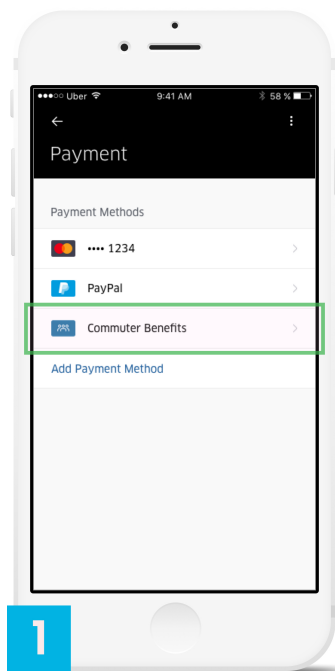

What is uberPOOL?

UberPOOL lets you share your ride, and share the cost, with other Uber riders. You'll know your fare before you even leave, and best of all, now you can pay for your ride with pre-tax money from your commuter account. It's a quick and comfortable alternative to mass transit and public transportation!

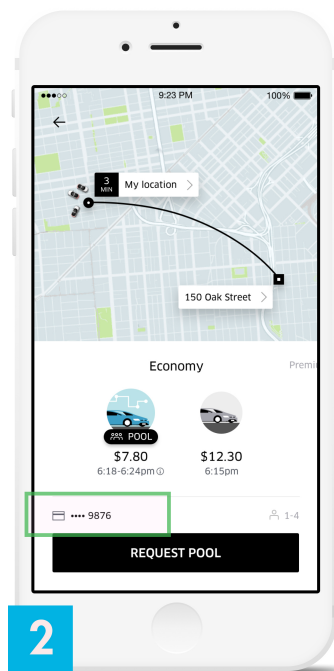

Where is uberPOOL available?

The uberPOOL program is currently available to TAG commuter participants in New York City, Washington D.C., Boston, Philadelphia, Atlanta, Denver, Miami, Las Vegas, New Jersey (state), San Francisco, Seattle, Los Angeles and San Diego.

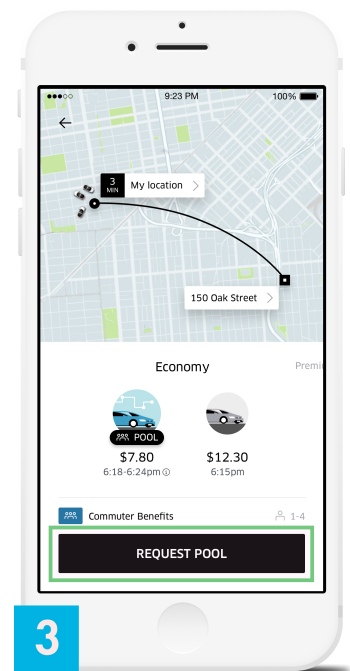

Using your Flex Benefits Card with uberPOOL:

Once you download the Uber app (available in the [App Store](#) and through [Google Play](#)), add your Flex Benefits Card as a payment option.

When you are ready to commute, select 'uberPOOL' in the vehicle selection slider. Be sure to choose your Flex Benefits Card as the payment option.

Request your uberPOOL ride and you'll be on your way to a more convenient, affordable commute!

All claims for uberPOOL expenses are subject to federal rules regarding qualified transportation benefits (Treas.Reg.1.132-9).
