

Plan Year  
**2024-2025**  
Summary of Dover  
**EMPLOYEE  
BENEFITS**

**About This Guide**

Novogradac & Company LLP provides comprehensive employee benefits as part of our total compensation program. Options in cost and plan design are intended to provide you with the opportunity to customize your benefit plan to meet your lifestyle and personal choices, while offering protection, flexibility and security to you and your family.

**There are no changes to the benefit plan offerings for the 2024 - 2025 plan year. Effective 10/1/2024, benefits will be offered through Aultcare, CIGNA, Guardian, and Guardian VSP.** The decisions you make regarding your enrollment in benefits deserve your careful consideration. Your choices will be in effect for the plan year. You will only be able to make changes during the plan year in the event of an IRS qualified

Family Status Change. Be sure to review the plan details and non-covered services and any restrictions on your choice of providers.

**Benefits Eligibility**

Regular employees working a minimum of 24 hours per week are eligible to enroll in the medical, dental, vision, basic life, disability insurance benefits and Commuter/Flexible Spending Accounts (FSA). You can enroll in all benefits (except long term disability insurance) on the first of the month following **date of hire**. Long term disability insurance begins on your first day of employment at Novogradac. Employees can enroll in the Health Care and Dependent Care FSA benefits once per year, effective January 1. Benefits-eligible employees who do not enroll at the time of their initial eligibility period have

the opportunity to enroll in our benefit plans during our annual open enrollment. You may make changes to your benefits, or add or drop your dependents during this time. Mid-year changes are not permitted unless you experience an IRS qualified Family Status Change. You must notify Human Resources within 30 days of a change in family status.

**Employee Costs for the 2024 - 2025 Plan Year**

Novogradac will continue to contribute the full cost of the “Employee Only” premium for one medical plan offering for this plan year. Effective 10/1/2024, there continues to be a generous level of employer contributions towards dependent premiums. Please refer to your Employee Contribution Worksheet for employee contribution amounts.
