Schedule of benefits

This schedule of benefits lists the **deductibles** and **copayments/coinsurance** that apply to the services you receive under this plan. You should review this schedule to become familiar with your **deductibles** and **copayments/coinsurance** and any limits that apply to the services.

How to read your schedule of benefits

- When we say:
  - "In-network coverage", we mean you get care from a **network provider**.
  - "Out-of-network coverage", we mean you can get care from **providers** who are not **network providers**.
- The **deductibles** and **copayments/coinsurance** listed in the schedule of benefits below reflect the **deductibles** and **copayment/coinsurance** amounts under your plan.
- You are responsible to pay any **deductibles, copayments,** and **coinsurance**.
- **The coinsurance** listed in the schedule of benefits reflects the plan **coinsurance** percentage. This is the **coinsurance** amount the plan pays. You are responsible for paying any remaining **coinsurance.**
- You are responsible for full payment of any health care services you receive that are not a **covered benefit**.
- This plan has maximums for specific **covered benefits**. For example, these could be visit, day or dollar maximums. They are combined maximums between **network providers** and **out-of-network providers** unless we state otherwise.
- At the end of this schedule you will find detailed explanations about your:
  - **Deductible**
  - **Maximum out-of-pocket limits**
  - Maximums

Important note:
All **covered benefits** are subject to the Calendar Year **deductible** and **copayment/coinsurance** unless otherwise noted in the schedule of benefits below.

To satisfy this family **deductible** limit for the rest of the Calendar Year, the following must happen:

- The combined **eligible health services** that you and each of your covered dependents incur towards the individual Calendar Year **deductibles** must reach this family **deductible** limit in a Calendar Year.

When this occurs in a Calendar Year, the individual Calendar Year **deductibles** for you and your covered dependents will be considered to be met for the rest of the Calendar Year.

See *How to read your schedule of benefit, important note about your cost sharing and important notice* at the beginning of this schedule of benefit

Upon request, you must submit a detailed explanation of benefits (EOB) showing the dates and amount of the **deductible** met from the prior coverage in order to receive the credit.

Copayments

Copayment

As it applies to in-network coverage, this is a specified dollar amount or percentage that must be paid by you at the time you receive **eligible health services** from a **network provider**. As it applies to in-network coverage, if **Aetna** compensates **network providers** on the basis of the reasonable amount, your percentage copayment is based on this amount.

Certain costs that you incur do not apply toward the **maximum out-of-pocket limit**. These include:

- All costs for non-covered services
- All costs for non-emergency use of the emergency room
- All costs incurred for non-urgent use of an **urgent care provider**
