

WELLNESS COVERAGE

Wishbone Pet Health Insurance keeps your pet protected for unforeseen accidents and illnesses, but that isn't the only cost pet parents face. Annual visits, vaccinations, dental care, and more; each visit adds up! These vet visits can get expensive, but they're also crucial to detect illness and disease early on.

Choose from two tiers of wellness coverage to maximize your savings and feel comfortable you're providing your pet with the most comprehensive care. Select our Pedigree or Best in Show plan when you enroll in a Wishbone policy. Your wellness coverage will be effective the same day as your policy.
