GENERAL PROVISIONS

The Contract and Limitation Of Authority

The entire contract between the Policyholder and Us consists of:

- The Policy;
- The Schedule of Premium Rates;
- This Certificate(s) which describe(s) the insurance for which Covered Persons are insured;
- Any attached riders, schedule of benefits or amendments; (5) and the application.

In the event of a conflict, the Policy shall reign.

We can amend the Policy at any time, without the consent of the insured Employees or any other person having a beneficial interest in it:

- Upon written request made by the Policyholder and agreed to by Us; or
- On any date Our obligation under the Policy with respect to the Policyholder, or under this Certificate with respect to You, is changed because of statutory or other regulatory requirements.

Upon request, You may obtain a copy of the Policy from Us.

If We amend this Certificate, except upon request made by You, We must give You written notice of such change. Any amendments to this Certificate will be without prejudice to any claim arising prior to the date of the change.

No person, except by a writing signed by the President, a Vice President or a Secretary of Guardian, has the authority to act for Us to:

- Determine whether any contract, policy or certificate is to be issued;
- Waive or alter any provisions of any contract or policy, or any of Our requirements;
- Bind Us by any statement or promise relating to the contract issued or to be issued; or
- Accept any information or representation which is not in a signed application.

Applicable Benefits

This Certificate may include multiple benefit options and types of benefits. You will only be covered for benefits if:

- They were previously selected in an enrollment form or other required form; and
- We have received any required premium.

If Proof of Insurability is required, You will not be covered unless You satisfy the Proof of Insurability requirements stated in the Certificate and Schedule of Benefits.

Incontestability

This Certificate is incontestable after two years from its date of issue, except for non-payment of premiums.

No statement in any application, made by You, or any dependent, will be used to contest the validity of Your insurance or to deny a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during Your lifetime.

If this Certificate replaces a plan Your Employer had with another insurer, We may rescind this Certificate based on misrepresentations or omissions made by Your Employer or You in a signed application for up to two years from the Effective Date of the Policy.

In the event Your insurance is rescinded, We will refund premiums paid for the periods such insurance is void. The premium paid by You will be sent to Your last known address on file with Your Employer or Us.

Physical Examination And Autopsy

We have the right to have a doctor of Our choice examine the person for whom a claim is being made under the Certificate as often as We feel is reasonably necessary. We also have the right to have an autopsy performed in the case of death where allowed by law. We will pay for all such examinations and autopsies.

Overpayment Recovery

If We overpay benefits, all such benefits must be repaid in full. We have the right to reduce the benefit or reduce any other benefits payable under this Certificate, toward recovery of any overpayment.

When Coverage Starts

For coverage to start, You must be fully capable of performing the major duties of Your regular occupation for the Employer and working the minimum required number of hours of an Employee in Your eligible class at 12:01 A.M. Standard Time for Your place of residence on Your scheduled Eligibility Date. If You are not fully capable of performing the major duties of Your regular occupation on Your scheduled Eligibility Date, We will postpone the start of Your coverage until You are so capable and working the minimum required number of hours of an Employee in Your eligible class for one full day, with the capacity to do so for one full week.

Your coverage will start on the scheduled Eligibility Date. Any part of Your coverage which is subject to Proof Of Insurability will not start unless You send such proof to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on Your approved Eligibility Date.

When Dependent Coverage Starts

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception shown below and to all of the other terms of this Certificate, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

Initial Dependents If You enroll Your Initial Dependents on or before Your Eligibility Date, the dependents' coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You enroll Your Initial Dependents within the Enrollment Period, their coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do not enroll Your Initial Dependents when they are first eligible, and enroll those Initial Dependents after the Enrollment Period ends, You must supply Proof Of Insurability and coverage will not start until We approve that proof in writing.

If an Initial Dependent becomes eligible after this Certificate's Effective Date, his or her coverage will start on the date We approve him or her for coverage.

If Dependent Proof of Insurability is required Subject to the Exception shown below, if Proof Of Insurability is required for dependent benefits, You must send Us the proof We require, and We must approve that proof in writing. Those benefits will then begin on the approved Eligibility Date.

If You must pay part of the cost of dependent coverage, We will not cover You for such coverage until You enroll each of Your dependents, agree to make the required payments, submit Proof Of Insurability and We approve that proof in writing.

Newly Acquired Dependents If You do not pay any part of the cost of dependent coverage, a Newly Acquired Dependent is covered from the date he or she first becomes eligible.

If You must pay part of the cost of dependent coverage, and are already enrolled for dependent child coverage for Your Initial Dependent children, any Newly Acquired Dependent children will be covered as of the date he or she is first eligible.

However, if You were previously eligible to enroll for dependent child coverage and waived coverage or failed to enroll, We will not cover any of Your dependent children until You submit Proof of Insurability and we approve that proof in writing and you make any additional required payments.

In that case, We will postpone the Eligibility Date of his or her coverage until the day after the date of his or her discharge from such facility or his or her home confinement ends.

If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan.

B401.1943

When Dependent Coverage Ends

Dependent coverage ends for all of Your dependents when:

- Your Employee coverage ends;
- You stop being a member of a class of Employees eligible for such coverage;
- This Certificate ends; or
- Dependent coverage is discontinued from this Certificate for all Employees or for Your class.

If You are required to pay part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an eligible dependent. For dependent children the coverage ends at 12:01 A.M. Standard Time for Your place of residence on the date the child attains this Certificate's age limit, or when a step-child is no longer dependent on You for at least 50% of their support and maintenance, or for Your disabled child who has reached the age limit, when he or she is no longer eligible under the Continuing Coverage for Dependent Children Past the Limiting Age provision.

EMPLOYEE TERM LIFE INSURANCE

B400.3211

Basic Term Life Insurance

If You die while covered for Group Term Life insurance, We will pay Your beneficiary the amount shown in the Schedule Of Benefits.

The Beneficiary You decide who receives this benefit when You die. You may designate a beneficiary by doing so in writing on a form and filing the form with the Employer.

You can change Your beneficiary at any time by providing written notice; unless You have assigned this insurance. But, the change will not take effect until We or the Employer records the change.

We will not be liable for any amounts paid before receiving notice of a beneficiary change.

In no event may a beneficiary be changed by a Power of Attorney.

If You named more than one person as a primary beneficiary, but You do not specify what shares each such primary beneficiary is entitled to receive, We will divide the benefits equally among all such named primary beneficiaries who survive You. If someone You named as a primary beneficiary dies before You, that person's share will be divided equally by the primary beneficiaries still alive; unless You have specified otherwise.

If You have named a contingent beneficiary or contingent beneficiaries, We will pay Your contingent beneficiary or contingent beneficiaries, if no primary beneficiary survives You. If there is more than one contingent beneficiary who is eligible for benefits, We will divide the benefits equally among all such named contingent beneficiaries who survive You; unless You have specified otherwise.

If there is no primary or contingent beneficiary or beneficiaries eligible for benefits when You die, We will pay this benefit as follows:

- To Your Spouse;
- If Your Spouse does not survive You, then to Your children who survive You in equal shares;
- If no Spouse or children survive You, then to Your parents who survive You in equal shares;
- If no Spouse, children, or parents survive You, then to Your brothers and sisters in equal shares;
- If none of the above parties survive You, then to Your executors or administrators of Your estate.

Assigning This Life Insurance If You assign this insurance, You permanently transfer all Your rights under this insurance to the assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- The assignment is in writing and signed by You; and
- A signed or certified copy of the written assignment has been received and approved by Us in writing.

Unless otherwise specified by You, the assignment shall take effect on the date the notice of assignment is signed by You, subject to any payments made or actions taken by Us prior to receipt of the notice.

We are not responsible for any legal, tax, or other effects of any assignment, or for any benefits We pay under this Certificate before We receive and approve any assignment. Assigning this life insurance may limit Your ability to exercise certain rider benefits.

We suggest You speak to Your lawyer before You make any assignment.

Payment Of Funeral Expenses We have the option of paying up to \$500 of this benefit to any person who incurred expenses for Your funeral.

Repatriation Benefit We will pay an extra sum for covered loss of life which occurs at least 75 miles from Your home. In that case, We will reimburse up to \$5,000 to any person who incurred expenses to prepare and transport Your body to a mortuary chosen by You or an authorized agent. The total repatriation benefit payable under Your life and AD&D contracts will not exceed \$5,000.

Voluntary Term Life Insurance

Subject to the limitations and exclusions shown below, if You die while covered for this Group Term Life insurance, We will pay Your beneficiary the amount shown in the Schedule Of Benefits for the plan of voluntary term life insurance You have elected. The voluntary term life insurance amount may be subject to reductions. These reductions are also shown in the Schedule Of Benefits. Your voluntary term life insurance amount, a part of it, or increases in such amount may not become effective until You submit Proof Of Insurability to Us, and We approve it in writing. These requirements are also shown in the Schedule Of Benefits.

B401.2790

All Options

Suicide Exclusion We pay no voluntary term life insurance benefits if Your death is due to suicide, and if such death occurs within 2 years from Your voluntary term life insurance effective date under this Certificate. And, We pay no increased voluntary term life insurance benefit amount if Your death is due to suicide, and if such death occurs within 2 years from the effective date of the increase.

If this Certificate replaces another voluntary Group Term Life insurance plan Your Employer had with another insurer, You will be given credit for the amount of time covered under the prior plan's Suicide Exclusion if:

- You were covered under the prior plan when it ended;
- You Enrolled for voluntary Group Term Life insurance under this Certificate on or before this Certificate's effective date; and
- You are Actively At Work on the effective date of this Certificate.

If You satisfy these conditions We will credit any time covered under the prior term life plan toward meeting this Certificate's 2 year Suicide Exclusion requirement.

However, We limit Your voluntary term life insurance benefit under this Certificate if it is more than the benefit for which You were insured under the prior term life plan. In this case, We limit the benefit to the amount You would have been entitled to under the prior term life plan.

The Beneficiary You decide who receives this benefit when You die. You may designate a beneficiary by doing so in writing on a form and filing the form with the Employer.

You can change Your beneficiary at any time by providing written notice; unless You have assigned this insurance. But, the change will not take effect until We or the Employer records the change.

We will not be liable for any amounts paid before receiving notice of a beneficiary change.

If You named more than one person as a primary beneficiary, but You do not specify what shares each such primary beneficiary is entitled to receive, We will divide the benefits equally among all such named primary beneficiaries who survive You. If someone You named as a primary beneficiary dies before You, that person's share will be divided equally by the primary beneficiaries still alive; unless You have specified otherwise.

If You have named a contingent beneficiary or contingent beneficiaries, We will pay Your contingent beneficiary or contingent beneficiaries, if no primary beneficiary survives You. If there is more than one contingent beneficiary who is eligible for benefits, We will divide the benefits equally among all such named contingent beneficiaries who survive You; unless You have specified otherwise.

If there is no primary or contingent beneficiary or beneficiaries eligible for benefits when You die, We will pay this benefit as follows:

- To Your Spouse;

- If Your Spouse does not survive You, then to Your children who survive You in equal shares;
- If no Spouse or children survive You, then to Your parents who survive You in equal shares;
- If no Spouse, children, or parents survive You, then to Your brothers and sisters in equal shares;
- If none of the above parties survive You, then to Your executors or administrators of Your estate.

CONVERTING THIS EMPLOYEE BASIC AND VOLUNTARY TERM LIFE INSURANCE

If Employment Or Eligibility Ends

Your group life insurance ends on the date:

- Your active Full-Time employment ends; or
- You stop being a member of an eligible class.

If Your group life insurance ends, Your Employer is responsible for providing You Notice of Your Right to Convert.

If You are not Totally Disabled, You can apply to convert Your Employee group basic and voluntary life insurance to a permanent life insurance policy.

You can apply to convert up to the full amount of basic and voluntary life insurance for which You were insured under this Certificate on the date Your insurance ended, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

If This Certificate Ends Or Group Life Insurance Is Discontinued

Your group life insurance also ends:

- If this Certificate ends; or
- Life insurance is discontinued from this Certificate for all Employees or for Your class.

If Your group life insurance ends for either of these reasons, You may apply to convert Your Employee group basic and voluntary life insurance to a Converted Policy.

You can apply to convert to a permanent life insurance policy, if

- You are not Totally Disabled; and
- You have been insured by a Guardian group life insurance plan or a group plan it replaces for at least five consecutive years.

However, the amount of life insurance that You can convert in either scenario is limited to the lesser of:

- \$2,000, or
- The amount of Your basic and voluntary life insurance under this Certificate, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

If You Are Totally Disabled

Your group life insurance ends on the date:

- Your active Full-Time employment ends;
- You stop being a member of an eligible class;
- This Certificate ends; or

- Life insurance is discontinued from this Certificate for all Employees or for Your class;

and

- You are Totally Disabled; and
- You are eligible for Waiver of Premium Benefits pursuant to the Waiver of Premium Benefit Rider, but You have not yet been approved for the Waiver of Premium of Benefit,

You can apply to convert Your group term life insurance to:

- A permanent life insurance policy; or
- Interim term life insurance coverage.

You can apply to convert up to the full amount of basic and voluntary life insurance for which You are insured under this Certificate on the date Your insurance ends, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

However, if You have coverage under this Certificate's Exception to When Employee Coverage Starts, You may not convert if You are eligible or could become eligible under the prior plan's waiver of premium provision.

If You have converted and are later approved for this Certificate's Waiver of Premium Benefit, the Converted Policy will be cancelled as of the date You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit.

Interim Term Life Insurance You may choose to apply to convert to interim term life insurance coverage if:

- You are Totally Disabled; and
- You may be eligible for Waiver of Premium Benefits based upon Your age, but You have not yet been approved for the Waiver of Premium Benefit.

If interim term life insurance coverage is issued to You, it can remain in force for up to one year from the date the interim term life insurance coverage goes into force and effect.

If You are approved for this Certificate's basic and voluntary Waiver of Premium Benefit during this year, the interim term life insurance coverage will be cancelled as of the date that You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit. If You have not been approved for this Certificate's basic and voluntary Waiver of Premium Benefit, the interim term life insurance coverage will end exactly one year from the first day said coverage goes into force and effect, and Your life insurance will be converted to a permanent life insurance policy. Premiums for the permanent life insurance policy will be based on Your age as of the date You convert from the interim term life insurance coverage.

If You are Totally Disabled, but You are not eligible for the Waiver of Premium Benefit based on Your age, You can apply to convert to a permanent life insurance policy.

How and When to Convert To obtain a Converted Policy, We must receive a written application fully completed by You, and all required premiums within the Conversion Period. Your Employer is responsible for providing You with Notice of Your Right to Convert within 15 days of the date Your group life insurance ends. We will not ask for proof that You are insurable. In order to obtain a Converted Policy, You must satisfy all conditions required to convert within the Conversion Period.

Coverage will begin under the Converted Policy when We receive:

- A written application fully completed by You; and
- All required premiums during the Conversion Period.

Death During The Conversion Period We will pay a death benefit equal to the amount of life insurance that could have been converted if:

- You die within the Conversion Period; and
- But for Your death, You would have been entitled to purchase a Converted Policy; and
- We receive Proof of Loss.

Any benefit payable under the group Certificate will be paid to the beneficiary You designate under the group Certificate. However, if the Converted Policy has already taken effect, any benefit payable under the Converted Policy will be paid to the beneficiary You designated for the individual life insurance on the application for conversion. Under no circumstances will a benefit be paid under both the group Certificate and the Converted Policy.

All Options

Portability And Conversion If You choose to convert, this Certificate's portability privilege will not be available. In the event that a person would be eligible to both convert and to port, only one of these privileges may be chosen. Coverage under both a Conversion Policy and a portable certificate of coverage at the same time is not permitted. You should read the entire Certificate, as well as any related materials carefully before making a choice.

In this case, We limit the benefit to the amount Your dependents would have been entitled to under the prior plan.

B400.3246

- You die.

Dependent term life insurance also ends when You stop being a member of a class of Employees eligible for dependent term life insurance.

Your Employer is responsible for notifying You or Your dependents of any conversion options available.

Your dependent may apply to convert up to the full amount of voluntary life insurance for which he or she was insured under this Certificate on the date his or her insurance ended to a permanent life insurance policy.

If This Certificate Ends Or Group Life Insurance Is Discontinued Dependent term life insurance also ends for all of Your dependents:

- If this Certificate ends; or
- Dependent life insurance is discontinued from this Certificate for all Employees or for Your class.

If Dependent term life insurance ends for either of these reasons, and any of Your dependents have been insured by a Guardian Group plan, or a group plan it replaces, for at least five consecutive years, each such dependent may apply to convert to a permanent life insurance policy.

However the amount that he or she can convert in either scenario is limited to the lesser of:

- \$2,000; or
- The amount of Your dependent's life insurance under this Certificate, less any group life insurance for which Your dependent becomes eligible in the 31 days after dependent life insurance under this Certificate ends.

Proof of Insurability Depending on the coverage selected, or as otherwise required in this Certificate, You, Your Spouse and/or Dependents may be required to supply proof that the person applying for coverage is insurable for the amount and type of coverage selected. This requirement is called Proof of Insurability. For purposes of this section, any person applying for coverage requiring Proof of Insurability is referred to as "Applicant."

To determine if the Applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability is required to complete and submit to Us an Enrollment/Change form. We may also require the completion of additional forms so that We may determine whether the Applicant is insurable, according to Our underwriting standards for the amount and type of coverage applied for. To determine if the Applicant is insurable, We may also need to obtain and review the Applicant's

- Health and medical history;
- Prescription history;
- Records relating to treatment, diagnostic testing, hospitalization, and
- Records pertaining to Applicant's driving and motor vehicle history.

No coverage requiring Proof of Insurability will become effective unless and until it is approved by Us in writing. Our receipt of any premiums associated with coverage requiring Proof of Insurability does not waive or modify any requirement that must be satisfied for coverage to begin, including but not limited to the requirement that the Applicant submit Proof of Insurability. In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums.

The Policyholder, or its designee, must give Us complete and accurate information so that we may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and
- Any other information required so that Guardian may meet its obligations under the Policy.

Proof Of Insurability Requirements

Proof Of Insurability requirements apply to Basic Term Life Insurance. Such requirements may apply to the full insurance amount, or just part of it, as outlined below. When Proof Of Insurability requirements apply, it means You must submit to Us Proof that You are insurable, and We must approve the Proof in writing before the insurance, or the specified part becomes effective.

We require Proof of Insurability as follows:

If You:

- Do not meet this Policy's enrollment requirement within 30 days after You first become eligible; or
- Enroll after You previously had coverage which ended because You failed to make a required payment,

We will require that You provide Proof Of Insurability. And, You will not be covered until We approve that proof in writing.

If Your Active Full-Time Work ends before You meet any Proof Of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company.

SUPPLEMENTAL RIDER - Accelerated Life Benefit

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

Note: This benefit is not available for retirees.

Employee Accelerated Basic and Voluntary Life Benefit

IMPORTANT NOTICE: USE OF THIS BENEFIT MAY HAVE TAX IMPLICATIONS. IT MAY ALSO AFFECT GOVERNMENT BENEFITS OR CLAIMS OF CREDITORS. YOU SHOULD CONSULT YOUR TAX OR FINANCIAL ADVISOR BEFORE YOU APPLY FOR THIS BENEFIT.

THE AMOUNT OF YOUR GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT.

Accelerated Life Benefit

You may be eligible for an Accelerated Life Benefit if you meet the following conditions:

- You have a Terminal Condition;
- You supply the required written proof of Your Terminal Condition (see "Notice of Claim");
- You apply for this benefit in writing while living and before You attain age 60. If You are unable to request this benefit yourself, Your legal representative may request it on Your behalf.

This benefit is a payment of part of Your Group Term Life Insurance made to You before death. You may use this benefit in any way You choose, subject to the restrictions stated below.

If You qualify for the Accelerated Life Benefit, We will subtract the Gross Amount paid to You as an Accelerated Life Benefit from the amount of Your Group Term Life Insurance under the Certificate. The remaining amount of Group Term Life Insurance is permanently reduced by the Gross Amount of this benefit.

You may only receive one Employee Accelerated Life Benefit during Your lifetime. This benefit does not have to be repaid, even if You:

- Live longer than 12 months from the date We receive Your request for this benefit; or
- Recover from the Terminal Condition.

However, the amount of this benefit will not be restored to Your remaining Group Term Life Insurance. And, You may not receive another Accelerated Life Benefit under any circumstances and even if You:

- Have a relapse; or

- You are subsequently diagnosed as having another Terminal Condition.

Benefit Amount For The Accelerated Life Benefit The amount of the Accelerated Life Benefit for which You may apply is based on the amount of group term life insurance for which You are insured on the day before You apply for the benefit subject to the following minimum and maximum amounts.

The minimum benefit amount is the lesser of: (1) \$10,000.00; or (2) 75% of Your amount of Group Term Life Insurance.

The maximum benefit amount is the lesser of: (1) \$250,000.00; or (2) 75% of Your amount of Group Term Life Insurance.

Discount The amount of the Accelerated Life Benefit which is available to You is discounted to the present value in 12 months from the date this benefit is paid. The discount is based on the maximum adjustable policy loan interest rate permitted in the state in which the group policy is delivered.

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is available from Us on request.

Payment Of The Accelerated Life Benefit If We approve Your request for this benefit, We pay the amount You have elected, less the present value discount. We pay this benefit to You in one lump sum. This payment is subject to all of the other terms of the Certificate.

Notice of Claim You must send Us written proof from a Doctor who is operating within the scope of his or her license that You have a Terminal Condition. We must approve such proof in writing before this benefit is paid.

Physical Examinations We may have You examined by a Doctor of Our choice to determine whether the Terminal Condition exists. We will pay the cost of such exam.

If We approve Your request to receive this benefit, We will provide You with a statement along with Your benefit payment which shows:

- The amount of the Accelerated Life Benefit You requested;
- The amount of the present value discount;
- The amount of Your Accelerated Life Benefit check; and
- The remaining amount of Your Basic and Voluntary Life Insurance coverage.

Even if You have been approved for a waiver of premium benefit under this Certificate, You may still apply for an Accelerated Life Benefit. But, if You convert Your Group Term Life Insurance, the terms of the converted life policy will apply. Any amount to which You could otherwise convert is permanently reduced by the gross amount of Your Accelerated Life Benefit.

If You Have Assigned Your Group Term Life Insurance If You have already assigned Your Group Term Life Insurance, or any portion thereof, You cannot apply for an Accelerated Life Benefit.

If You Are Legally Incompetent If You are not legally competent, Your lawful guardian, conservator, legal representative, or any person or fiduciary with the lawful authority to act on Your behalf or handle Your affairs may apply for the Accelerated Life Benefit on Your behalf.

Your Remaining Group Term Life Insurance The remaining amount of Your Group Term Life Insurance after You receive an Accelerated Life Benefit payment is subject to any increases or reductions that would otherwise apply to Your insurance. Applicable reductions are applied to the amount of Group Term Life Insurance for which You were insured on the day before the date You applied for the Accelerated Life Benefit.

If Your Life Benefit is scheduled to reduce within 12 months of the date You apply for the Accelerated Life Benefit, any applicable reduction will also be applied to Your Accelerated Benefit amount.

The premium cost of Your remaining insurance is based on the amount of Group Term Life Insurance for which You were insured on the day before the date You applied for the Accelerated Life Benefit.

The total amount of Group Term Life Insurance Your beneficiary would otherwise receive on Your death is reduced by the Gross Amount of the Accelerated Life Benefit.

If You die after applying, and were eligible, for the Accelerated Life Benefit, but before We send You the benefit, Your beneficiary will receive the full amount of Group Term Life Insurance for which You were insured on the day before the date You applied for the Accelerated Life Benefit.

Restrictions We will not pay an Accelerated Life Benefit if:

- Your coverage under the Certificate ends for any reason after You apply for the Accelerated Life Benefit, but before We pay such benefit;
- You are required by law to use the proceeds of the Group Term Life Insurance from the Certificate to meet the claims of creditors, whether or not You are in bankruptcy;
- You are required by court order to pay all or part of the proceeds of the Group Term Life Insurance from the Certificate to another person; or
- You are required by a government agency to use the payment to apply for, receive or maintain a governmental benefit or entitlement.

SUPPLEMENTAL RIDER - Waiver of Premium Benefit

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

**Employee Basic and Voluntary Term Life Insurance
Waiver Of Premium Benefit**

Important Notice This rider applies to Your Basic and Voluntary term life insurance. It does not apply to any of Your dependent life insurance under the Certificate. To continue dependent life insurance, You must convert Your dependent coverage. See "Converting This Dependent Term Life Insurance" for details.

If You Are Disabled If You are Totally Disabled, and meet the requirements in "How And When To Apply," We will extend Your Basic and Voluntary life insurance without payment of premiums from You or the Employer in an amount equal to the amount of Basic and Voluntary life insurance for which You are insured on Your last day of Active Work.

How And When To Apply To apply for this benefit, You must submit, while living, written medical proof of Your Total Disability satisfactory to Us within one year of the start of that disability. Any claim filed after one year from the start of Total Disability will be denied, unless We receive written proof that:

- You lacked the legal capacity to file the claim; or
- It was not reasonably possible for You to file the claim within the required period of time.

To be approved for this benefit, You must:

- Become Totally Disabled before You reach age 60 and while insured by the Certificate; and
- Remain Totally Disabled for at least 9 months in a row.

You should apply for this benefit immediately at the start of Your Total Disability.

Continued Proof For Waiver of Premium Benefit We may require written proof that You remain Totally Disabled and receive regular Doctor's care to maintain this benefit. This proof must be given to Us within 30 days of the date We request it.

We can also require that You take part in a medical assessment by a medical professional of Our choice as often as We feel is reasonably necessary during the first 2 years We have waived Your life insurance premiums pursuant to the Rider. After 2 years, We cannot have You examined more than once a year.

Until You Have Been Approved For This Benefit If Your life insurance under the Certificate ends after You have become Totally Disabled and applied for Waiver of Premium Benefits, but before We have approved You for this benefit, You may:

- Continue to pay your group premium payments, including any part which would have been paid by the Employer, until You are approved or declined for this benefit; or
- Apply to convert to an individual permanent or term life insurance policy.

Please read "Converting This Employee Basic and Voluntary Term Life Insurance" for details on how to convert.

Converting Your life insurance does not stop You from claiming Your rights under this section. But, if You apply to convert and obtain a policy, and We later approve You for this benefit, We will cancel the converted policy on the date We approve You for this Benefit. See "Converting This Employee Basic and Voluntary Term Life Insurance" for details on how We do this. Once You are approved for this benefit, Your insurance under the Certificate will be reinstated at no further cost to You or the Employer.

If You are declined for the Waiver of Premium benefit, You will have the option to apply to convert to an individual permanent or term life insurance policy. If You do not convert within 31 days of the date You are declined for the Waiver of Premium benefit, and You have not returned to Active Work, Your coverage will end.

If the Certificate terminates before You are approved If this group Certificate terminates and You are Totally Disabled and eligible, but not yet approved, for this Waiver of Premium benefit, You must apply to convert to an individual permanent or term policy, and remain insured under such policy until You are approved by Us for the Waiver of Premium benefit.

When This Waiver Begins Once approved by Us, Your Waiver of Premium benefit will be effective on the date following the day You have been Totally Disabled for 9 months in a row.

When This Waiver Ends Your Waiver of Premium benefit will end on the earliest of:

- The date You are no longer Totally Disabled;
- The date We ask You to be examined by Our Doctor, and You refuse;
- The date You do not give Us the proof of Total Disability We require;

- The date You are no longer receiving regular Doctor's care appropriate to the cause of Your claimed Total Disability;
- The day before the date You reach age 65.

If Your Waiver of Premium Benefit ends and You do not return to Active Work, You will have the option to convert the Employee Basic and Voluntary life insurance that was in effect on the date the Waiver of Premium Benefit ends.

Please read "Converting This Employee Basic and Voluntary Term Life Insurance" for details on how to convert.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America

10 Hudson Yards
New York, New York 10001
(212) 598-8000

Your group term life insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Life Insurance Claims Procedure If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with the authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has the authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

Timing for Initial Benefit Determination of Life Insurance Claims The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

Adverse Benefit Determination of Life Insurance Claims

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures; and
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination.

All Options

Appeals of Adverse Determinations of Life Insurance Claims

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits; and
- Provide a statement describing any voluntary appeal procedures offered by the Plan, the claimant's right to obtain information about such procedures, and a statement that the claimant's right to bring an action under ERISA section 502(a).

Waiver of Premium If you apply for an extension of life insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

Timing For Initial Benefit Determination for Waiver of Premium The benefit determination period begins when claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

B997.0240

All Options

Appeals of Adverse Determinations for Waiver of Premium If a claim for Waiver of Premium is denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;

- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, provide an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you, and vocational professionals who evaluated you;
- If applicable, provide an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, provide an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;

- Provide a statement describing the claimant's right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S. Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.

When Dependent Coverage Starts

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception shown below and to all of the other terms of this Certificate, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

Initial Dependents If You enroll Your Initial Dependents on or before Your Eligibility Date, the dependents' coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You enroll Your Initial Dependents within the Enrollment Period, their coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do not enroll Your Initial Dependents when they are first eligible, and enroll those Initial Dependents after the Enrollment Period ends, You must supply Proof Of Insurability and coverage will not start until We approve that proof in writing.

If an Initial Dependent becomes eligible after this Certificate's Effective Date, his or her coverage will start on the date We approve him or her for coverage.

If Dependent Proof of Insurability is required Subject to the Exception shown below, if Proof Of Insurability is required for dependent benefits, You must send Us the proof We require, and We must approve that proof in writing. Those benefits will then begin on the approved Eligibility Date.

If You must pay part of the cost of dependent coverage, We will not cover You for such coverage until You enroll each of Your dependents, agree to make the required payments, submit Proof Of Insurability and We approve that proof in writing.

Newly Acquired Dependents If You do not pay any part of the cost of dependent coverage, a Newly Acquired Dependent is covered from the date he or she first becomes eligible.

However, if You were previously eligible to enroll for dependent child coverage and waived coverage or failed to enroll, We will not cover any of Your dependent children until You submit Proof of Insurability and we approve that proof in writing and you make any additional required payments.

- Your Employee coverage ends;
- You stop being a member of a class of Employees eligible for such coverage;

If You are required to pay part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an eligible dependent. For dependent children the coverage ends at 12:01 A.M. Standard Time for Your place of residence on the date the child attains this Certificate's age limit, or when a step-child is no longer dependent on You for at least 50% of their support and maintenance, or for Your disabled child who has reached the age limit, when he or she is no longer eligible under the Continuing Coverage for Dependent Children Past the Limiting Age provision.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America

10 Hudson Yards
New York, New York 10001
(212) 598-8000

Your group term accidental death and dismemberment insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. Accidental Death and Dismemberment Insurance Claims Procedure If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with the authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has the authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial
Benefit
Determination of
Accidental Death
and
Dismemberment
Insurance Claims**

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

**Adverse Benefit
Determination of
Accidental Death
and
Dismemberment
Insurance Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- Identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement, that a copy of such information will be provided to the claimant free of charge upon request;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

Appeals of Adverse Determinations of Accidental Death and Dismemberment Insurance Claims

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;

- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Waiver of Premium If you apply for an extension of accidental death and dismemberment insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

Timing For Initial Benefit Determination for Waiver of Premium The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;

- A statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you and vocational professionals who evaluated you;
- If applicable, an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

- Provide a statement describing the claimant's right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S. Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.

Conditions of Eligibility

You are eligible for Critical Illness coverage if You are;

- Legally working in the United States, or working outside of the United States for a United States based employer in a country or region approved by Us; and
- Regularly working at least the number of hours in the normal work week set by the Employer (but not less than 30 hours per week) at: (1) the Employer's place of business; (2) some place where the Employer's business requires You to travel; or (3) any other place You and the Employer have agreed upon for the performance of occupational duties.

You are **not** eligible for Critical Illness coverage if You are a temporary or seasonal Employee.

When Employee Coverage Starts

Your eligibility date is the date You have met all of the conditions of eligibility.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not be scheduled to start until You send Us Proof of Insurability. Once We have approved such Proof of Insurability, Your coverage is scheduled to start on the effective date shown in the endorsement section of Your evidence of insurability form.

Any part of Your coverage which is subject to Proof of Insurability will not start unless You send such Proof of Insurability to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on the effective date shown in the endorsement section of Your evidence of insurability form. If Your active service ends before You meet any Proof of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company.

On the date all or part of Your coverage is scheduled to start, You must be: (1) Actively At Work; (2) fully capable of performing the major duties of Your regular occupation; and (3) working Your regular number of hours. In that case, Your coverage will start at 12:01 A.M. Standard Time for Your place of residence on that date. In any other case, We will postpone the start of Your coverage until the date You: (a) return to Active Work; (b) are working Your regular number of hours; and (c) are fully capable of performing the major duties of Your regular occupation. Sometimes, a scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; during a layoff of less than 180 days in duration; during an approved leave of absence not due to sickness or injury, of 90 days or less; or on a day during a period of absence that is less than 7 days in duration; and if: (a) You were fully capable of performing the major duties of Your regular occupation for the Employer on a full-time basis at 12:01 AM Standard Time for Your place of residence on the scheduled effective date; and (b) You were performing the major duties of Your regular occupation and working Your regular number of hours on Your last regularly scheduled work day; Your coverage will start on the scheduled effective date.

Delayed Effective Date For Voluntary Critical Illness Coverage: If You are not Actively At Work on the date Your Voluntary Critical Illness coverage is scheduled to start due to Sickness or Injury, We will postpone coverage for an otherwise covered loss due to that Sickness or Injury. We will postpone such coverage until You complete ten days in a row without missing a work day due to that Sickness or Injury in which You are: (1) Actively At Work; (2) fully capable of performing the major duties of Your regular occupation; and (3) working Your regular number of hours. Coverage for an otherwise covered loss due to all other conditions will start on the date You are: (a) Actively At Work; (b) fully capable of performing the major duties of Your regular occupation; and (c) working Your regular number of hours.

Exception to When Employee Coverage Starts: If You are not capable of performing the major duties of Your regular occupation for Your Employer on a full-time basis on the date Your coverage is scheduled to start, You will be insured for Critical Illness insurance if:

1. You were insured under the prior insurer's group critical illness policy at the time of the transfer;
2. You are a member of an eligible class; and
3. premiums for You were paid up to date; and
4. You are not receiving or eligible to receive benefits under the prior insurer's group critical illness policy.

Any Critical Illness benefit payable will be the lesser of:

2. the critical illness benefit payable under the prior insurer's group critical illness policy had it remained in force.

The Critical Illness benefit payable will be reduced by any amount paid by the prior insurer's group critical illness policy.

All other provisions under this Policy will apply under the Exception to When Employee Coverage Starts.

You will remain insured under this provision until the first to occur of:

1. the date You are fully capable of performing the major duties of Your regular occupation for Your Employer on a full-time basis;
2. the date insurance terminates for one of the reasons stated in When Employee Coverage Ends;
3. the last day of a period of 12 consecutive months which begins on the Policy effective date; or

Your Right to Continue Critical Illness Coverage During a Family Leave of Absence

Important Notice: This section may not apply to Your Employer's Certificate. You must contact Your Employer to find out if he or she must allow for a family leave of absence under federal law. If he or she must allow for such leave, this section applies.

If Your Coverage Would End: Your Critical Illness coverage would normally end because You cease work due to an approved leave of absence. But, You may continue Your coverage if the leave has been granted to: (1) allow You to care for a seriously injured or ill spouse, child or parent; (2) after the birth or adoption of a child; (3) due to Your own serious health condition; or (4) because of a serious injury or illness arising out of the fact that Your spouse, child, parent or next of kin who is a covered service member is on active duty, or has been notified of an impending call or order to active duty, in the Armed Forces in support of a contingency operation. To continue Your coverage, You will be required to pay the same share of the premium as You paid before the leave of absence.

When Continuation Ends: Continued coverage will end on the earliest of the following:

- The date You return to Active Work.
- In the case of a leave granted to You to care for a covered service member, the end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to You under this section for all reasons. If You take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case, the end of a total leave period of 12 weeks in any 12 month period.
- The date on which coverage under Your Employer's Certificate is terminated or You are no longer eligible for coverage under this Certificate.
- The end of the period for which premium has been paid.

Dependent Critical
Illness** Your eligible dependents are Your spouse and unmarried dependent children from birth until they reach age 26.

B005.0080

All Options

Adopted Children and Step-Children

Your "unmarried dependent children" include Your legally adopted children, and Your step-children, including adopted children and step-children of your Domestic Partner. But, Your step-children must depend on You for most of their support and maintenance. We treat a child as legally adopted from the time the child is placed in Your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

B007.0282

All Options

Dependents Not Eligible

We exclude any dependent who is on active duty in any armed force. And, We exclude any dependent who is covered by this Certificate as an Employee.

A child may be an eligible dependent of more than one Employee who is insured under this Certificate. In that case, the child may be insured for dependent Critical Illness benefits by only one Employee at a time.

B007.0283

Handicapped Children

You may have an unmarried child who is: (a) incapable of self-sustaining employment by reason of a mental or physical handicap or developmental disability; and (b) chiefly dependent upon You for support and maintenance. In that case such a child may remain eligible for dependent benefits past the age limit subject to the conditions shown below.

- His or her condition started before he or she reached the age limit.
- He or she became covered for dependent Critical Illness benefits before he or she reached the age limit, and remained continuously covered until he or she reached the age limit.
- He or she stays unmarried and remains: (i) incapable of self-sustaining employment; and (ii) dependent upon You for most of his or her support and maintenance.
- You send Us written proof, and We approve such proof, of the child's disability and dependence within 31 days from the date he or she reaches the age limit. After the two year period following the child's attainment of the age limit, We can ask for periodic proof that the child's condition continues, but We cannot ask for this proof more than once a year.

The child's coverage ends when Your coverage ends.

B005.0067

Proof of Insurability

We require Proof of Insurability that a dependent is insurable if You: (1) enroll a dependent who was previously declined or would have been considered a late enrollee under a group critical illness coverage plan providing dependent coverage which this Certificate replaced; (2) enroll a dependent and agree to make the required payments after the end of the Enrollment Period.

A dependent is not covered by any part of this Certificate that requires such Proof of Insurability until You give Us this Proof of Insurability and We approve it in writing.

If Your dependent coverage ends for any reason, including failure to make the required payments, Your dependent will not be covered by this Certificate again until You give Us new Proof of Insurability that they are insurable and We approve that Proof of Insurability in writing.

B007.0287

All Options

When Dependent Coverage Starts

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception below and to all of the other terms of this Certificate, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments. If You do this on or before Your Eligibility Date, the dependent's coverage is scheduled to start on the later of Your eligibility date and the date you become covered for Employee coverage.

If You do this within the Enrollment Period, the coverage is scheduled to start on the date You become covered for Employee coverage.

If You do this after the Enrollment Period ends, Your dependent coverage is subject to Proof of Insurability and will not start until We approve that Proof of Insurability in writing.

Once You have dependent child coverage for Your Initial Dependent child(ren) any Newly Acquired Dependent children will be covered as of the date he or she is first eligible.

If Proof of Insurability is required for dependent benefits as explained above, those benefits will not be scheduled to start until You give Us Proof of Insurability that the dependent is insurable. Once We have approved that Proof of Insurability, those benefits will be scheduled to start on the effective date shown in the endorsement section of Your application.

Exception We will postpone the effective date of a dependent's, other than a newborn child's, coverage if, on that date, he or she is: (1) confined to a hospital or other health care facility or (2) home confined. In that case, We will postpone the effective date of his or her coverage until the day after the date: (a) of his or her discharge from such facility or (b) his or her home confinement ends. If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan.

B007.0289

When Dependent Coverage Ends

Dependent coverage ends for all of Your dependents when Your Employee coverage ends. Dependent coverage also ends for all of Your dependents when You stop being a member of a class of Employees eligible for such coverage. And, it ends when this Certificate ends, or when dependent coverage is dropped from this Certificate for all Employees or for Your class.

If You are required to pay all or part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

Your dependent's coverage ends when he or she stops being an eligible dependent. This happens to a child at 12:01 A.M. on the date the child attains this Certificate's age limit, when he or she marries, or when a step-child is no longer dependent on You for support and maintenance. It happens to a spouse: (1) when a marriage ends in legal divorce or annulment; and (2) at 12:01 A.M. on the date the spouse reaches the limiting age, if applicable.

Critical Illness Benefits

This Certificate will pay a benefit based on the benefit amount for which a Covered Person is covered. The benefit will be subject to all of the terms of this Certificate.

This Certificate only pays benefits for the occurrence of the Critical Illnesses listed and defined in the Covered Critical Illnesses section below.

Each Critical Illness must occur while the Covered Person is covered by this Certificate. This Certificate deems each Critical Illness to occur on the date described for each Critical Illness in the Covered Critical Illnesses section below.

Where one Critical Illness results from another Critical Illness, only one benefit is payable. We will pay the greater of the benefits payable. If the amount payable for each Critical Illness is the same, You may choose which benefit to receive.

This Certificate may pay a different level of benefits for the First Occurrence and the Recurrence of a Critical Illness. For some Critical Illnesses we pay no benefits for a Recurrence. The benefit levels are shown in the Schedule of Benefits.

By First Occurrence We mean the first time a Covered Person is Diagnosed with a Critical Illness while insured by this Certificate. CERTIFICATE RIDER - Portability Privilege

Effective on the latter of (i) the original effective date of the Policy; or (ii) the effective date of any applicable amendment requested by the Policyholder and approved by the Insurance Company, this rider amends this Certificate by the addition of the following:

PORTABILITY PRIVILEGE

Definition: As used in this provision, the terms "port" and "to port" mean to choose a portable certificate of coverage which provides group Critical Illness coverage.

Portability Conditions: Portability is subject to all of the Conditions described below.

- You may port if Your coverage under this Certificate ends because: (1) You have terminated employment; (2) You stop being a member of an eligible class of Employees; or (3) the Policy providing this coverage ends.
- You may **not** port Your coverage if You have reached Your 70th birthday on the date coverage under this Certificate ends.
- You may **not** port coverage for any of Your dependents if he or she has reached his or her 70th birthday on the date coverage under this Certificate ends.

Portability Options: You may port Your Critical Illness coverage, subject to any benefit amount reductions based on age, less the amount of any Critical Illness benefits paid by this Certificate.

You may port Your dependent's Critical Illness coverage, subject to any benefit amount reductions based on Your age, less the amount of any Critical Illness benefits paid by this Certificate.

You may port: (1) Your coverage only; (2) Your coverage and coverage of Your covered Spouse; (3) Your coverage and the coverage of all of Your covered dependents; or (4) if You are a single parent, Your coverage and the coverage of all of Your covered dependent children. No other combinations will be allowed.

A dependent must be covered as of the date Your coverage under this Certificate ends in order to be eligible for portability.

If You die while covered for dependent Critical Illness coverage, Your Spouse may port Your dependent Critical Illness coverage as described above. Your Spouse and dependent children must be covered under this Certificate on the date of Your death. But, this option is not available if: (1) there is no surviving Spouse; or (2) Your surviving Spouse has reached his or her 70th birthday on the date of Your death.

The Portable Certificate of Coverage: The portable certificate of coverage provides group Critical Illness. The benefits provided by the portable certificate of coverage are the same as the benefits provided by this Certificate. The portable certificate provides seamless coverage. Benefit limits, maximums and timeframes do not reset when someone becomes covered under the portable certificate. The premium for the portable certificate of coverage will be based on: (1) the Covered Person's rate class under this Certificate; and (2) Your surviving Spouse's age bracket as shown in the Critical Illness Portability Coverage Premium Notice.

How to Port: You or Your surviving Spouse must: (1) apply to Us in writing; and (2) pay the required premium. CERTIFICATE AMENDMENT - ELIGIBILITY FOR CRITICAL ILLNESS COVERAGE

Effective on the latter of (i) the original effective date of the Policy; or (ii) the effective date of any applicable amendment requested by the Policyholder and approved by the Insurance Company, this rider amends the Certificate by replacing the following sections:

Conditions of Eligibility

Proof of Insurability: Part or all of Your insurance amounts may be subject to Proof of Insurability. The Schedule of Benefits explains if and when We require Proof of Insurability. You will not be covered for any amount that requires such Proof of Insurability until You give the Proof of Insurability to Us and We approve that Proof of Insurability in writing.

If You elect to enroll within 31 days after Your Eligibility Date, coverage is scheduled to start on Your Eligibility Date.

If You do not elect this coverage within 31 days of Your Eligibility Date, You must answer health questions, or wait until the next scheduled group enrollment period. Once each year, during the group enrollment period, You may elect to enroll in this coverage as offered by the Employer. As used here, "group enrollment period" means an annual open enrollment period set by the Employer and agreed to by Us. If You elect to enroll outside of the group open enrollment period, You must provide Proof of Insurability by answering health questions, or wait until the next group enrollment period.

If Proof of Insurability is required, You will not be covered by this Certificate until We approve that Proof of Insurability in writing and notify You of Your effective date of coverage.

When Employee Coverage Starts

Your eligibility date is the date You have met all of the conditions of eligibility.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not be scheduled to start until You send Us Proof of Insurability or until You enroll during the next group enrollment period. If Proof of Insurability is required, You will not be covered by this Certificate until We approve that Proof of Insurability in writing and notify You of Your effective date of coverage.

If Your active service ends before You meet any Proof of Insurability requirements that apply, You will still have to meet those requirements if You are later re-employed by the Employer or an associated company.

On the date all or part of Your coverage is scheduled to start, You must be: (1) Actively At Work; (2) fully capable of performing the major duties of Your regular occupation; and (3) working Your regular number of hours. In that case, Your coverage will start at 12:01 A.M. Standard Time for Your place of residence on that date. In any other case, We will postpone the start of Your coverage until the date You: (a) return to Active Work; (b) are working Your regular number of hours; and (c) are fully capable of performing the major duties of Your regular occupation. Sometimes, a scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; during a layoff of less than 180 days in duration; during an approved leave of absence not due to sickness or injury, of 90 days or less; or on a day during a period of absence that is less than 7 days in duration; and if: (a) You were fully capable of performing the major duties of Your regular occupation for the Employer on a full-time basis at 12:01 AM Standard Time for Your place of residence on the scheduled effective date; and (b) You were performing the major duties of Your regular occupation and working Your regular number of hours on Your last regularly scheduled work day; Your coverage will start on the scheduled effective date.

Delayed Effective Date For Voluntary Critical Illness Coverage: If You are not Actively At Work on the date Your Voluntary Critical Illness coverage is scheduled to start due to Sickness or Injury, We will postpone coverage for an otherwise covered loss due to that Sickness or Injury. We will postpone such coverage until You complete ten days in a row without missing a work day due to that Sickness or Injury in which You are: (1) Actively At Work; (2) fully capable of performing the major duties of Your regular occupation; and (3) working Your regular number of hours. Coverage for an otherwise covered loss due to all other conditions will start on the date You are: (a) Actively At Work; (b) fully capable of performing the major duties of Your regular occupation; and (c) working Your regular number of hours.

Exception to When Employee Coverage Starts: If You are not capable of performing the major duties of Your regular occupation for Your Employer on a full-time basis on the date Your coverage is scheduled to start, You will be insured for Critical Illness insurance if:

1. You were insured under the prior insurer's group critical illness policy at the time of the transfer;
2. You are a member of an eligible class; and
3. premiums for You were paid up to date; and
4. You are not receiving or eligible to receive benefits under the prior insurer's group critical illness policy.

Any Critical Illness benefit payable will be the lesser of:

1. the Critical Illness benefit payable under the Group Policy; or
2. the critical illness benefit payable under the prior insurer's group critical illness policy had it remained in force.

The Critical Illness benefit payable will be reduced by any amount paid by the prior insurer's group critical illness policy.

All other provisions under this Policy will apply under the Exception to When Employee Coverage Starts.

You will remain insured under this provision until the first to occur of:

1. the date You are fully capable of performing the major duties of Your regular occupation for Your Employer on a full-time basis;
2. the date insurance terminates for one of the reasons stated in When Employee Coverage Ends;
3. the last day of a period of 12 consecutive months which begins on the Policy effective date; or
4. the last day You would have been covered under the prior insurer's group critical illness policy, had the prior plan not terminated.

DEPENDENT COVERAGE

Proof of Insurability

Part or all of Your Initial Dependents insurance amounts may be subject to Proof of Insurability. The Schedule of Benefits explains if and when We require Proof of Insurability. Your Initial Dependents will not be covered for any amount that requires such Proof of Insurability until You give the Proof of Insurability to Us and We approve that Proof of Insurability in writing.

If You elect to enroll Your Initial Dependents within 31 days after Your Eligibility Date, coverage is scheduled to start on Your Eligibility Date.

If You do not elect Initial Dependent coverage within 31 days of Your Eligibility Date, Your Initial Dependents must answer health questions, or wait until the next scheduled group enrollment period to enroll. Once each year, during the group enrollment period, You may elect to enroll Initial Dependents in this coverage as offered by the Employer. As used here, "group enrollment period" means an annual open enrollment period set by the Employer and agreed to by Us. If You elect to enroll Your Initial Dependents outside of the group open enrollment period, You must provide Proof of Insurability by answering health questions, or wait until the next group enrollment period.

If Proof of Insurability is required, Your Initial Dependents will not be covered by this Certificate until We approve that Proof of Insurability in writing and notify You of Your Initial Dependent's effective date of coverage.

In the case of a Newly Acquired Dependent, other than the first newborn child, You may elect to enroll a Newly Acquired Dependent within 31 days. If You do not elect to enroll a Newly Acquired Dependent within 31 days of his or her Eligibility Date, Your Newly Acquired Dependent(s) may have to answer health questions, or wait until the next scheduled group enrollment period to enroll.

If Your dependent coverage ends for any reason, including failure to make the required payments, Your dependent will not be covered by this Certificate again until You give Us new Proof of Insurability that they are insurable and We approve that Proof of Insurability in writing, or wait until the next group enrollment period.

When Dependent Coverage Starts

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

If You enroll Your dependents on or before Your Eligibility Date, the dependent's coverage is scheduled to start on the later of the 1st day of the month which coincides with or next follows Your Eligibility Date and the date You become covered for Employee coverage.

If You do this within the group enrollment period, the coverage is scheduled to start on the later of the 1st day of the month which coincides with or next follows the date You sign the enrollment form and the date You become covered for Employee coverage.

If You do this after the group enrollment period ends, Your dependent coverage may be subject to Proof of Insurability and will not start until We approve that Proof of Insurability in writing.

Once You have dependent child coverage for Your Initial Dependent child(ren) any Newly Acquired Dependent children will be covered as of the date he or she is first eligible.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not be scheduled to start until You send Us Proof of Insurability or until You enroll during the next group enrollment period. If Proof of Insurability is required, You will not be covered by this Certificate until We approve that Proof of Insurability in writing and notify You of Your effective date of coverage.

If Proof of Insurability is required for dependent benefits as explained above, those benefits will not be scheduled to start until You give Us Proof of Insurability that the dependent is insurable. Once We have approved that Proof of Insurability, those benefits will be scheduled to start on the effective date shown in the endorsement section of Your application.

Exception: We will postpone the effective date of a dependent's, other than a newborn child's, coverage if, on that date, he or she is: (1) confined to a hospital or other health care facility; or (2) home confined. In that case, We will postpone the effective date of his or her coverage until the day after the date: (a) of his or her discharge from such facility; or (b) his or her home confinement ends. If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan.

- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Statement of Erisa Rights (Cont.)

Enforcement Of Your Rights If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

Definitions "Adverse Benefit Determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

"Group Health Benefits" means any accident, cancer, critical illness, specified disease or hospital indemnity coverages which are a part of this plan.

Timing For Initial Benefit Determination The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Claims. Guardian will provide a benefit determination not later than 30 days after receipt of a claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;

Group Health Benefits Claims Procedure (Cont.)

- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision regarding review of an appeal as follows:

Group Health Benefits Claims Procedure (Cont.)

Claims. Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse benefit determination.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

NOTE: This is a limited insurance benefit and is a supplement to health insurance. It is not a substitute for essential health benefits or minimum essential coverage as defined in federal law. It is also not a substitute for hospital or medical expense insurance, a health maintenance organization (HMO) contract, or major medical expense insurance.

Sickness Hospital Confinement Benefit

SCHEDULE OF BENEFITS

Daily Hospital Confinement Benefit:	Employee: \$25.00 Dependent: \$25.00
Elimination Period:	Employee: 3 days Dependent: 3 days
Maximum Benefit Period Confinement:	Employee: 10 days Dependent: 10 days

BENEFITS

Hospital Confinement: We pay the Daily Hospital Confinement Benefit shown in the Schedule of Benefits above if a Covered Person is confined to a Hospital as the result of a Sickness. This benefit is payable up to the Maximum Benefit Period Per Confinement shown in the Schedule of Benefits above, per Covered Person, after the Elimination Period, if applicable. If a Covered Person is Hospital Confined for more than one Sickness at the same time, We will only pay one Daily Hospital Confinement Benefit per day.

Recurrent Hospital Confinement: If the Covered Person is Hospital Confined within 90 days of a prior Hospital Confinement for which a benefit was payable, We will treat the later Hospital Confinement as a continuation of the prior Hospital Confinement and the Daily Hospital Confinement Benefit will be paid until the Maximum Benefit Period Per Confinement is reached. If the Maximum Benefit Period Per Confinement has already been reached, no additional benefit will be paid. If more than 90 days have passed between the periods of Hospital Confinement, We will treat the later Hospital Confinement as a new and separate Hospital Confinement.

No benefits are payable for Hospital Confinement caused by a Pre-existing Condition, unless the Hospital Confinement starts after the date the Covered Person has been covered under this Rider for 12 months in a row.

We do not cover any Hospital Confinement that starts before Your coverage under this Rider.

Exclusions: This Rider does not pay benefits for Hospital Confinement caused by:

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America

10 Hudson Yards
New York, New York 10001
(212) 598-8000

Your group accident insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- (a) Examine, without charge, at the plan administrators office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the plans money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

B442.0581

Accident Insurance Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a request for claim. Instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with the authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has the authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your Certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions

"Adverse determination" means a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of a participants or beneficiary's eligibility to participate in a plan.

Timing for Initial Benefit Determination of Accident Insurance Claims

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

Adverse Benefit Determination of Accident Insurance Claims

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures; and
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination on review.

B442.0582

Appeals of Adverse Determinations of Accident Insurance Claims

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made. In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of all documents, records, and other information relevant to the claimants claim for benefits.

Alternative Dispute Options

The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

B442.0583
