## **About this Booklet**

This *Disclosure Form* provides an overview of some of the important features of your Kaiser Permanente membership.

These documents are only a summary of your Health Plan coverage. For details about the terms and conditions of coverage, please refer to the *Evidence of Coverage ("EOC")*. You have the right to review the *EOC* before enrolling. To obtain a copy, please contact your group.

**PLEASE READ THE FOLLOWING INFORMATION SO THAT YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS YOU MAY OBTAIN HEALTH CARE.** If you have special health care needs, carefully read the sections that apply to you.

When you join Kaiser Permanente, you are enrolling in one of two Health Plan Service Areas in California (the Northern California or Southern California Region), which we call your "Home Region." Please refer to *Your Benefits (Disclosure Form Part One)* to learn which California Region is your Home Region. This *Disclosure Form* describes your coverage in your Home Region.

The Services described under *Your Benefits (Disclosure Form Part One)* are covered only if all of the following conditions are satisfied:

- The Services are Medically Necessary
- The Services are provided, prescribed, authorized, or directed by a Plan Physician and you receive the Services from Plan Providers inside your Home Region, except where specifically noted to the contrary in the *EOC* for authorized referrals, Visiting Member Services, hospice care, Emergency Services, Post-Stabilization Care, Out-of-Area Urgent Care, and emergency ambulance Services

Also, this *Disclosure Form* describes different benefit plans, for example benefit plans that may include deductibles for specified Services. Everything in this section of the *Disclosure Form* applies to all benefit plans, except as otherwise indicated.

Please see *Your Benefits (Disclosure Form Part One)* for a summary of deductibles, Copayments, and Coinsurance. If you have questions about benefits, please call our Member Service Contact Center at **1-800-464-4000** (TTY users call **711**) or refer to the *EOC*.

Some capitalized terms have special meaning in this *Disclosure Form*, as described in the "Definitions" section at the end of this booklet.

Note: State law requires disclosure form documents to include the following notice: **"Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, or clinic, or call the Kaiser Permanente Member Service Contact Center at 1-800-464-4000 (TTY users call 711), to ensure that you can obtain the health care services that you need."**

Please be aware that if a Service is covered but not available at a particular Plan Facility, we will make it available to you at another facility.

## **How to obtain Services**

Our Members receive covered medical care from Plan Providers (physicians, registered nurses, nurse practitioners, and other medical professionals) inside your Home Region's Service Area at Plan Facilities except as described in this *Disclosure Form* or the *EOC* for the following Services listed below:

- Authorized referrals
- Emergency ambulance Services
- Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care
- Hospice care
- Visiting Member Services

For Plan Facility locations, please refer to the facility listing on our website at **kp.org/facilities**, or call our Member Service Contact Center at **1-800-464-4000** (TTY users call **711**).

### **Emergency Services**

#### ***Emergency Care***

If you have an Emergency Medical Condition, call **911** (where available) or go to the nearest hospital Emergency Department. You do not need prior authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services you receive from Plan Providers or Non-Plan Providers anywhere in the world.

Emergency Services are available from Plan Hospital Emergency Departments 24 hours a day, seven days a week.

If you receive Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care from a Non-Plan Provider, you are not responsible for any amounts beyond your Cost Share for covered Emergency Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement.

#### ***Post-Stabilization Care***

Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive in a hospital (including the Emergency Department) after your treating physician determines that this condition is Stabilized. Post-Stabilization Care also includes covered durable medical equipment Medically Necessary after discharge from a hospital, and related to the same Emergency Medical Condition. We cover Post-Stabilization Care from a Non-Plan Provider only if we provide prior authorization for the care or if otherwise required by applicable law (prior authorization means that we must approve the Services in advance).

To request prior authorization the Non-Plan Provider must call the notification telephone number on your Kaiser Permanente ID card *before* you receive the care. Be sure to ask the Non-Plan Provider to tell you what care (including any transportation) we have authorized since we do not cover Post-Stabilization Care or related transportation provided by Non-Plan Providers that has not been authorized. If you receive care from a Non-Plan Provider that we have not authorized, you may have to pay the full cost of that care.

Please refer to the *EOC* for coverage information, exclusions, and limitations.

### **Urgent Care**

#### ***Inside your Home Region Service Area***

If you think you may need Urgent Care, call the appropriate appointment or advice nurse telephone number at a Plan Facility.

#### ***Out-of-Area Urgent Care***

If you need Urgent Care due to an unforeseen illness, unforeseen injury, or unforeseen complication of an existing condition (including pregnancy), we cover Medically Necessary Services to prevent serious deterioration of your (or your unborn child's) health from a Non-Plan Provider if all of the following are true:

- You receive the Services from Non–Plan Providers while you are temporarily outside your Home Region's Service Area
- You reasonably believed that your (or your unborn child's) health would seriously deteriorate if you delayed treatment until you returned to your Home Region's Service Area

You do not need prior authorization for Out-of-Area Urgent Care.

To obtain follow-up care from a Plan Provider, call the appointment or advice telephone number at a Plan Facility. We do not cover follow-up care from Non–Plan Providers after you no longer need Urgent Care, except for covered durable medical equipment. If you require durable medical equipment related to your Urgent Care after receiving Out-of-Area Urgent Care, your provider must obtain prior authorization.

### **Your ID card**

Each Member's Kaiser Permanente ID card has a medical record number on it, which you will need when you call for advice, make an appointment, or go to a provider for covered care. When you get care, please bring your ID card and a photo ID. Your medical record number is used to identify your medical records and membership information. Your medical record number should never change. Please call our Member Service Contact Center if we ever inadvertently issue you more than one medical record number or if you need to replace your ID card.

If you need to get care before you receive your ID card, please ask your group for your group (purchaser) number and the date your coverage became effective.

## **Plan Facilities and Your Guidebook to Kaiser Permanente Services (Your Guidebook)**

At most of our Plan Facilities, you can usually receive all the covered Services you need, including Emergency Services, Urgent Care, specialty care, pharmacy, and laboratory tests. You are not restricted to a particular Plan Facility, and we encourage you to use the facility that will be most convenient for you. For a listing of facility locations in your area, please visit our website at **kp.org/facilities** or call our Member Service Contact Center at **1-800-464-4000** (TTY users call **711**).

- All Plan Hospitals provide inpatient Services and are open 24 hours a day, seven days a week
- Emergency Services are available at Plan Hospital Emergency Departments listed in *Your Guidebook* (please refer to *Your Guidebook* or the facility directory on our website at **kp.org** for Emergency Department locations in your area)
- Same-day Urgent Care appointments are available at many locations (please refer to *Your Guidebook* or the facility directory on our website at **kp.org** for Urgent Care locations in your area)
- Many Plan Medical Offices have evening and weekend appointments
- Many Plan Facilities have a Member Services Department (refer to *Your Guidebook* or the facility directory on our website at **kp.org** for locations in your area)

Plan Medical Offices and Plan Hospitals for your area are listed in detail in *Your Guidebook to Kaiser Permanente Services (Your Guidebook)* and on our website at **kp.org**. *Your Guidebook* describes the types of covered Services that are available from each Plan Facility in your area, because some facilities provide only specific types of covered Services. *Your Guidebook* also explains how to use our Services and make appointments, lists hours of operations, and includes a detailed telephone directory for appointments and advice. *Your Guidebook* provides other important information, such as preventive care guidelines and your Member rights and responsibilities. *Your Guidebook* is subject to change and is periodically updated. You can get a copy by visiting our website at **kp.org** or by calling our Member Service Contact Center at **1-800-464-4000** (TTY users call **711**), 24 hours a day, seven days a week (except closed holidays).

## **Your personal Plan Physician**

Personal Plan Physicians play an important role in coordinating care, including hospital stays and referrals to specialists. We encourage you to choose a personal Plan Physician. You may choose any available personal Plan Physician. Parents may choose

a pediatrician as the personal Plan Physician for their child. Most personal Plan Physicians are Primary Care Physicians (generalists in internal medicine, pediatrics, or family practice, or specialists in obstetrics/gynecology who the Medical Group designates as Primary Care Physicians). Some specialists who are not designated as Primary Care Physicians but who also provide primary care may be available as personal Plan Physicians. You can change your personal Plan Physician at any time for any reason. To learn how to select a personal Plan Physician, please call our Member Service Contact Center at **1-800-464-4000** (TTY users call **711**). You can find a directory of our Plan Physicians on our website at **kp.org**.

## **Getting a referral**

### **Referrals to Plan Providers**

A Plan Physician must refer you before you can receive care from specialists, such as specialists in surgery, orthopedics, cardiology, oncology, dermatology, and physical, occupational, and speech therapies. Also, a Plan Physician must refer you before you can get care from Qualified Autism Service Providers covered under "Behavioral Health Treatment for Pervasive Developmental Disorder or Autism" in the *EOC*. However, you do not need a referral or prior authorization to receive most care from any of the following Plan Providers:

- Your personal Plan Physician
- Generalists in internal medicine, pediatrics, and family practice
- Specialists in optometry, mental health Services, substance use disorder treatment, and obstetrics/gynecology

A Plan Physician must refer you before you can get care from a specialist in urology except that you do not need a referral to receive Services related to sexual or reproductive health, such as a vasectomy.

Although a referral or prior authorization is not required to receive most care from these providers, a referral may be required in the following situations:

- The provider may have to get prior authorization for certain Services in accord with "Medical Group authorization procedure for certain referrals" in this "Getting a Referral" section
- The provider may have to refer you to a specialist who has a clinical background related to your illness or condition

### **Standing referrals**

If a Plan Physician refers you to a specialist, the referral will be for a specific treatment plan. Your treatment plan may include a standing referral if ongoing care from the specialist is prescribed. For example, if you have a life-threatening, degenerative, or disabling condition, you can get a standing referral to a specialist if ongoing care from the specialist is required.

### **Medical Group authorization procedure for certain referrals**

The following are examples of Services require prior authorization by the Medical Group for the Services to be covered (prior authorization means that the Medical Group must approve the Services in advance):

- Durable medical equipment
- Ostomy and urological supplies
- Services not available from Plan Providers
- Transplants

Utilization Management ("UM") is a process that determines whether a Service recommended by your treating provider is Medically Necessary for you. Prior authorization is a UM process that determines whether the requested services are Medically Necessary before care is provided. If it is Medically Necessary, then you will receive authorization to obtain that care in a clinically appropriate place consistent with the terms of your health coverage. For the complete list of Services that require prior authorization, and the criteria that are used to make authorization decisions, please visit our website at **kp.org/UM** or call our Member Service Contact Center to request a printed copy. Please refer to "Post-Stabilization Care" under "Emergency Services" in the "Emergency Services and Urgent Care" section of your *EOC* for authorization requirements that apply to Post-Stabilization Care from Non-Plan Providers.

Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals. This description is only a brief summary of the authorization procedure. For more information, please refer to the *EOC* or call our Member Service Contact Center at **1-800-464-4000** (TTY users call **711**).

## **Second opinions**

You have the right to a second opinion. If you want a second opinion, you can ask Member Services to help you arrange one with another Plan Physician who is an appropriately qualified medical professional for your condition. For more information, please refer to the *EOC*.

## **Timely Access to Care**

### **Standards for appointment availability**

The California Department of Managed Health Care ("DMHC") developed the following standards for appointment availability. This information can help you know what to expect when you request an appointment.

- Urgent Care: within 48 hours
- Nonurgent Primary Care Visit or Non-Physician Specialist Visit: within 10 business days
- Physician Specialist Visit: within 15 business days

The standards for appointment availability do not apply to Preventive Services. Your Plan Provider may recommend a specific schedule for Preventive Services, depending on your needs. The standards also do not apply to periodic follow-up care for ongoing conditions or standing referrals to specialists.

### **Timely access to telephone assistance**

- DMHC developed the following standards for answering telephone questions:
- For telephone advice about whether you need to get care and where to get care: within 30 minutes, 24 hours a day, 7 days a week.
- For general questions: within 10 minutes during normal business hours.

### **Interpreter Services**

If you need interpreter services when you call us or when you get covered Services, please let us know. Interpreter services, including sign language, are available during all business hours at no cost to you. For more information about the interpreter services we offer, please call our Member Service Contact Center.

## **How Plan Providers are paid**

Health Plan and Plan Providers are independent contractors. Plan Providers are paid in a number of ways, such as salary, capitation, per diem rates, case rates, fee for service, and incentive payments. To learn more about how Plan Physicians are paid to provide or arrange medical and hospital care for Members, please visit our website at **kp.org** or call our Member Service Contact Center at **1-800-464-4000** (TTY users call **711**).

## **Your costs**

### **Cost Share (deductibles, Copayments, and Coinsurance)**

When you receive covered Services, you must pay the Cost Share amount listed in the *EOC*. In most cases, your provider will ask you to make a payment toward your Cost Share at the time you receive Services. Keep in mind that this payment may cover only a portion of your total Cost Share for the covered Services you receive, and you will be billed for any additional amounts.

that are due. In some cases, your provider will not ask you to make a payment at the time you receive Services, and you will be billed for any Cost Share amounts that are due. The following are examples of when you may get a bill:

- You receive non-preventive Services during a preventive visit
- You receive diagnostic Services during a treatment visit
- You receive treatment Services during a diagnostic visit
- You receive Services from a second provider during your visit
- A Plan Provider is not able to collect Cost Share at the time you receive Services

In some cases, a Non-Plan Provider may be involved in the provision of covered Services at a Plan Facility or a contracted facility where we have authorized you to receive care. You are not responsible for any amounts beyond your Cost Share for the covered Services you receive at Plan Facilities or at contracted facilities where we have authorized you to receive care. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

If you have questions about the Cost Share for specific Services that you expect to receive or that your provider orders during a visit or procedure, please visit our website at [kp.org/memberestimates](http://kp.org/memberestimates) to use our cost estimate tool or call our Member Service Contact Center.

- If you have a Plan Deductible and would like an estimate for Services that are subject to the Plan Deductible, please call weekdays 7 a.m. to 7 p.m. at **1-800-390-3507** (TTY users call **711**). Refer to *Your Benefits (Disclosure Form Part One)* to find out if you have a Plan Deductible
- For all other Cost Share estimates, please call **1-800-464-4000** (TTY users call **711**) 24 hours a day, seven days a week (except closed holidays)

Cost Share estimates are based on your benefits and the Services you expect to receive. They are a prediction of cost and not a guarantee of the final cost of Services. Your final cost may be higher or lower than the estimate since not everything about your care can be known in advance.

### **Copayments and Coinsurance**

A summary of Copayments and Coinsurance is listed in *Your Benefits (Disclosure Form Part One)*. Please refer to the *EOC* for the complete list of Copayments and Coinsurance.

Note: If Charges for Services are less than the Copayment described in the *EOC*, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum.

After you meet any applicable deductible and for the remainder of that Accumulation Period, you pay the applicable Copayment or Coinsurance, subject to the Plan Out-of-Pocket Maximum.

### **Drug Deductible**

If your coverage includes a Drug Deductible, the deductible limits will be specified in *Your Benefits (Disclosure Form Part One)*. If you have a Drug Deductible, you must pay Charges for Services subject to the Drug Deductible during the Accumulation Period for certain drugs, supplies and supplements until you meet the Drug Deductible amount listed in *Your Benefits (Disclosure Form Part One)*. Once you meet the Drug Deductible, we will cover those Services at the applicable Copayment or Coinsurance amount. Please refer to "Outpatient Prescription Drugs, Supplies, and Supplements" section of the *EOC* for Services that are subject to the Drug Deductible.

### **Plan Deductible**

If your coverage includes a Plan Deductible, the deductible limits will be specified in *Your Benefits (Disclosure Form Part One)*. If you have a Plan Deductible, you must pay Charges for Services subject to the Plan Deductible until you meet the Plan Deductible each Accumulation Period. The only payments that count toward a Plan Deductible are those you make for covered

Services that are subject to the Plan Deductible. The Plan Deductible is for the calendar year unless a different Accumulation Period is specified in *Your Benefits (Disclosure Form Part One)*.

When the Copayment or Coinsurance for a particular Service is subject to the Plan Deductible you must pay Charges for those Services until you meet the deductible. Please refer to the *EOC* for more information about which Services are subject to the Plan Deductible and an explanation of how the deductible works.

Please refer to *Your Benefits (Disclosure Form Part One)* to learn if your coverage is subject to a Plan Deductible and the amount of the Plan Deductible. Please refer to the *EOC* for more information about Plan Deductibles.

### **Plan Out-of-Pocket Maximum**

The Plan Out-of-Pocket Maximum is the total amount of Cost Share you must pay in the Accumulation Period for covered Services that you receive in the same Accumulation Period. Please refer to *Your Benefits (Disclosure Form Part One)* to find your Plan Out-of-Pocket Maximum. The Accumulation Period is the calendar year unless a different Accumulation Period is specified in *Your Benefits (Disclosure Form Part One)*. Please refer to the *EOC* to learn which Services apply to the Plan Out-of-Pocket Maximum.

### **Payment of Premiums**

Your group is responsible for paying Premiums, except that you are responsible for paying Premiums if you have Cal-COBRA coverage. If you are responsible for any contribution to the Premiums that your group pays, your group will tell you the amount, when Premiums are effective, and how to pay your group (through payroll deduction, for example).

### **Financial liability**

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may have to pay the cost of noncovered Services you obtain from Plan Providers or Non-Plan Providers. If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for the covered Services you receive from that provider until we make arrangements for the Services to be provided by another Plan Provider and notify you of the arrangements. In some cases, you may be eligible to receive Services from a terminated provider in accord with applicable law.

Please refer to "Completion of Services from Non-Plan Providers in the "Miscellaneous notices" section for more information.

### **Reimbursement for Emergency Services, Post-Stabilization Care, Out-of-Area Urgent Care, and emergency ambulance Services**

If you receive Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care from a Non-Plan Provider, or if you receive emergency ambulance Services, you are not responsible for any amounts beyond your Cost Share. We will reduce any payment we make to you or the Non-Plan Provider by any applicable Cost Share. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement.

To file a claim, this is what you need to do:

- As soon as possible, obtain a claim form by:
  - ♦ calling our Member Service Contact Center toll free at **1-800-464-4000** or **1-800-390-3510** (TTY users call **711**), or
  - ♦ through our website at **kp.org**
  - ♦ one of our representatives will be happy to assist you if you need help completing our claim form
- If you have paid for Services, you must send us our completed claim form for reimbursement. Please attach any bills and receipts from the Non-Plan Provider
- To request that a Non-Plan Provider be paid for Services, you must send us our completed claim form and include any bills from the Non-Plan Provider. If the Non-Plan Provider states that they will submit the claim, you are still responsible for making sure that we receive everything we need to process the request for payment. If you later receive any bills from the

Non-Plan Provider for covered Services other than your Cost Share amount, please call our Member Service toll free at **1-800-390-3510** for assistance

- You must complete and return to us any information that we request to process your claim, such as claim forms, consents for the release of medical records, assignments, and claims for any other benefits to which you may be entitled. For example, we may require documents such as travel documents or verification of your travel or itinerary.

Please refer to the *EOC* for additional instructions, coverage information, exclusions, limitations, and dispute resolution for denied claims.

## **Termination of benefits**

Your group is required to inform the Subscriber of the date your membership terminates except as otherwise noted. You will be billed as a non-Member for any Services you receive after your membership terminates.

Membership will cease for you (the Subscriber) and your Dependents if:

- The contract between your group and Kaiser Permanente is terminated for any reason
- You are no longer eligible for group coverage
- You intentionally commit fraud in connection with membership, Health Plan, or a Plan Provider (if you intentionally commit fraud, we may terminate your membership by sending written notice to the Subscriber; termination will be effective 30 days from the date we send the notice. If we terminate your membership for cause, you will not be allowed to enroll in Health Plan in the future. We may also report criminal fraud and other illegal acts to the authorities for prosecution)
- Your group fails to pay Premiums for your Family (or if your Family fails to pay Premiums for Cal-COBRA coverage for your Family)

Please refer to the *EOC* for more information.

## **Continuation of membership**

### **Continuation of group coverage**

You may be able to continue your group coverage for a limited time after you would otherwise lose eligibility, if required by law, under COBRA or Cal-COBRA. Please refer to the *EOC* for more information.

If at any time you become entitled to continuation of group coverage such as Cal-COBRA, please examine your coverage options carefully before declining this coverage. Under the Affordable Care Act, individual plan coverage is available without medical review. However, the individual plan premiums and coverage are different from the premiums and coverage under your group plan.

If you are called to active duty in the uniformed services, you may be able to continue your coverage for a limited time after you would otherwise lose eligibility, if required by the Uniformed Services Employment and Reemployment Rights Act ("USERRA"). Please contact your group if you want to know how to elect USERRA coverage and how much you must pay your group.

### **Individual Plan**

If you want to remain a Health Plan member when your group coverage ends, you can enroll in one of our plans for individuals and families. The premiums and coverage under our individual plan coverage are different from those under your group coverage.

If you want your individual plan coverage to be effective when your group coverage ends, you must submit your application within the special enrollment period for enrolling in an individual plan due to loss of other coverage. Otherwise, you will have to wait until the next annual open enrollment period.

To request an application to enroll directly with us, please go to **kp.org** or call our Member Service Contact Center. For information about plans that are available through Covered California, visit **CoveredCA.com** or call Covered California at **1-800-300-1506** (TTY users call **711**).

## **Getting assistance**

We want you to be satisfied with the health care you receive from Kaiser Permanente. If you have any questions or concerns, please discuss them with your personal Plan Physician or with other Plan Providers who are treating you. They are committed to your satisfaction and want to help you with your questions.

## **Member Services**

Member Services representatives can answer any questions you have about your benefits, available Services, and the facilities where you can receive care. For example, they can explain the following:

- Your Health Plan benefits

- What to do if you move
- How to replace your ID card

You can reach Member Services in the following ways:

**Call**      **1-800-464-4000** (English and more than 150 languages using interpreter services)  
              **1-800-788-0616** (Spanish)  
              **1-800-757-7585** (Chinese dialects)  
              TTY users call **711**

24 hours a day, seven days a week (except closed holidays)

**Visit**      Member Services Department at a Plan Facility (refer to *Your Guidebook* or the facility directory on our website at **kp.org** for addresses)

**Write**      Member Services Department at a Plan Facility (refer to *Your Guidebook* or the facility directory on our website at **kp.org** for addresses)

## **Dispute resolution and binding arbitration**

Member Service representatives at our Plan Facilities or Member Service Contact Center can help you with unresolved issues. They can also help you file a grievance orally or in writing. You can also submit a grievance electronically at **kp.org**. You must submit your grievance within 180 days of the date of the incident.

Independent medical review is available if you believe that we improperly denied, modified, or delayed Services or payment of Services, and that either (1) our denial was based on a finding that the Services are not Medically Necessary, or (2) for life-threatening or seriously debilitating conditions, the requested treatment was denied as experimental or investigational. Also, if you should file a grievance and you later need help with it because your grievance is an emergency, it hasn't been resolved to your satisfaction, or it's unresolved after 30 days, you may call the California Department of Managed Health Care toll free at **1-888-HMO-2219** and a TDD line (**1-877-688-9891**) for the hearing and speech impaired for assistance.

Except for Small Claims Court cases and claims that cannot be subject to binding arbitration under governing law, any dispute between Members, their heirs, or associated parties (on the one hand) and Health Plan, its health care providers, or other associated parties (on the other hand) for alleged violation of any duty arising from your Health Plan membership, must be decided through binding arbitration. This includes claims for medical or hospital malpractice (a claim that medical services or items were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, regardless of legal theory. Both sides give up all rights to a jury or court trial, and both sides are responsible for certain costs associated with binding arbitration.

This is a brief summary of dispute resolution options. Please refer to the *EOC* for more information, including the complete arbitration provision.

## **Renewal provisions**

Your group is responsible for informing you when its contract with Kaiser Permanente is changed or terminated. The contract generally changes each year, or sooner if required by law.

## **Principal exclusions, limitations, and reductions of benefits**

### **Exclusions**

The following are the principal exclusions from coverage. See the *EOC* for the complete list, including details and any exceptions to the exclusions. These exclusions or limitations do not apply to Services that are Medically Necessary to treat Serious Emotional Disturbance of a Child Under Age 18 or Severe Mental Illness.

- Care in an intermediate care facility, unless otherwise stated in the *EOC*

- Experimental or investigational Services, except as required by law for certain clinical trials. You can request an independent medical review if you disagree with our decision to deny treatment because it is experimental or investigational (please refer to the *EOC* for details about independent medical review and other dispute resolution options)

- Travel and lodging expenses, unless otherwise stated in the *EOC*
- Treatment of hair loss or growth

### **Limitations**

We will make a good faith effort to provide or arrange for covered Services within the remaining availability of facilities or personnel in the event of unusual circumstances that delay or render impractical the provision of Services, such as major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete or partial destruction of facilities, and labor disputes. Under these circumstances, if you have an Emergency Medical Condition, call 911 or go to the nearest hospital as described under "Emergency Services " in the "How to obtain care" section and we will provide coverage as described in that section.

### **Reductions**

If you obtain a judgment or settlement from or on behalf of a third party who allegedly caused an injury or illness for which you received covered Services, you must reimburse us to the maximum extent allowed under California Civil Code Section 3040.

Note: This "Reductions" section does not affect your obligation to pay your Cost Share for these Services. Alternatively, we may file a subrogation claim on our own behalf against the third party. In addition to these third party liability claims by Kaiser Permanente, the contracts between Kaiser Permanente and some providers may allow these providers to recover all or a portion of the difference between the fees paid by Kaiser Permanente and the fees the provider charges to the general public for the Services you received.

Please refer to the *EOC* for additional information and other reductions (for example, surrogacy arrangements and workers' compensation).

## **To become a Member**

We look forward to welcoming you as a Kaiser Permanente Member.

If you are eligible to enroll, simply return a completed enrollment application to your group. Be sure to ask your group for your group (purchaser) number and the date when your coverage becomes effective.

You can begin using our Services on your effective date of coverage. Again, if you have any questions about Kaiser Permanente, please call our Member Service Contact Center at **1-800-464-4000** (TTY users call 711) or you can refer to the *EOC* for details about eligibility requirements.

### **Persons barred from enrolling**

You cannot enroll if you have had your entitlement to receive Services through Health Plan terminated for cause.

## **Miscellaneous Notices**

### **Completion of Services from Non–Plan Providers**

#### ***New Member***

If you are currently receiving Services from a Non–Plan Provider in one of the cases listed below under "Eligibility" and your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective, you may be eligible for limited coverage of that Non–Plan Provider's Services.

#### ***Terminated provider***

If you are currently receiving covered Services in one of the cases listed below under "Eligibility" from a Plan Hospital or a Plan Physician (or certain other providers) when our contract with the provider ends (for reasons other than medical disciplinary cause or criminal activity), you may be eligible for limited coverage of that terminated provider's Services.

#### ***Eligibility***

The cases that are subject to this completion of Services provision are:

- Acute conditions, which are medical conditions that involve a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and has a limited duration. We may cover these Services until the acute condition ends
- Serious Chronic Conditions. We may cover these Services until the earlier of (1) 12 months from your membership effective date if you are a new Member; (2) 12 months from the termination date of the terminated provider; or (3) the first day after a course of treatment is complete when it would be safe to transfer your care to a Plan Provider, as determined by Kaiser Permanente after consultation with the Member and Non–Plan Provider and consistent with good professional practice. Serious chronic conditions are illnesses or other medical conditions that are serious, if one of the following is true about the condition:
  - ◆ it persists without full cure
  - ◆ it worsens over an extended period of time
  - ◆ it requires ongoing treatment to maintain remission or prevent deterioration
- Pregnancy and immediate postpartum care. We may cover these Services for the duration of the pregnancy and immediate postpartum care
- Mental health conditions in pregnant Members that occur, or can impact the Member, during pregnancy or during the postpartum period including, but not limited to, postpartum depression. We may cover completion of these Services for up to 12 months from the mental health diagnosis or from the end of pregnancy, whichever occurs later
- Terminal illnesses, which are incurable or irreversible illnesses that have a high probability of causing death within a year or less. We may cover completion of these Services for the duration of the illness
- Care for children under age 3. We may cover completion of these Services until the earlier of (1) 12 months from the child's membership effective date if the child is a new Member; (2) 12 months from the termination date of the terminated provider; or (3) the child's third birthday
- Surgery or another procedure that is documented as part of a course of treatment and has been recommended and documented by the provider to occur within 180 days of your membership effective date if you are a new Member or within 180 days of the termination date of the terminated provider

To qualify for this completion of Services coverage, all of the following requirements must be met:

- Your Health Plan coverage is in effect on the date you receive the Services
- For new Members, your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective
- You are receiving Services in one of the cases listed above from a Non–Plan Provider on your membership effective date if you are a new Member, or from the terminated Plan Provider on the provider's termination date
- For new Members, when you enrolled in Health Plan, you did not have the option to continue with your previous health plan or to choose another plan (including an out-of-network option) that would cover the Services of your current Non–Plan Provider

- The provider agrees to our standard contractual terms and conditions, such as conditions pertaining to payment and to providing Services inside your Home Region's Service Area (the requirement that the provider agree to providing Services inside your home Region's Service Area doesn't apply if you were receiving covered Services from the provider outside the Service Area when the provider's contract terminated)
- The Services to be provided to you would be covered Services under the *EOC* if provided by a Plan Provider
- You request completion of Services within 30 days (or as soon as reasonably possible) from your membership effective date if you are a new Member, or from the termination date of the Plan Provider

Your Cost Share for completion of Services is the Cost Share required for Services provided by a Plan Provider as described in the *EOC*. **For more information about this provision or to request the Services or a copy of our "Completion of Covered Services" policy, please call our Member Service Contact Center.**

### **Drug formulary**

The drug formulary includes a list of drugs that our Pharmacy and Therapeutics Committee has approved for our Members. Our Pharmacy and Therapeutics Committee, which is primarily composed of Plan Physicians and pharmacists, selects drugs for the drug formulary based on several factors, including safety and effectiveness as determined from a review of medical literature. The drug formulary is updated monthly based on new information or new drugs that become available. To find out which drugs are on the formulary for your plan, please visit our website at [kp.org/formulary](http://kp.org/formulary). If you would like to request a copy of the drug formulary for your plan, please call our Member Service Contact Center. Note: The presence of a drug on the drug formulary does not necessarily mean that it will be prescribed for a particular medical condition.

Drug formulary guidelines allow you to obtain a nonformulary prescription drug (those not listed on our drug formulary for your condition) if it would otherwise be covered by your plan and it is Medically Necessary. If you disagree with a Plan determination that a nonformulary prescription drug is not covered, you may file a grievance as described in the *EOC*.

Please refer to *Your Benefits (Disclosure Form Part One)* to learn if you have coverage for outpatient prescription drugs.

### **Privacy practices**

You may generally see and receive copies of your protected health information, correct or update your protected health information, and ask us for an accounting of certain disclosures of your protected health information. You can request delivery of confidential communication to a location other than your usual address or by a means of delivery other than the usual means.

We may use or disclose your protected health information for treatment, health research, payment, and health care operations purposes, such as measuring the quality of Services. We are sometimes required by law to give protected health information to others, such as government agencies or in judicial actions. In addition, protected health information is shared with employers only with your authorization or as otherwise permitted by law.

We will not use or disclose your protected health information for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below). Giving us authorization is at your discretion.
