Max BuilderSM

This dental plan includes a valuable feature that allows plan participants to carry over part of their unused annual maximum. A participant must submit at least one claim during the benefit year while staying at or under the plan-specific threshold amount. Earns an extra reward, called the PPO Bonus, by seeing a Network Provider. Employees and their covered dependents may accumulate rewards up to the stated maximum carry-over amount, then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan participant doesn't submit a dental claim during a benefit year, all accumulated rewards will be lost; but he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Max Builder amount is added to the following year's maximum
Annual PPO Bonus	\$100	Additional bonus is earned if the participant sees a network provider
Maximum Carryover	\$1,000	Maximum possible accumulation for Max Builder and PPO Bonus combined

Dental Network Information

Employees and dependents have access to an extensive nationwide network of member dentists. The cost-saving benefits of visiting a network member provider are automatically available to all employees and dependents who are covered by any of The Standard's dental plans and who live in areas where the nationwide network is available. To find member dentists in your area, visit <http://www.standard.com/services> and click on "Find a Dentist."

Your provider network is Classic Network.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Submitting a claim

Your policy requires all claims be received by The Standard within 90 days of the date of service. You may submit a claim, or your Dentist can file your claim on your behalf and you can assign payment to your Dentist. If the 90 day deadline is missed, you will be responsible for covering the cost of the service. *Requirements for claims submission vary by state, please consult your group certificate for details.

Prior Extraction Limitation

Your policy has a prior extraction limitation, also known as the "missing tooth clause". This means that if you had a tooth extracted prior to enrolling in your plan with The Standard, we may or may not pay for any benefits towards replacing that tooth. Please review your policy or contact Customer Service for details.
