- a. The reasons for our decision.
- b. Reference to the parts of the Policy on which our decision is based.
- c. Reference to any internal rule or guideline relied upon in making our decision along with your right to receive a copy of these guidelines, free of charge, upon request.
- d. Information concerning your right to receive, free of charge, copies of non-privileged documents and records relevant to your claim.

# CALIFORNIA CONTINUATION BENEFITS REPLACEMENT ACT (Cal-COBRA)

NOTICE: These provisions are only applicable to certain plans as defined under the Act. Not all employers or groups are subject to this law. For further details to determine if this continuation coverage is available, please contact the person who handles the Policyholder's insurance matters.

The California Continuation Benefits Replacement Act (Cal-COBRA) signed into law effective January 1, 1998 requires that any **employer** meeting the definition under the Act allow a **qualified beneficiary** to continue group health coverage, including dental and vision care coverages after it would otherwise end, as a result of a **qualifying event**. Continuation coverage will be provided under the plan with the same terms and conditions that apply to similarly situated individuals.

#### A. **DEFINITIONS**

**EMPLOYER** means any employer that:

- 1. meets the definition of "small employer" as set forth in California;
- 2. employed 2-19 eligible employees on at least 50 percent of its working days during the preceding calendar year or, if the employer was not in business during any part of the preceding calendar year, employed 2 to 19 eligible employees on at least 50 percent of its working days during the preceding calendar quarter; and
- 3. is not subject to Section 4980B of the United States Internal Revenue Code (Federal COBRA) or Chapter 18 of the Employee Retirement Income Security Act.

**QUALIFIED BENEFICIARY** means any individual who, on the day before the qualifying event, is an insured under a group benefit plan. An individual will not be considered to be a qualified beneficiary if:

- 1. The individual is entitled or becomes entitled to Medicare benefits. Entitlement to Medicare Part A only constitutes entitlement to benefits under Medicare.
- 2. The individual is covered or becomes covered under another group benefit plan which does not impose any exclusion or limitation with respect to any preexisting condition.
- 3. The individual is covered, becomes covered or is eligible to coverage under Federal COBRA, Chapter 18 of the Employee Retirement Income Security Act, or Chapter 6A of the Public Health Service Act.
- 4. The qualified beneficiary fails to meet the notification requirements as stated within the Enrollment provision below.
- 5. The qualified beneficiary fails to submit the correct premium amount for continuation of coverage, or fails to satisfy other terms and conditions of the plan contract.

**QUALIFYING EVENT** means any of the following events that, but for the election of continuation of coverage under this provision, would result in a loss of coverage for the qualified beneficiary under the group benefit plan:

- 1. The death of the covered employee.
- 2. The termination of employment or reduction of hours of the covered employee's employment, except that termination for gross misconduct does not constitute a qualifying event.

- 3. The divorce or legal separation of the covered employee from the covered employee's spouse.
- 4. The loss of dependent status by a dependent enrolled in the group benefit plan.
- 5. With respect to a covered dependent only, the covered employee's entitlement of benefits under Medicare (Title XVIII of the United States Social Security Act).

#### B. ENROLLMENT

**NOTICE REQUIREMENTS.** The qualified beneficiary must request the continuation of coverage in writing and deliver such notice, by first-class mail, or other reliable means of delivery, to the health services plan (or to the employer if the employer has contracted with the insurer to perform the administrative services under Cal-COBRA) within the 60-day period following the later of:

- 1. the date that the enrollee's coverage under the group benefit plan terminated or will terminate by reason of a qualifying event;
- 2. the date the enrollee was sent notice of the ability to continue coverage.

**PREMIUM PAYMENTS.** The first premium payment must be delivered by first class mail, certified mail or other reliable means of delivery, including personal delivery, express mail, or private courier company to the health services plan (or the employer if the employer has contracted with the plan to perform the administrative services under Cal-COBRA) in accordance with the following terms and conditions:

- 1. the first premium must be delivered within 45 days of the date of the qualified beneficiary provided written notice to the health services plan; and
- 2. the first premium payment must equal an amount sufficient to pay any required premiums and all premiums due.

Failure to submit the correct premium amount within the 45-day period will disqualify the qualified beneficiary from receiving continuation coverage.

**MONTHLY COST.** The premium will be due monthly and will not be more than 110% of the applicable rate charged for a similarly situated individual under the group benefit plan.

# C. CONTINUATION PERIOD

Continuation coverage shall terminate for those qualified beneficiaries at the first to occur of the following:

- 1. For those who are eligible for continuation coverage as a result of a termination of employment or reduction in work hours, the date 36 months following the date the qualified beneficiary's benefits under the contract would otherwise have terminated by reason of a qualifying event.
- 2. For those who are eligible for continuation coverage as a result of: (a) the death of an employee, (b) a loss of dependent status, (c) divorce or legal separation, or (d) the employee's eligibility for Medicare (for dependent coverage), the date 36 months following the date the qualified beneficiary's benefits under the contract would otherwise have terminated by reason of a qualifying event.

- 3. For those qualified beneficiaries who are eligible for continuation coverage and are determined to be disabled by the Social Security Administration at any time during the first 60 days of continuation coverage, and the spouse or dependent who has elected coverage, the date 36 months following the date the qualified beneficiary's benefits under the contract would otherwise have terminated by reason of a qualifying event. The qualified beneficiary must notify the insurer, or the employer or administrator that contracts to perform administrative services, of the social security determination within 60 days of the date of the determination letter and prior to the end of the original 36-month continuation coverage period in order to be eligible for coverage based on this criteria.
- 4. For those who fail to make premium payments, at the end of the period for which premium payments were made.
- 5. In the case of a qualified beneficiary who is initially eligible for and elects continuation coverage as a result of termination of employment or reduction of hours, as defined within paragraph (2) of "Qualifying Event", but who has another qualifying event as described in paragraphs (1), (3), (4) or (5) of "Qualifying Event", within 36 months of the date of the first qualifying event, and the qualified beneficiary has notified the plan, or the employer or administrator under contract to provide the administrative services, of the second qualifying event within 60 days of the date of the second qualifying event, the date 36 months after the date of the first qualifying event.
- 6. The employer, or any successor employer ceases to provide any group benefit plan to his or her employees. See Additional Provisions below.
- 7. The qualified beneficiary moves out of the insurer's service area or the qualified beneficiary commits fraud or deception in the use of the insurer's services.

An individual who becomes a qualified beneficiary shall continue to receive coverage until continuation coverage is terminated at the qualified beneficiary's election or the period of time provided for continuation coverage as defined in Section C. Continuation Period, whichever comes first, even if the employer that sponsored the group benefit plan subsequently becomes subject to Section 4980B of the United States Internal Revenue Code or Chapter 18 of the Employee Retirement Income Security Act, 29 U.S.C. Section 1161 et seq.

#### D. ADDITIONAL PROVISIONS

**CHANGE IN GROUP BENEFIT PLANS.** If the continuation coverage would terminate prior to the end of the period the qualified beneficiary would have remained covered as a result of a termination of an agreement between the group benefit plan and the employer, and a new group benefit plan is available for active employees, then the qualified beneficiary may continue coverage based on the following terms and conditions:

- 1. the coverage will continue for the balance of the period that the qualified beneficiary would have remained covered under the prior plan;
- 2. notice must be provided to the new group benefit plan within 30 days after receiving notice of the termination of the prior plan;
- 3. any requirements for enrollment in, and payment to, the new group benefit plan must be met.

Coverage will terminate if the qualified beneficiary fails to comply with paragraphs (2) or (3) above.

**NEWBORN OR ADOPTED CHILDREN.** Any child who is born to or is placed for adoption with a former employee who is a qualified beneficiary during the period of continuation coverage, shall be considered a qualified beneficiary and entitled to receive coverage benefits as well for the remainder of

the period that the former employee is covered under the plan. Notice must be provided within 30 days of the child's birth or placement of adoption.

For purposes of this section:

"COBRA" means Section 4980B of Title 26 of the United States Code, Section 1161 et seq. of Title 29 of the United States Code, and Section 300bb of Title 42 of the United States Code, as added by the Consolidated Omnibus Budget Reconciliation Act of 1985 (Public Law 99-272) and as amended.

In each succeeding Benefit Period in which the total dental expense benefits paid do not exceed the Benefit Threshold, the Insured Person will be eligible for the Carry Over Amount and the PPO Bonus.

The Carry Over Amount and the PPO Bonus can be accumulated from one Benefit Period to the next Benefit Period up to the Maximum Carry Over amount unless:

- a) During any Benefit Period, dental expense benefits are paid in excess of the Threshold. In this instance, there will be no additional Carry Over Amount or PPO Bonus for that Benefit Period; or
- b) During any Benefit Period, no claims for dental expenses incurred during the preceding Benefit Period are submitted. In this instance, there will be no Carry Over Amount or PPO Bonus for that Benefit Period, and any accumulated Carry Over Amounts, including any PPO Bonuses from previous Benefit Periods will be forfeited.

Eligibility for the Carry Over Amount and the PPO Bonus will be established or reestablished at the time the first claim in a Benefit Period is received for dental expenses incurred during that Benefit Period.

In order to properly calculate the Carry Over Amount and/or the PPO Bonus, claims should be submitted timely in accordance with the Proof of Loss provision found within the General Provisions. You have the right to request review of prior Carry Over Amount or PPO Bonus calculations. The request for review must be within 24 months from the date the Carry Over Amount or the PPO Bonus was established.

#### CONDITIONS FOR INSURANCE COVERAGE

ELIGIBILITY

**ELIGIBLE CLASS FOR MEMBERS.** The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any full time active employee working at least 30 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

If both spouses are Members, and if either of them insures their dependent children, then the spouse, whoever elects, will be considered the dependent of the other. As a dependent, the person will not be considered a Member of the Eligible Class, but will be eligible for insurance as a dependent.

**ELIGIBLE CLASS FOR DEPENDENT INSURANCE.** Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the first of the month falling on or first following the latest of:

- 1. the day he or she qualifies for coverage as a Member;
- 2. the day he or she first becomes a Member; or
- 3. the day he or she first has a dependent. For dependent children, a newborn child will be considered an eligible dependent upon reaching their 3<sup>rd</sup> birthday. The child may be added at birth or within 31 days of the 3<sup>rd</sup> birthday.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any full time active employee working at least 30 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Any spouse who elects to be a dependent rather than a member of the Eligible Class for Personal Insurance, as explained above, is not a member of the Eligible Class for Dependent Insurance.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

**CONTRIBUTION REQUIREMENTS.** Member Insurance: An Insured is required to contribute to the payment of his or her insurance premiums.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

**SECTION 125.** This plan is provided as part of the Employer's Section 125 Plan. Each Member has the option under the Section 125 Plan of participating or not participating in this plan.

If a Member does not elect to participate when initially eligible, the Member may elect to participate at a subsequent Election Period. This Election Period will be held each year and those who elect to participate in this plan at that time will have their coverage become effective on June 1.

Members may change their election option only during an Election Period, except for a change in family status. Such events would be marriage, divorce, birth of a child, death of a spouse or child, or termination of employment of a spouse.

**ELIGIBILITY PERIOD.** For Members on the Plan Effective Date of the policy, qualification will occur on the first of the month falling on or first following the date of employment.

For persons who become Members after the Plan Effective Date of the policy, qualification will occur on the first of the month falling on or first following the date of employment.

**OPEN ENROLLMENT.** If a Member does not elect to participate when initially eligible, the Member may elect to participate at the Policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on June 1.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

**ELIMINATION PERIOD.** Certain covered expenses may be subject to an elimination period, please refer to the TABLE OF DENTAL PROCEDURES, DENTAL EXPENSE BENEFITS, and if applicable, the ORTHODONTIC EXPENSE BENEFITS pages for details.

**EFFECTIVE DATE.** Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be the first of the month falling on or first following:

- 1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.
- 2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.
- 3. the date we accept the Member and/or Dependent for insurance when the Member and/or Dependent is a Late Entrant. The Member and/or Dependent will be subject to any limitation concerning Late Entrants.

**EXCEPTIONS.** If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

But any person who is not in active service or is totally disabled will be insured on the Effective Date if:

- a. the person was insured under a policy of group insurance providing like benefits which ended on the day immediately before the Effective Date of the policy providing this coverage; and
- b. the person is considered a Member or an eligible Dependent under the policy providing this coverage, and had the prior policy contained the same definition of eligibility, would have been a Member or Dependent under the prior policy.

#### **TERMINATION DATES**

**INSUREDS.** The insurance for any Insured, will automatically terminate on the end of the month falling on or next following the **earliest of:** 

- 1. the date the Insured ceases to be a Member;
- 2. in the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums, subject to the Grace Period; or
- 3. the date of the policy is terminated.

**DEPENDENTS.** The insurance for all of an Insured's dependents will automatically terminate on the end of the month falling on or next following the **earliest of:** 

- 1. the date on which the Insured's coverage terminates;
- 2. the date on which the Insured ceases to be a Member:
- 3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
- 4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the end of the month falling on or next following the day before the date on which the dependent no longer meets the definition of a dependent. See "Definitions."

**CONTINUATION OF COVERAGE.** If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

In addition to the provision below, please review the provisions of the California Continuation Benefits Replacement Act (Cal-COBRA) included within this document.

### <u>Labor Dispute</u> For Employees Only

If membership is because of employment and the Insured's active service stops because of a labor dispute, the insurance may be continued subject to the following rules:

- 1. This provision only applies when the Policyholder is required by a collective bargaining agreement to pay all or part of the Insured's premiums.
- 2. The premium due for each Insured subject to this provision and the Insured's dependents, if applicable, will be that shown in the policy.
- 3. Payment of the premium by the Insured must be to the Policyholder, union, or other collection entity and forwarded to us on a monthly basis.

The insurance continued during such labor dispute will stop on the earliest of the following dates:

- 1. the date six months from the date cessation of work due to the labor dispute started.
- 2. the date that 75% of the Insureds subject to the labor dispute are continuing the coverage.
- 3. for any individual Insured:
  - i. the date he or she takes full-time employment with another employer.
  - ii. the last day of the period for which the Insured has made a premium payment.

Neither the Policyholder or us may cancel or alter the terms of the policy during the labor dispute, except that we can adjust premiums the same as we could if there were no labor dispute.

Any continuation of an Insured's benefits under this provision is applicable to the Insured's dependents, provided they were insured under the policy when the labor dispute started.

#### **DENTAL EXPENSE BENEFITS**

We will determine dental expense benefits according to the terms of the group policy for dental expenses incurred by an Insured. An Insured person has the freedom of choice to receive treatment from any Provider.

**DETERMINING BENEFITS.** The benefits payable will be determined by totaling all of the Covered Expenses submitted into each benefit type as shown in the Table of Dental Procedures. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage(s) shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount, if any, shown in the Schedule of Benefits.

**BENEFIT PERIOD.** Benefit Period refers to the period shown in the Table of Dental Procedures.

**DEDUCTIBLE.** The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

**MAXIMUM AMOUNT.** The Maximum Amount shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured.

# **COVERED EXPENSES.** Covered Expenses include:

- 1. only those expenses for dental procedures performed by a Provider; and
- 2. only those expenses for dental procedures listed and outlined on the Table of Dental Procedures.

Covered Expenses are subject to "Limitations." See Limitations and Table of Dental Procedures.

Benefits payable for Covered Expenses also will be based on the lesser of:

- 1. the actual charge of the Provider.
- 2. the usual and customary ("U&C") as covered under your plan, if services are provided by a Non Participating Provider.
- 3. the Maximum Allowable Charge ("MAC").

Usual and Customary ("U&C") describes those dental charges which are the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from Ingenix which is a national organization which provides benchmarking services to the health care industry. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by your provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

MAC - The Maximum Allowable Charge is derived from the array of provider charges within a particular ZIP code area. These allowances are the charges accepted by dentists who are Participating Providers. The MAC is reviewed and updated periodically to reflect increasing provider fees within the ZIP code area.

You and your dependents have the freedom to select any dentist of your choice nationwide. Out-of-pocket expenses may be lower if services are provided by a Participating Provider.

**ACCESS TO PARTICIPATING PROVIDERS.** If you are unable to schedule a visit with a Participating Provider within a reasonable period of time or driving distance and are not otherwise in need of emergency services, please contact us at the toll-free number shown on your ID card and we will attempt to locate a Participating Provider for you to visit. However, if we are unable to locate a Provider for you or you are in need

of emergency services and are unable to obtain such services from a Participating Provider, we will review and pay the eligible claims submitted as if you had visited a Participating Provider.

Provider Directories can be accessed by visiting our website www.standard.com.

For your convenience, our online directories are updated daily.

#### TIMELY ACCESS TO CARE.

Urgent appointments will be offered within seventy-two (72) hours of the time of request for appointment, when consistent with the Covered Person's individual needs and as required by professionally recognized standards of practice.

Non-urgent appointments will be offered within thirty-six (36) business days of the request for appointment. Preventive appointments will be offered within forty (40) business days of the request for appointment.

When it is necessary for a Dentist or a Covered Person to reschedule an appointment, Dentists will promptly reschedule in a manner that is appropriate for the Covered Person's health care needs, and ensures continuity of care consistent with good professional practice.

**LANGUAGE INTERPRETER SERVICES.** Language interpreter services are available at no cost to you, including at time of appointment by contacting us toll-free at 1-877-233-3797.

**DENTAL EMERGENCY.** Emergency health care services means health care services rendered for any condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in any of the following: (1) Placing the patient's health in serious jeopardy, (2) Serious impairment to bodily functions, (3) Serious dysfunction of any bodily organ or part.

**URGENT CARE.** Urgent care means a condition that requires prompt attention where the insured faces an imminent and serious threat to his or her health. This includes but is not limited to, the potential loss of life, limb, or other major bodily function, or when the normal timeframe for the decision making process would be detrimental to the insured's life or health or could jeopardize the insured's ability to regain maximum function.

**ALTERNATIVE PROCEDURES.** If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. Instead, this provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. Accordingly, you may choose to apply the alternate benefit amount determined under this provision toward payment of the submitted treatment.

We may request pre-operative dental radiographic images, periodontal charting and/or additional diagnostic data to determine the plan allowance for the procedures submitted. We strongly encourage pre-treatment estimates so you understand your benefits before any treatment begins. Ask your provider to submit a claim form for this purpose.

**EXPENSES INCURRED.** An expense is incurred at the time the impression is made for an appliance or change to an appliance. An expense is incurred at the time the tooth or teeth are prepared for a dental prosthesis or prosthetic crown. For root canal therapy, an expense is incurred at the time the pulp chamber is opened. All other expenses are incurred at the time the service is rendered or a supply furnished.

**LIMITATIONS.** Covered Expenses will not include and benefits will not be payable for expenses incurred:

- 1. in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application.
- a. for initial placement of any dental prosthesis or prosthetic crown unless such placement is needed because of the extraction of one or more teeth while the insured person is covered under this contract. But the extraction of a third molar (wisdom tooth) will not qualify under the above. Any such dental prosthesis or prosthetic crown must include the replacement of the extracted tooth or teeth unless the insured person is covered on June 1, 2022. For those Insureds covered on June 1, 2022, see b.
  - b. Limitation a. will be waived for those Insureds whose coverage was effective on June 1, 2022 and
    - i. the person has the tooth extracted while insured under the prior contract: and
    - ii. has a dental prosthesis or prosthetic crown installed to replace the extracted tooth while insured under our contract;
      - but such extraction and installation must take place within a twelve-month period; and
    - iii. the dental prosthesis or prosthetic crown noted above must be an initial placement.
- 3. for appliances, restorations, or procedures to:
  - a. alter vertical dimension;
  - b. restore or maintain occlusion; or
  - c. splint or replace tooth structure lost as a result of abrasion or attrition.
- 4. for any procedure begun after the insured person's insurance under this contract terminates; or for any prosthetic dental appliances installed or delivered more than 90 days after the Insured's insurance under this contract terminates.
- 5. to replace lost or stolen appliances.
- 6. for any treatment which is for cosmetic purposes.
- 7. for any procedure not shown in the Table of Dental Procedures. (There may be additional frequencies and limitations that apply, please see the Table of Dental Procedures for details.)
- 8. for orthodontic treatment under this benefit provision. (If orthodontic expense benefits have been included in this policy, please refer to the Schedule of Benefits and Orthodontic Expense Benefits provision found on 9260).
- 9. for charges which the Insured person is not liable or which would not have been made had no insurance been in force.
- 10. for services that are not required for necessary care and treatment or are not within the generally accepted parameters of care.

11. because of war or any act of war, declared or not.

#### **TABLE OF DENTAL PROCEDURES**

# PLEASE READ THE FOLLOWING INFORMATION CAREFULLY FOR YOUR PROCEDURE FREQUENCIES AND PROVISIONS.

The attached is a list of dental procedures for which benefits are payable under this section. **No benefits are payable for a procedure that is not listed.** 

- > Your benefits are based on a Calendar Year. A Calendar Year runs from January 1 through December 31.

- Reference to "traumatic injury" under this plan is defined as injury caused by external forces (ie. outside the mouth) and specifically excludes injury caused by internal forces such as bruxism (grinding of teeth).
- ➤ Benefits for replacement dental prosthesis or prosthetic crown will be based on the prior placement date. Frequencies which reference Benefit Period will be measured forward within the limits defined as the Benefit Period. All other frequencies will be measured forward from the last covered date of service.
- Radiographic images, periodontal charting and supporting diagnostic data may be requested for our review.
- ➤ We recommend that a pre-treatment estimate be submitted for all anticipated work that is considered to be expensive by our insured.
- A pre-treatment estimate is not a pre-authorization or guarantee of payment or eligibility; rather it is an indication of the estimated benefits available if the described procedures are performed.

# **ORTHODONTIC EXPENSE BENEFITS**

Orthodontic expense benefits will be determined according to the terms of the policy for orthodontic expenses incurred by an Insured.

**DETERMINING BENEFITS.** The benefits payable will be determined by totaling all of the Covered Expenses submitted. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount shown in the Schedule of Benefits.

**DEDUCTIBLE.** The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

**MAXIMUM AMOUNT.** The Maximum Benefit During Lifetime shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured during his or her lifetime.

**COVERED EXPENSES.** Covered Expenses refer to the usual and customary charges made by a provider for necessary orthodontic treatment rendered while the person is insured under this section. Expenses are limited to the Maximum Amount shown in the Schedule of Benefits and Limitations. All benefits are subject to the definitions, limitations and exclusions and are payable only when we determine they are necessary for prevention, diagnosis, care or treatment of a covered condition and meet generally accepted dental protocols.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by the provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

**ORTHODONTIC TREATMENT.** Orthodontic Treatment refers to the movement of teeth by means of active appliances to correct the position of maloccluded or malpositioned teeth.

**TREATMENT PROGRAM.** Treatment Program ("Program") means an interdependent series of orthodontic services prescribed by a provider to correct a specific dental condition. A Program will start when the bands, brackets or appliances are placed. A Program will end when the services are done, or after eight calendar quarters starting with the day the appliances were inserted, whichever is earlier.

**EXPENSES INCURRED.** Benefits will be payable when a Covered Expense is incurred:

- a. at the end of every quarter (three-month period) of a Program for an Insured who pursues a Program, but not beyond the date the Program ends; or
- b. at the time the service is rendered for an Insured who incurs Covered Expenses but does not pursue a Program.

The Covered Expenses for a Program are based on the estimated cost of the Insured's Program. They are pro-rated by quarter (three-month periods) over the estimated length of the Program, up to a maximum of eight quarters. However, the first payment will be 25 percent of the total allowed Covered Expense. The last quarterly payment for a Program may be changed if the estimated and actual cost of the Program differ.

# **LIMITATIONS.** Covered Expenses will not include and benefits will not be payable for expenses incurred:

- 1. for a Program on or after the Insured's 19th birthday.
- 2. for a Program begun before the Insured became covered under this section, unless the Insured was covered for Orthodontic Expense Benefits under the prior carrier on May 31, 2022 and are both:
  - a. insured under this policy; and
  - b. currently undergoing a Treatment Program on June 1, 2022.
- 3. in the first 12 months that a person is insured if the person is a Late Entrant.
- 4. in any quarter of a Program if the Insured was not covered under this section for the entire quarter.
- 5. if the Insured's insurance under this section terminates.
- 6. for charges the Insured is not legally required to pay or would not have been made had no insurance been in force.
- 7. for services not required for necessary care and treatment or not within the generally accepted parameters of care.
- 8. because of war or any act of war, declared or not.
- 9. To replace lost, missing or stolen orthodontic appliances.

### EYE CARE INSURANCE

If an Insured under this section incurs Covered Expenses, we will pay benefits as stated below.

**COVERED EXPENSES.** Covered Expenses include the charge for the covered procedure furnished up to the maximum amount.

**COVERED EXPENSES.** Covered Expenses means the Eye Care expenses incurred by an Insured for the procedures shown in the Schedule of Eye Care Services, up to the Maximum Covered Expense shown for each procedure and the Eye Care Maximum as shown in the Schedule of Benefits, if applicable. Such expenses will be Covered Expenses only to the extent that they are incurred for procedures done by a physician, optometrist, or optician. These expenses are subject to the "Limitations" below.

**EXTENSION OF BENEFITS.** Should an Insured's coverage under this section terminate, we will pay Covered Expenses for frames or lenses which were ordered while coverage was in force, provided such frames or lenses are delivered within 30 days from the date the Insured's coverage ceases.

- 1. examinations performed or frames or lenses ordered before the Insured was covered under this section.

### **COORDINATION OF BENEFITS**

The Coordination of Benefits (COB) provision applies if an Insured person has dental coverage under more than one **Plan**. **Plan** is defined below. All benefits provided under this policy are subject to this section.

The order of benefit determination rules govern the order in which each **Plan** will pay a claim for benefits. The **Plan** that pays first is called the **Primary plan**. The **Primary plan** must pay benefits in accordance with its policy terms without regard to the possibility that another **Plan** may cover some expenses. The **Plan** that pays after the **Primary plan** is the **Secondary plan**. The **Secondary plan** may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total **Allowable expense**.

# **DEFINITIONS**

- A. A **Plan** is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.
  - (1) **Plan** includes: group insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.
  - (2) **Plan** does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage other than the medical benefits coverage in automobile "no fault" and traditional "fault" type contracts; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under (1) or (2) is a separate **Plan**. If a **Plan** has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate **Plan**.

- B. **This plan** means, in a **COB** provision, the part of the contract providing the health care benefits to which the **COB** provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one **COB** provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another **COB** provision to coordinate other benefits.
- C. The order of benefit determination rules determine whether **This plan** is a **Primary plan** or **Secondary plan** when the person has health care coverage under more than one **Plan**.

When **This plan** is primary, it determines payment for its benefits first before those of any other **Plan** without considering any other **Plan's** benefits. When **This plan** is secondary, it determines its benefits after those of another **Plan** and may reduce the benefits it pays so that all **Plan** benefits do not exceed 100% of the total **Allowable expense.** 

D. **Allowable expense** is a health care expense, including deductibles, coinsurance and co-payments, that is covered at least in part by any **Plan** covering the person. When a **Plan** provides benefits in the form of services, the reasonable cash value of each service will be considered an **Allowable expense** and a benefit paid. An expense that is not covered by any **Plan** covering the person is not an **Allowable expense**. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an **Allowable expense**.

The following are examples of expenses that are not **Allowable expenses**:

- (1) If a person is covered by 2 or more **Plans** that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an **Allowable expense**.
- (2) If a person is covered by 2 or more **Plans** that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an **Allowable expense**.
- (3) If a person is covered by one **Plan** that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another **Plan** that provides its benefits or services on the basis of negotiated fees, the **Primary plan's** payment arrangement shall be the **Allowable expense** for all **Plans**. However, if the provider has contracted with the **Secondary plan** to provide the benefit or service for a specific negotiated fee or payment amount that is different than the **Primary plan's** payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the **Allowable expense** used by the **Secondary plan** to determine its benefits.
- (4) The amount of any benefit reduction by the **Primary plan** because a covered person has failed to comply with the **Plan** provisions is not an **Allowable expense**. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.
- E. Closed panel plan is a Plan that provides health care benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.
- F. **Custodial parent** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

# ORDER OF BENEFIT DETERMINATION RULES

When a person is covered by two or more **Plans**, the rules for determining the order of benefit payments are as follows:

- A. The **Primary plan** pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other **Plan**.
- B. (1) Except as provided in Paragraph B(2) below, a **Plan** that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both **Plans** state that the complying plan is primary.
- (2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the **Plan** provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a **Closed panel plan** to provide out-of-network benefits.
- C. A **Plan** may consider the benefits paid or provided by another **Plan** in calculating payment of its benefits only when it is secondary to that other **Plan**.
- D. Each **Plan** determines its order of benefits using the first of the following rules that apply:

- (1) Non-Dependent or Dependent. The **Plan** that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the **Primary plan** and the **Plan** that covers the person as a dependent is the **Secondary plan**. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the **Plan** covering the person as a dependent; and primary to the **Plan** covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two **Plans** is reversed so that the **Plan** covering the person as an employee, member, policyholder, subscriber or retiree is the **Secondary plan** and the other **Plan** is the **Primary plan**.
- (2) Dependent Child Covered Under More Than One Plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one **Plan** the order of benefits is determined as follows:
  - (a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

The **Plan** of the parent whose birthday falls earlier in the calendar year is the **Primary plan**; or

If both parents have the same birthday, the **Plan** that has covered the parent the longest is the **Primary plan**.

- (b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
  - (i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the **Plan** of that parent has actual knowledge of those terms, that **Plan** is primary. This rule applies to plan years commencing after the **Plan** is given notice of the court decree;
  - (ii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits:
  - (iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or
  - (iv) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

The Plan covering the Custodial parent;

The Plan covering the spouse of the Custodial parent;

The **Plan** covering the **non-custodial parent**; and then

The Plan covering the spouse of the non-custodial parent.

(c) For a dependent child covered under more than one **Plan** of individuals who are the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.

- (3) Active Employee or Retired or Laid-off Employee. The **Plan** that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the **Primary plan**. The **Plan** covering that same person as a retired or laid-off employee is the **Secondary plan**. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
- (4) COBRA or State Continuation Coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another **Plan**, the **Plan** covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the **Primary plan** and the COBRA or state or other federal continuation coverage is the **Secondary plan**. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
- (5) Longer or Shorter Length of Coverage. The **Plan** that covered the person as an employee, member, policyholder, subscriber or retiree longer is the **Primary plan** and the **Plan** that covered the person the shorter period of time is the **Secondary plan**.
- (6) If the preceding rules do not determine the order of benefits, the **Allowable expenses** shall be shared equally between the **Plans** meeting the definition of **Plan**. In addition, **This plan** will not pay more than it would have paid had it been the **Primary plan**.

# EFFECT ON THE BENEFITS OF THIS PLAN

A. When **This plan** is secondary, it may reduce its benefits so that the total benefits paid or provided by all **Plans** during a plan year are not more than the total **Allowable expenses**. In determining the amount to be paid for any claim, the **Secondary plan** will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any **Allowable expense** under its **Plan** that is unpaid by the **Primary plan**. The **Secondary plan** may then reduce its payment by the amount so that, when combined with the amount paid by the **Primary plan**, the total benefits paid or provided by all **Plans** for the claim do not exceed the total **Allowable expense** for that claim. In addition, the **Secondary plan** shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

B. If a covered person is enrolled in two or more **Closed panel** plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one **Closed panel plan**, **COB** shall not apply between that **Plan** and other **Closed panel plans**.

# RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about health care coverage and services are needed to apply these **COB** rules and to determine benefits payable under **This plan** and other **Plans**. The Company may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under **This plan** and other **Plans** covering the person claiming benefits. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under **This plan** must give the Company any facts it needs to apply those rules and determine benefits payable.

# **FACILITY OF PAYMENT**

A Payment made under another **Plan** may include an amount that should have been paid under **This plan**. If it does, the Company may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under **This plan**. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

# RIGHT OF RECOVERY

If the amount of the payments made by the Company is more than it should have paid under this **COB** provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid; or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

### GENERAL PROVISIONS

**NOTICE OF CLAIM.** Written notice of a claim must be given to us within 90 days after the incurred date of the services provided for which benefits are payable.

Notice must be given to us at our Home Office, or to one of our agents. Notice should include the Policyholder's name, Insured's name, and policy number. If it was not reasonably possible to give written notice within the 90 day period stated above, we will not reduce or deny a claim for this reason if notice is filed as soon as is reasonably possible.

**CLAIM FORMS.** When we receive the notice of a claim, we will send the claimant forms for filing proof of loss. If these forms are not furnished within 15 days after the giving of such notice, the claimant will meet our proof of loss requirements by giving us a written statement of the nature and extent of loss within the time limit for filing proofs of loss.

**PROOF OF LOSS.** Written proof of loss must be given to us within 90 days after the incurred date of the services provided by a Participating Provider and within 180 days after the incurred date of the services provided by a Non-Participating Provider. If it is impossible to give written proof within the required time period, we will not reduce or deny a claim for this reason if the proof is filed as soon as is reasonably possible.

**TIME OF PAYMENT.** We will pay all benefits immediately when we receive due proof. Any balance remaining unpaid at the end of any period for which we are liable will be paid at that time.

**PAYMENT OF BENEFITS.** Participating Providers have agreed to accept assignment of benefits for services and supplies performed or furnished by them. When a Non-Participating Provider performs services, all benefits will be paid to the Insured unless otherwise indicated by the Insured's authorization to pay the Non-Participating Provider directly.

**FACILITY OF PAYMENT.** If an Insured or beneficiary is not capable of giving us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then we may, at our option, pay the benefit up to an amount not to exceed \$5,000, to any relative by blood or connection by marriage of the Insured who is considered by us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release us from liability to the extent of payment.

**PROVIDER-PATIENT RELATIONSHIP.** The Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of their license. We will in no way disturb the provider-patient relationship.

**INCONTESTABILITY.** Any statement made by the Policyholder to obtain the Policy is a representation and not a warranty. No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Policy unless:

- 1. The Policy would not have been issued if we had known the truth; and
- 2. We have given the Policyholder a copy of a written instrument signed by the Policyholder that contains the misrepresentation.

The validity of the Policy will not be contested after it has been in force for one year, except for nonpayment of premiums or fraudulent misrepresentations.

**NOTICE REQUIREMENTS.** If an Insured's coverage under this policy is terminated, premiums are increased, benefits are reduced or eliminated or eligibility for such coverage is restricted in any way, then such action will not be effective unless written notice of the action is delivered by mail to the last known address of the appropriate insurance producer and the administrator, if any, at least 45 days prior to the effective date of the action and to the last known address of the Employer Unit and the certificate holder at least 30 days prior to the effective date of the action.

**WORKER'S COMPENSATION.** The coverage provided under the Policy is not a substitute for coverage under a workmen's compensation or state disability income benefit law and does not relieve the Policyholder of any obligation to provide such coverage.

# **TELEHEALTH SERVICES**

All services under this plan are covered when appropriately delivered through telehealth services and are subject to the same deductible and annual or lifetime dollar maximum (if applicable) as for equivalent services that are not provided through telehealth.

# G. Continuation of Coverage Provisions (COBRA)

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) gives Qualified Beneficiaries the right to elect COBRA continuation after insurance ends because of a Qualifying Event. The law generally covers group health plans maintained by employers with 20 or more employees in the prior year. The law does not, however, apply to plans sponsored by the Federal government and certain church-related organizations.

# i. Definitions For This Section

Qualified Beneficiary means an Insured Person who is covered by the plan on the day before a qualifying event. Any child born to or placed for adoption with a covered employee during the period of COBRA coverage is considered a qualified beneficiary.

A Qualifying Event occurs when:

- 1. The Member dies (hereinafter referred to as Qualifying Event 1);
- 2. The Member's employment terminates for reasons other than gross misconduct as determined by the Employer (hereinafter referred to as Qualifying Event 2);
- 3. The Member's work hours fall below the minimum number required to be a Member (hereinafter referred to as Qualifying Event 3);
- 4. The Member becomes divorced or legally separated from a Spouse (hereinafter referred to as Qualifying Event 4);
- 5. The Member becomes entitled to receive Medicare benefits under Title XVII of the Social Security Act (hereinafter referred to as Qualifying Event 5);

- 6. The Child of a Member ceases to be a Dependent (hereinafter referred to as Qualifying Event 6);
- 7. The Employer files a petition for reorganization under Title 11 of the U.S. Bankruptcy Code, provided the Member is retired from the Employer and is insured on the date the petition is filed (hereinafter referred to as Qualifying Event 7).

# ii. Electing COBRA Continuation

- A. Each Qualified Beneficiary has the right to elect to continue coverage that was in effect on the day before the Qualifying Event. The Qualified Beneficiary must apply in writing within 60 days of the later of:
  - 1. The date on which Insurance would otherwise end; and
  - 2. The date on which the Employer or Plan Administrator gave the Qualified Beneficiary notice of the right to COBRA continuation.
- B. A Qualified Beneficiary who does not elect COBRA Continuation coverage during their original election period may be entitled to a second election period if the following requirements are satisfied:
  - 1. The Member's Insurance ended because of a trade related termination of their employment, which resulted in being certified eligible for trade adjustment assistance;
  - The Member is certified eligible for trade adjustment assistance (as
    determined by the appropriate governmental agency) within 6 months of the
    date Insurance ended due to the trade related termination of their
    employment; and
  - 3. The Qualified Beneficiary must apply in writing within 60 days after the first day of the month in which they are certified eligible for trade adjustment assistance.

# iii. Notice Requirements

- 1. When the Member becomes insured, the Plan Administrator must inform the Member and Spouse in writing of the right to COBRA continuation.
- 2. The Qualified Beneficiary must notify the Plan Administrator in writing of Qualifying Event 4 or 6 above within 60 days of the later of:
  - a. The date of the Qualifying Event; or
  - b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.
- 3. A Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, must notify the Plan Administrator of the disability in writing within 60 days of the later of:
  - a. The date of the disability determination;

- b. The date of the Qualifying Event; or
- c. The date on which the Qualified Beneficiary loses coverage due to the Qualifying Event.
- 4. Each Qualified Beneficiary who has become entitled to COBRA continuation with a maximum duration of 18 or 29 months must notify the Plan Administrator of the occurrence of a second Qualifying Event within 60 days of the later of:
  - a. The date of the Qualifying Event; or
  - b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.
- 5. The Employer must give the Plan Administrator written notice within 30 days of the occurrence of Qualifying Event 1, 2, 3, 5, or 7.
- 6. Within 14 days of receipt of the Employer's notice, the Plan Administrator must notify each Qualified Beneficiary in writing of the right to elect COBRA continuation.

In order to protect your rights, Members and Qualified Beneficiaries should inform the Plan Administrator in writing of any change of address.

### iv. COBRA Continuation Period

1. 18-month COBRA Continuation

Each Qualified Beneficiary may continue Insurance for up to 18 months after the date of Qualifying Event 2 or 3.

2. 29-month COBRA Continuation

Each Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, may continue coverage for up to 29 months after the date of the Qualifying Event. All Insured Persons in the Qualified Beneficiary's family may also continue coverage for up to 29 months.

3. 36-Month COBRA Continuation

If you are a Dependent, you may continue Coverage for up to 36 months after the date of Qualifying Event 1, 4, 5, or 6. Each Qualified Beneficiary who is entitled to continue Insurance for 18 or 29 months may be eligible to continue coverage for up to 36 months after the date of their original Qualifying Event if a second Qualifying Event occurs while they are on continuation coverage.

Note: The total period of COBRA continuation available in 1 through 3 will not exceed 36 months.

4. COBRA Continuation For Certain Bankruptcy Proceedings

If the Qualifying Event is 7, the COBRA continuation period for a retiree or retiree's Spouse is the lifetime of the retiree. Upon the retiree's death, the COBRA

continuation period for the surviving Dependents is 36 months from the date of the retiree's death.

### v. Premium Requirements

Insurance continued under this provision will be retroactive to the date insurance would have ended because of a Qualifying Event. The Qualified Beneficiary must pay the initial required premium not later than 45 days after electing COBRA continuation, and monthly premium on or before the Premium Due Date thereafter. The monthly premium is a percentage of the total premium (both the portion paid by the employee and any portion paid by the employer) currently in effect on each Premium Due Date. The premium rate may change after you cease to be Actively at Work. The percentage is as follows:

18 month continuation - 102%

29 month continuation - 102% during the first 18 months, 150% during the next 11 months

36 month continuation - 102%

### vi. When COBRA Continuation Ends

COBRA continuation ends on the earliest of:

- 3. The last day of the COBRA continuation period.
- 4. The date the Qualified Beneficiary first becomes entitled to Medicare coverage under Title XVII of the Social Security Act;
- 5. The first date on which the Qualified Beneficiary is: (a) covered under another group Dental and Eye Care policy and (b) not subject to any preexisting condition limitation in that policy.

### **Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and

copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

# **Continue Group Health Plan Coverage**

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

# **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to operate and administer this plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **Assistance with Your Rights**

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling those publications hotline of the Employee Benefits Security Administration

**Dental Utilization Review Program.** Generally, utilization review means a set of criteria designed to monitor the use of, or evaluate the medical necessity, appropriateness, or efficiency of health care services. We have established a utilization review program to ensure that any guidelines and criteria used to evaluate the medical necessity of a health care service are clearly documented and include procedures for applying such criteria based on the needs of the individual patients. The program was developed in conjunction with licensed dentists and is reviewed at least annually to ensure that criteria are applied consistently and are current with dental technology, evidence-based research and any dental trends.

We will provide you written notice regarding the payment under the claim within 30 calendar days following receipt of the claim. This period may be extended for an additional 15 days, provided that we have determined that an extension is necessary due to matters beyond our control, and notify you, prior to the expiration of the initial 30-day period, of the circumstances requiring the extension of time and the date by which we expect to render a decision. If the extension is due to your failure to provide information necessary to decide the claim, the notice of extension shall specifically describe the required information we need to decide the claim.

If all or part of a claim is denied, you may request a review in writing within 180 days after receiving notice of the benefit denial.

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your appeal. There will be no charge for such copies. You may request the names of the experts we consulted who provided advice to us about your claim.

This health care professional will be someone other than the person who made the original judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your claim promptly after we receive your request.

If your appeal is about urgent care, you may call Toll Free at 877-897-4328, and an Expedited Review will be conducted. Verbal notification of our decision will be made within 72 hours, followed by written notice within 3 calendar days after that.
