

Summary of Employee Benefits

2024-2025 Plan Year

About This Guide

Trilliant provides comprehensive employee benefits as part of our total compensation program. Options in cost and plan design are intended to provide you with the opportunity to customize your benefit plan to meet your lifestyle and personal choices, while offering protection, flexibility and security to you and your family. The decisions you make regarding your enrollment in benefits deserves your careful consideration.

Your choices will be in effect for the plan year: 10/1/24 to 9/30/25. You will be able to make changes during the plan year only in the event of an IRS qualified Family Status Change. Be sure to review the plan's covered and non-covered services and any restrictions regarding your choice of providers.

Benefits Eligibility

Regular employees, actively working a minimum of 30 hours per week, are eligible to enroll in the Trilliant Employee Benefits Program on the first of the month following date of hire.

Benefits-eligible employees who do not enroll at the time of their initial eligibility period have the opportunity to enroll in our benefit plans during our annual open enrollment. You may make changes to your benefits, or add or drop your dependents during this time. Mid-plan year changes are not permitted unless you experience an IRS qualified Family Status Change. You must notify Human Resources within 30 days of a change in family status.

Employee Costs for the 2024 - 2025 Plan Year

Please contact the Human Resource department to determine your cost (*payroll deduction amounts*) for the Medical, Dental, Vision and Voluntary Life coverage.

All employee premium contributions are deducted per pay period on a pre-tax basis.

Medical Plans

PPO Plan: Individuals on the CIGNA PPO plans may receive care from any provider and/or facility; however, CIGNA has negotiated discounted fees with contracted CIGNA Network providers. This means that by using in-network providers you will reduce your out-of-pocket expenses. You are not required to designate a Primary Care Physician (PCP) on this plan.

In-Network Only Plan: Individuals enrolled on the CIGNA OAP In-Network plan must select a Primary Care Physician (PCP) within the Cigna OAP network. Your PCP will coordinate your care and will refer you to specialists within the medical group when necessary. There are no out-of-network benefits under this plan.
