ABOUT LIVING BENEFITS (ACCELERATED BENEFIT)

LIFE INSURANCE BENEFITS (BENEFITS PAYABLE BY REASON OF THE DEATH OF YOU) WILL BE REDUCED IF BENEFITS ARE PAID UNDER THE LIVING BENEFITS (ACCELERATED BENEFIT) PROVISION.

This disclosure is a brief summary of the Living Benefits (Accelerated Benefit) provision and its effect on life insurance benefits.

An eligible Insured Person may receive payment of part of the amount of life insurance in effect for the Insured Person while living if the Insured Person has been diagnosed with a terminal condition. A terminal condition means an injury or sickness that is expected to result in death within the number of months stated in the Certificate, as certified by a Physician. Please refer to the Living Benefits (Accelerated Benefit) provision of this Certificate for information regarding who is eligible for this benefit and the complete definition of Terminal Condition in the Definitions section.

This benefit is included in the premium paid for life insurance. There is no separate premium charge for this benefit. The premium for life insurance does not change if benefits are paid under the Living Benefits (Accelerated Benefit) provision.

The Living Benefits offered under this contract **may or may not** qualify for favorable tax treatment under the Internal Revenue Code of 1986 (as amended). Whether such benefits qualify depends on factors such as the life expectancy of you at the time benefits are accelerated or whether you use the benefits to pay for necessary long-term care expenses, such as nursing home care. If the Living Benefits qualify for favorable tax treatment, the benefits will be excludable from your income and not subject to federal taxation. Tax laws relating to Living Benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which you could receive Living Benefits excludable from income under federal law.

Receipt of Living Benefits may affect your, your Spouse's or your family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect your, your Spouse's or your family's eligibility for public assistance.

The Living Benefits (Accelerated Benefit) provision will end with the termination of this Policy.

ELIGIBILITY

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

WHEN YOU BECOME ELIGIBLE FOR INSURANCE (ELIGIBILITY WAITING PERIOD)

If you are Actively Working on the Policy Effective Date, you become eligible for insurance on the Policy Effective Date.

If you are not Actively Working on the Policy Effective Date, or if you are hired after the Policy Effective Date, you become eligible for insurance on the day you begin Active Work.

The day you become eligible for insurance may not be the same as the day your insurance begins. The WHEN YOUR INSURANCE BEGINS provision describes the day your insurance begins.

WHEN YOUR INSURANCE BEGINS

You become insured on the first day of the month that follows the latest of the day:

- a) you become eligible and are Actively Working; or
- b) your Written Request is properly completed and signed, if required.

You must provide Evidence of Insurability if it is required. You become insured for any amount of insurance that requires Evidence of Insurability on the first day of the month that follows the day we approve Evidence of Insurability.

EXCEPTIONS TO WHEN YOUR INSURANCE BEGINS

If you are:

- a) not Actively Working due to Injury or Sickness;
- b) Totally Disabled;
- c) confined in a Hospital as an inpatient;
- d) confined or assigned to a bed as a resident inpatient in any institution or facility other than a Hospital; or
- e) confined at home and under the care or supervision of a Physician;

on the day insurance would otherwise begin, insurance will not take effect until the day after you are released by your Physician and you return to Active Work.

If you are not Actively Working when insurance would otherwise begin for reasons other than those listed above, insurance will not take effect until the day you return to Active Work.

WAIVER OF COVERAGE

You may waive coverage:

- a) for religious or faith-based reasons;
- b) to avoid possible federal and/or state income tax liability; or
- c) for any other reason approved by us.

You must submit a Written Request to waive coverage. The request must be signed by you, and in community property states, your Spouse, if applicable. The waiver is effective on the date we receive and record the Written Request.

The waiver is irrevocable for one year from the date we record it. After one year, you may elect coverage by providing Evidence of Insurability at your own expense. You are eligible for insurance if we approve Evidence of Insurability.

CHANGES TO INSURANCE BENEFITS

Any allowable change in the benefits, class or amount of insurance, whether requested by you or the Policyholder, or as a result of the terms of the Policy, will take effect on the first day of the month that follows the date of the request or the change, unless otherwise stated or allowed in the Policy.

For any increase in insurance, we will use the Policyholder's records and/or the premium we receive to verify that the amount of insurance requested is the appropriate insurance amount the Insured Person is eligible for under the terms of the Policy.

If you are not Actively Working on the day any increase in insurance would otherwise take effect, the increase becomes effective the first day of the month that follows the day you return to Active Work.

REINSTATEMENT OF INSURANCE

You may be eligible to reinstate insurance that has ended in accordance with this provision.

Reinstated insurance will take effect on the first day of the month that follows the date you become eligible for insurance. If you are not Actively Working on the day the reinstated insurance would otherwise take effect, insurance becomes effective on the day you return to Active Work.

Involuntary Reduction in Hours

If insurance ends because you are no longer Actively Working due to an involuntary reduction of hours worked, insurance may be reinstated if you return to Active Work within 90 days from the date insurance ended.

Rehired Employee Due to Layoff or Termination

If insurance ends because you are no longer Actively Working due to layoff or termination of employment with the Policyholder, insurance may be reinstated if you are rehired and return to Active Work within 90 days from the date insurance ended.

Rehired Employee Due to Leave of Absence

If insurance ends because you are no longer Actively Working due to an approved leave of absence, insurance may be reinstated within 90 days from the date insurance ended upon return to Active Work. If insurance ends because you are no longer Actively Working due to military leave, insurance may be reinstated upon return to Active Work within 31 days of your discharge from active duty without satisfying another Eligibility Waiting Period.

Transfer From Portability or Conversion

If insurance is obtained under the PORTABILITY or CONVERSION provision while you are not Actively Working, insurance may be reinstated up to the amount of insurance that was in effect on the last day of Active Work. Any insurance provided through the PORTABILITY policy will terminate upon reinstatement of insurance as an Actively Working Employee. Any Conversion policies issued to you must be surrendered to us. If Conversion policies are not surrendered, Evidence of Insurability will be required to reinstate insurance.

WHEN INSURANCE ENDS

Insurance ends:

- a) for all Insured Persons on the day you are no longer Actively Working;
- b) the day an Insured Person begins active duty in the Armed Forces, National Guard or Reserves of any state or country (except for temporary active duty of 31 days or less), unless otherwise allowed in the Policy;

After satisfaction of the Disability Elimination Period, and upon submission of proof of Total Disability, your insurance may be continued without payment of premium until insurance ends in accordance with this provision.

We must receive notification of your potential Total Disability on our total disability claim form within 9 months of the date your Injury or Sickness occurred, or as soon as reasonably possible.

Insurance may be continued under this provision if the following conditions are satisfied:

- a) you are Totally Disabled;
- b) you were under age 60 at the time you became Totally Disabled;
- c) the Disability Elimination Period is satisfied; and

The amount of insurance may not be increased while insured under this provision.

If you are age 60 or older and become Totally Disabled, you may be able to obtain insurance under the PORTABILITY provision or CONVERSION provision.

About the Disability Elimination Period

The Disability Elimination Period is a period of 9 consecutive months. You do not have to be Totally Disabled while satisfying the Disability Elimination Period. Any period of time in which you are insured under the CONTINUATION OF INSURANCE FOR INJURY OR SICKNESS provision will apply toward satisfaction of the Disability Elimination Period provided premiums are paid by you or on your behalf. Your insurance will continue during the Disability Elimination Period.

If your group life insurance ends before you are able to satisfy the Disability Elimination Period, you may be able to obtain insurance under the CONVERSION provision until the Disability Elimination Period is satisfied. If your continuation of insurance for Total Disability is approved, your insurance will be continued for the amount of life insurance in effect for you under the Policy on the last day of Active Work, subject to any reductions shown in the Schedule, you must surrender your Conversion policy and any premiums paid for such policy will be refunded.

Proof of Total Disability

You must submit to us acceptable proof of Total Disability approved by our authorized representative in our home office before the end of the Disability Elimination Period or as soon as reasonably possible thereafter.

In order to confirm that you are Totally Disabled, we have the right to have you examined by a Physician of our choice at our expense.

If you are approved for continuation of insurance under this provision, we will periodically require proof of continuing Total Disability. We may have you examined by a Physician of our choice at any time during the first two years of Total Disability and once a year thereafter at our expense. If an additional examination is required due to questionable or disputed results of an examination, any additional examination may be at your expense.

When Continuation of Insurance for Total Disability is Approved

We will notify you in writing if your proof of Total Disability is approved by us.

Once you are approved for insurance under this provision, a recurrent disability caused by, resulting from or contributed to by the prior Total Disability will be treated as part of your prior claim and you will not be required to satisfy another Disability Elimination Period if:

- a) you were continuously insured for the period between your prior claim and your recurrent disability; and
- b) your recurrent disability occurs within 6 months of the end of your prior claim.

When Continuation of Insurance for Total Disability is Not Approved

We will notify you in writing if your proof of Total Disability is not approved by us. If at any time while you are insured under this provision we determine that you are no longer Totally Disabled, we will notify you in writing that you are no longer eligible to continue insurance under this provision.

If you are ineligible for insurance under this provision or your insurance under this provision ends, you will have 31 days from the date of our notice to submit a Written Request for insurance under the PORTABILITY provision or CONVERSION provision, if you have not returned to Active Work or you are not eligible for insurance under the CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY provision.

When Insurance Under this Provision Ends

Insurance under this provision will end on the day:

- a) you are eligible to continue insurance under the CONTINUATION OF INSURANCE FOR PARTIAL DISABILITY provision; or
- b) you return to Active Work.

Insurance under this provision will also end on the earliest of the day:

- a) you are no longer Totally Disabled;
- b) that is 90 days after the date of our request to you for proof of Total Disability if such proof has not been received by us;
- c) you fail to obtain an examination from a Physician of our choice as described in the PROOF OF TOTAL DISABILITY provision by a date established by us;
- d) you reach age 65; or
- e) you begin full-time employment with an employer other than the Policyholder.

In no event will insurance under this provision end less than one year from the day your Total Disability is approved by us.

Insurance under this provision also ends in accordance with the GRACE PERIOD provision.

PORTABILITY

You have the right to continue receiving group life and accidental death and dismemberment insurance under this provision if you are under age 70 when insurance would otherwise end for any of the following reasons:

- a) you cease to be Actively Working and are not eligible for insurance under any other continuation provision in this Certificate (if applicable);
- b) your employment, membership or association with the Policyholder ends;
- c) you retire; or
- d) the Policy terminates and the Policyholder does not obtain a replacement policy with another insurance carrier within 31 days.

If an Insured Person requests to continue to receive group insurance under this provision, the amount of insurance will not exceed the lesser of:

- a) the amount in effect on the day insurance ended; or
- b) \$500,000.

The amount of insurance may not be increased after insurance continues under this provision.

If you have received benefits under the LIVING BENEFITS (ACCELERATED BENEFITS) provision, you are not eligible to obtain insurance under this provision. If ineligible for this reason, you may be able to obtain insurance under the CONVERSION provision.

If you continue to receive group insurance under this provision, you can not continue insurance under any other continuation provision of the Policy (if applicable).

Notice of the Right to Continue Group Insurance Under this Provision

The portability period is the period of time that is 60 days from the date insurance would otherwise end (Portability Period). When insurance would otherwise end, notice of the right to continue insurance under this provision may be given. If notice is not given at least 15 days after the start of the Portability Period, an extension of the period of time to request continued insurance under this provision will be allowed. Any extension of the Portability Period will expire on the earlier of:

- a) 15 days after notice has been received; or
- b) 60 days after the end of the Portability Period, even if notice is not received.

How to Continue Group Insurance Under this Provision

You must submit a Written Request for insurance under this provision. The Written Request and the initial premium due must be submitted within the Portability Period.

The Group Term Life Insurance Portability Policy

The insurance continued under this provision is available under another group term life insurance policy (the "Portability Policy") issued by us, as available at the time insurance under this provision is requested. If you become insured under the Portability Policy, you will receive a certificate of insurance that describes the terms and conditions of insurance under the Portability Policy.

The Portability Policy may not provide all the same benefits or have all the same terms and conditions that are included in the Policy. In addition, the premium rates charged for insurance under the Portability Policy may not be the same as the premium rates charged for insurance under the Policy. The benefits and premium rates of our Portability Policy are described on our portability request form. You may contact the Policyholder or us to obtain our portability request form.

The continued group insurance under the Portability Policy is available as a result of portability rights that arise solely from the Policy, as arranged for you as an employee welfare benefit subject to the Employee Retirement Income Security Act of 1974, as amended.

CONVERSION

This provision allows for conversion of life insurance. Conversion insurance is not available for accidental death and dismemberment insurance.

If group life insurance ends because your employment or membership in a class (as shown under Class(es) on the Schedule section of this Certificate) ends or your benefit amount reduces you may apply for an individual policy of life insurance other than term insurance ("Conversion Policy").

The Conversion Policy issued under this provision will be:

- a) any type of individual policy of life insurance then customarily issued by us for purposes of conversion, except term insurance;
- b) issued without any supplemental benefits; and
- c) for an amount of life insurance that is up to the amount of life insurance that ended or was reduced, less the amount of any other group life insurance the applicant becomes eligible for within 60 days after insurance ended or was reduced.

Premium is based on the standard premium rate for the Conversion Policy according to the amount of insurance, class of risk, gender and age of the applicant on the date the Conversion Policy takes effect.

The Conversion Policy will become effective on the later of the date of issue or 60 days after the date insurance ended or was reduced.

Notice of the Right to Obtain Insurance Under this Provision

The conversion period is the period of time that is 60 days from the date insurance would otherwise end or reduce (Conversion Period). When insurance would otherwise end, notice of the right to convert may be given. If notice is not given at least 15 days after the start of the Conversion Period, an extension of the period of time to apply for continued insurance under this provision will be allowed. Any extension will expire on the earlier of:

- a) 15 days after notice has been received; or
- b) 60 days after the end of the Conversion Period, even if notice is not received.

If you are entitled to obtain a Conversion Policy and die within 60 days after insurance ends or reduces, we pay the amount of life insurance which could have been converted, even if you did not apply for a Conversion Policy.

How to Request Insurance Under this Provision

Insurance is available without providing Evidence of Insurability. You must submit a Written Request for insurance under this provision. The Written Request and the initial premium due must be submitted to us within the Conversion Period.

Conversion Insurance and Your Return to Active Work

If you are issued a Conversion Policy and again become eligible for insurance, insurance will become effective (subject to all eligibility requirements) only if any Conversion Policy(ies) is/are surrendered to us. If Conversion Policy(ies) are not surrendered, Evidence of Insurability will be required.

PREMIUM PAYMENTS

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

OPTIONS FOR PAYMENT OF PREMIUM FOR APPROVED CONTINUATION OF INSURANCE

When insurance is continued we must receive premium payment when due for insurance to remain effective, unless otherwise stated or allowed in the Policy. Premium payment may be made in the following ways:

- a) the Policyholder may pay the premium; or
- b) you may pay premium to the Policyholder who will then submit premium to us.

Contact the Policyholder to determine which option is available to you.

Payment of premium does not guarantee eligibility for coverage.

GRACE PERIOD

There is a grace period of 60 days for payment of premium. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in the 60-day grace period that follows. We consider premium to be paid on the date we receive it.

Insurance will stay in force during the grace period as long as premium is paid before the end of the grace period. If we receive written notice requesting cancellation of insurance on a current or future date, the grace period will not apply. Coverage will end on the cancellation date specified in such notice, as long as the full premium has been paid up to that date.

If premium is not paid by the end of the grace period, insurance will end the day after the last day of the grace period.

PREMIUM AND PREMIUM CHANGES

The premium for insurance under the Policy is a monthly rate for each coverage option shown in the Schedule section of this Certificate.

The premium for insurance under the Policy is paid (in full) by the Policyholder. Contact the Policyholder for additional information on the current premium for the Policy.

If you request a change in the amount of insurance, the Policyholder will provide you with notice of your new premium amount upon request if you are responsible for the payment of premiums for insurance.

If there is a change in the amount of the premium for insurance in accordance with the terms of the Policy, or a change in the amount of insurance as the result of a request of the Policyholder, the Policyholder will provide you with notice of the change at least 15 days prior to the date of the change if you are responsible for the payment of premium for insurance.

Premium amounts will change if:

- a) you reach an age when benefits are reduced as described in the BENEFIT REDUCTIONS provision in the Schedule section of this Certificate; or
- b) premium rates under the Policy are changed.

INDEPENDENT EXAMINATION AND AUTOPSY

We may require an Insured Person to be examined by a Physician as we direct to assist in determining whether benefits are payable. You may not impose any conditions on an examination such as pre-approval of the examiner, attendance of a third party or audio/video recording of the examination.
